7th Charlottetown Co.

The weekly meeting of the 7th Charlottetown Guide Company was held Wednesday, Oct. 16th at Trinity Hall with a very good attendance. Following the regular inspection games were played for a short while after which we had the campfire. Here we discussed, among many things, a cake sale which we decided to hold at Moore and MacLeod's.

Monday is Guide Day, a day in which all Guides of Canada have special gatherings. The company also had a hike Saturday, Oct. 12th at which we all had a jolly time, cooking our supper outdoors over the fire.

At a meeting of the executive of the Guiders Club held on Friday, Oct. 18, it was decided that the local Guides would observe Guide Day, Oct. 26, by selling War Savings stamps to help the National war effort.

Attention P. E. Island Guiders

Captains and Brown Owls of 1939-40 are asked to send a report of their activities for the year ending October, 1940, to their commissioners as soon as possible for inclusion in the reports to be presented at the provincial annual meeting, which will take place the first week in November. Watch this column for the exact date of this meeting, which will be held at Government House.

Provincial Guide Shop — Miss Betty Large has consented to act as provincial shopkeeper and will be at Guide headquarters, 59 Grafton St., Wednesday afternoons only to give out supplies and to fill mail orders. All Guiders are asked to govern themselves accordingly

TIMELY AID— Miss Elsie Brownell, daughter of Mr. and Mrs. A. W. Brownell, Amherst, administered First Aid to Private Cecil Wakeling, of Charlottetown, stationed with the Prince Edward Island Highlanders at Dartmouth when he was injured in a car accident on the road near Masstown, late Monday evening. Pte. Wakeling received a broken nose, and cut an artery in his wrist. Miss Brownell's head had been thrown against the dash of the car, and her side hit the steering wheel. When removed she was in a dazed and bruised condition, but upon seeing Wakeling with blood streaming from his wrist and already considerably weakened from loss of blood, she had the presence of mind to administer First Aid. Borrowing a handkerchief she applied a tourniquet above the wound and bound it, stopping the flow of blood, until the man could be removed to the hospital. Miss Brownell is well known in Truro. She starred with the Amherst High School Basketball Teams, and last year was prominent in the Truro Ladies Basketball League. She was Captain of the P.N.C. All Star team, and was a member of the Truro All Stars, and played a prominent part in the Nova Scotia Conference Playdowns. —Truro News.

ATTENTION, ALL SCOUTERS, COMMITTEEMEN, etc.

Mr. W. L. Currier, Jr., Assistant Commissioner for Training in Canada will spend three (3) days on Prince Edward Island. A meeting has been arranged for the purpose of hearing Mr. Currier speak on Scouting. This meeting is to take place in the Court Room of the City Hall, Monday, October, 21 at 8 pm.

We make an appeal to all Scoutmasters, Cubmasters, Assistants, Group Committeemen, and all who are interested in Scouting to be present as we wish to have as large an attendance as possible.

Make it a point to attend—Do not let anything else interfere.

APPLE DAY

Apple Day is just around the corner, and we hope that all you Scouts and Cubs are PREPARED to DO YOUR BEST.

See that your baskets are nicely decorated, and have your Scout Smile handy.

Remember, Scouts and Cubs, this is your Apple Day. It will be a success only if you put everything you have into it—So get out on this day and SELL—SELL—SELL.

All Scouters are requested to let us know as soon as posible at Headquarters the number of Scouts and Cubs they expect to have out on this day.

TINFOIL COLLECTIONS

Are you Scouts and Cubs doing all you can to collect tin and lead-foil?

Let's see which Pack or Troop can collect the greatest amount of this material before the end of the week. If each Scout and Cub were to pick up all of this material they noticed on the street, a great amount would soon be collected.

The Committee in charge hopes, by the end of the coming week, to designate a depot from which collections may be made by each Group, and also to give information as to the central Headquarters for the material.

When collecting do not roll the foil into hard balls, as this makes it difficult when trying to separate the lead from the tin. KEEP AT IT

3rd TROOP (ST. JAMES)

At the regular meeting of this troop last Friday evening, plans were made for the publication of a Troop Magazine. The Scouts are very enthusiastic over this undertaking and all are anxious to get down to business.

