DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS
Toronto: Market mixed; activities.

New York: Market mixed; moderate trading.

Montreal: Market narrowly higher; moderately active trading.

CURRENCIES

MONTREAL (CP)—The U.S. dollar in terms of Canadian funds was down 1-32 at $1.08 1-16 Pound sterling was down ¼ at $3.02¾.

NEW YORK

NEW YORK (AP) — An advance by rails was the highlight of an irregularly lower stock market Monday. Trading was slack.

Airlines were conspicuously weak. Throughout most of the session, however, the list as a whole remained about even on balance. Late selling tilted the scales to the minus side.

Volume fell off to 4,310,000 shares from Thursday's 4,520,000.

Among the rails Southern Pacific rose ⅝. Some other leading carriers did better. Rock Island rose 1, Chicago and North Western 1⅛ and Great Northern Railway 1⅛.

Although rail averages advanced solidly, the closely-watched Dow Jones industrial average fell 2.00 to 818.56.

Of 1,351 issues traded, 609 declined and 4.0 advanced.

AIRLINES TOO HIGH

A number of traders seemed to believe that the airlines, which still have big gains, were now over-priced. Pan American World Airways fell 2¼, United 2 and Eastern 1⅛. Among the higher - priced issues in the group, Western Airlines dropped 6 to 111½ and Northwest lost 1⅞ at 111¼.

The Associated Press average of 60 stocks lost .2 at 305.8.

Among the 15 most active stocks, seven rose, six fell and two were unchanged.

Texas Gulf Sulphur repeated its Thursday role as the most active stock. After an initial gain of about a point the stock faltered and ended with a net loss of 2⅛ at 52⅝ on 157,100 shares.

Second most active was Ling-Temco-Vought, which rose ⅛ to 18⅝ on 103,100 shares.

IBM DOWN

IBM also dropped 6¾. Nipped for sharp losses were Polaroid (ex dividend), off ¾, U. S. smelting, off 3¼ and Du Pont, off 2¾.

Among Canadian issues traded, Granby Mining lost 1½, Dome Mines and Canadian Pacific ⅛ each, Hudson Bay Mining ¾ and Aluminum Ltd., ⅛. Distillers Seagrams rose ¼ and International Nickel ⅛.

Prices were irregularly lower on the American exchange. Volume was 1,180,000 shares compared with 1,260,000 Thursday. Syntex was active and off ⅞ at 87. Jupiter Corp. advanced ¼ but Canadian Javelin dropped ¼ and Canadian Marconi and Preston ⅛ apiece.

TORONTO

TORONTO (CP) — Late selling pushed stocks from their best levels on the stock market Monday. Volume for the day was a hefty 7,012,000 shares compared with 6,784,000 shares traded Friday, and reflected a continued interest in speculative mining issues.

Best example of profit taking was in MacDonald which opened strongly by moving to a high of 60 cents only to turn over 615,700 shares and close at 48 cents, unchanged from Friday.

Other speculative issues saw Pax International gain four cents to 77 cents. New Delpre and Consolidated Regcourt 2½ cents to 24 and 19½. Bunker Hill two cents to 65 cents and Gulf Lead one cent to 28 cents.

Industrials gained .06 to 156.59 after earlier recording a new index high of 156.82. General Bakeries received support with a gain of 1½ to 23. Ford of Canada was up $7 to $202 and Canada Iron tacked on $1 to a 1964 high of 39. Among more pivotal issues, Toronto-Dominion Bank and Massey-Ferguson were up ⅝ to 65 and 28. Imperial Oil improved ⅝ to 51¼ and Bell Telephone ¼ to 56½.

Financial issues were weaker. Argus Corporation dropped ⅝ to 17¾ while Bank of Montreal was down ½ to 65¼.

GOLD INDEX DOWN

Western oils sagged.

Dome slumped 1¼ to 28¼ and pulled the gold index down with it. On index, golds dipped 1.26 to 134.59

Falconbridge was off ⅝ to 72¾ and Inco ⅝ to 86¼ in a lower base metals group. Nortalgo slipped 45 cents to $5.20 and Valiance added 45 cents to $3.40 in secondary issues.

Leitch gave up 35 cents to $3.85 and Highland - Bell five cents to $5.50. These two issues which have doubled in price in the last month were victims of selling following an announcement that the companies are equal partners in an agreement of undisclosed nature with Texas Gulf Sulphur.

On index, base metals were down .09 to 64.10, western oils .23 to 101.91 and the Exchange index was up .02 to 146.35.

A total of 754 issues traded.
