The Old-Fashioned Way

To try and sell "need-nots", or try and find a maid, or rent a room, the old-fashioned way was to get on the phone and tell neighbors about it. But that was a slow process, and only a few people were ever made aware. To get quick, successful results, EVERYBODY who might be interested needs to know.

So, when you want to sell used articles, or hire competent help or offer skilled services, do as thousands of others do so effectively each year.