The election of the staff took place at this meeting. Each Scout had one vote for each officer. Walter LePage was elected Editor-In-Chief and the names of other officers will be published in next week's news.

We wish the 3rd Troop every success in this venture, and hope to see their first edition in the near future.

1st PACK (BASILICA)

The first get together of this Pack took place last Saturday evening. It consisted mostly of games and P.T. The Cubs entered into the spirit of the games and enjoyed the P.T. immensely. A hike has been planned for this Saturday.

2nd TROOP (ST. PETERS)

The 2nd Charlottetown continued its outdoor activities with a hike on Saturday, October 13th. The Crow Patrol started from the approach to Hillsborough Bridge at 2.30 pm. at Scout pace, followed 12 minutes later by the Bear Patrol. The Crow Patrol following instructions, laid Scout tracking signs to a destination unknown to the Bears.

The Trail starting from the Southport side of the bridge led along the shore, through fields and woods to Duffy's Point. A very good job of tracking was done by the Bears and all who took part are credited with passing their Tracking tests.

At Duffy's Point firelighting tests, Semaphore, Signalling practice with flags and games were held. Lunch and a Camp Fire at which songs were sung, wound up the day's activities.

A.S.M. Wedge was the guest of the Troop on the hike. Emilio Tweel and Donald McLean passed their firelighting.

6th TROOP (HOLY REDEEMER)

At the last meeting of this Troop, new games were introduced, and a very good meeting was held. The attendnace was good and the Scouts are very keen about their test work.

At the conclusion of the meeting, Andre Wedge and Junior Duffy were invested. Both of these boys were taken into the Crow Patrol of which Frank Costello is P.L.

We wish these new Scouts the "Best of Scouting."

8th TROOP (TRINITY)

The Scouts of the 8th went on a hike Thanksgiving Day. This hike was to a secret destination under sealed orders. Tests were passed; games, including football were played and meals were cooked over open fire places

*S. S. CONVENTION — The Annual Sunday School convention of the United and Baptist Churches was held in the Baptist Church, Montague, on Monday, October 14th. The devotional period led by Rev. Mr. Duncan of the Baptist Church was opened by a hymn after which Rev. John Sterling led in prayer. Responsive Reading —Reading of Scripture—Hymn, Come Thou Fount of Every Blessing. The business part of the afternoon sessoin was conducted by the President, Mrs. W. A. Bruce, Valleyfield. The minutes of last year's convention were read by the secretary, Miss Enid Coffin. Nine schools were represented at the convention. The Treasurer, Mrs. G. Poole gave her report. The Travelling Secretary for the M. R. E. C., Mr. Godfrey in an effective and most inspiring way then addressed the Convention. He told of the origin and work of the Maritime Religious Educational Council, and of how it promotes boy life and girl life by sending out leaders to centers all over the Maritimes, holding Conferences, camps, etc. Later he emphasized the importance of training classes for teachers, so that they might be prepared properly for the duties of teaching, and he advised conducting a survey of districts where there was poor attendance at Sunday School. This would show just how many young people and adults were actually in contact with Sunday school work etc. The offering was then received and reports from the various schools were read. This session closed with the hymn, "Jesus Calls Us O'er the Tumult". The evening meeting opened with the Young People of the Baptist Church in charge of the Worship service, Mr. Alton Ross presided leading the responsive reading. Miss E. Crosier then led in prayer and Miss Verna Mellish gave a very inspiring talk on worship. A Quartette by the C. G. I. T. girls of the United Church was very sweetly sung. The president, Mrs W. A. Bruce, then took charge of the meeting. The old officers were all re-elected, and a report of the Resolutions and courtesy Committee was read by Mrs. Cowan. Mrs. Laura Hubley was soloist for the evening. Mr Godfrey took up the theme of worship stressing the need for an attitude of mind that helps us feel God's nearness, he spoke of the different ways in which many great men worshipped each feeling God's presence in different ways, some in the silence, we are prone to do the talking and we do not hear the still small voice that would speak to us we must live that our religion shows in our lives. It was a most helpful address.
