WEDDING BELLS.—The Queen Hotel in this city was the scene of a very pleasing event on Wednesday, Sept 16, 1903 being the occasion of the marriage of Neil G. McPherson of Newton Cross to Miss Sarah Munroe daughter of Roderick Munroe of Fairville. In the parlor of the hotel which was very beautifully and artistically decorated for the occasion, the wedding ceremony was performed by Rev. A J McNeill of Orwell, The bride was very prettily attired in a costume of white muslin with white chiffon and applique trimmings and carried a bouquet of white carnations with orange blossoms entwined and was attended by her sister Miss Euphemia who wore a suit of blue organdie trimmed with applique and white carnations. The groom was supported by his brother George A McPherson of Newton Cross. After the ceremony the happy company repaired to the dining hall where a most sumptuous wedding dinner was served in the exquisite style and genial manner characteristic of the hostess. Shortly after dinner the bride and groom accompanied by their invited guests, who were their immediate friends and relatives, drove to the home of the bride where, after a most cordial greeting and the expiration of a few pleasant moments, all marched to the dining room where a most elaborate wedding supper was partaken of. After a most enjoyable evening whiled away in music—vocal and instrumental-readings, toasts games, etc Mr. and Mrs. McPherson accompanied with best wishes departed midst showers of rice for their future home at Newton Cross where a reception was tendered them. The bride was the recipient of many beautiful and costly presents a circumstance but slightly evissive of the high esteem in which she is held by her many friends.—Congratulations.

WEAK AND NERVOUS.

Thousands of Lives Made Miserable by a Trouble Easily Overcome.

Thousands of people throughout this country suffer continually from nervousness—their blood is poor and watery, their nerves unstrung and jaded. They are pale, weak, often troubled with headaches and dizziness, are exhausted with the slightest exertion, and often feel as though life were a burden. There is only one absolutely certain way to get new health and strength, and that is through the use of Dr. Williams' Pink Pill for Pale People. These pills make new, rich, red blood, strengthens the nerves, and bring health, strength and happiness to those who use them. Mr, D. W. Daley, Crystal City, Manitoba, proves the truth of this. He says:—"I have used Dr. Williams Pink Pills with wonderful results. Before using them I was weak and nervous; my blood was poor; I was pale and suffered from pains in the region of the heart. Now after the use of eight boxes of the pills my nerves are strong; my blood is pure and rich; I have a good colour and my heart action is regular. I think there is no medicine can equal Dr Williams' Pink Pills for these troubles."

This is the verdict of all people who have given the pills a fair trial, and those who are sick can obtain new health and strength through the use of this medicine. Do not waste money and further endanger your health by taking any substitute. See that the full name Dr. Williams' Pink Pills for Pale People is printed on the wrapper around every box If you cannot get the pills from your dealer they will be sent by mail at 50 cents a box or six boxes for $2.50 by writing The Dr Williams' Medicine Co., Brockville, Ont.
