

THE CENTRAL GUARDIAN

There are as many different varieties of tea as of roses—but only ONE Red Rose Tea.

Red Rose is a blend of about a dozen varieties of teas, chiefly hill-grown ASSAMS—the richest and strongest teas grown.

The skilful blending of these teas produces the delightful and distinctive Red Rose flavor.

The rich, strong ASSAM leaves in the Red Rose package are so full of tea essence that three teaspoons are as far as five of ordinary tea.

The Red Rose combination of Quality and Economy is obtainable only in the Red Rose package.

Red Rose Coffee is as generously good as Red Rose Tea

Less Meat If Back and Kidneys Hurt

TAKE A GLASS OF SALTS TO FLUSH KIDNEYS IF BLADDER BOTHERS YOU

Eating meat regularly eventually produces kidney trouble in some form or other; says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation. The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.
