NEW YORK

NEW YORK (AP) — Rails led stock market to an easier day Thursday but the broad list faded later, leaving pattern of irregular declines were up to a record low average.

Trading was heavy, swelling to 6,000,000 shares from 5,420,000 Tuesday. It was the largest April 2 when 6,840,000 shares changed hands.

Rails moved ahead vigorously early trading. The rest of the list followed, with some exceptions, but not with any enthusiasm.

But the session continued there was further weakness among industrial stocks. Airlines were conspicuous losers.

The Dow Jones industrial average, which showed a gain of 12 at the end of the first half hour, ended the day with a loss of 3.38 at 622.84.

The Associated Press average of 60 stocks dipped .2 to 306.2 ... 10 industrials off .8, rails up .1 to a record high and utilities down 3.

Ten of the 15 most active stocks declined, four advanced and Delaware Lackawanna was unchanged at 5.

GULF MOST ACTIVE

Once again, Texas Gulf Sulphur was the most active stock on Thursday as it sold 2% to 42¾ on 569,600 shares. The stock fluctuated considerably during the day as reports came from its annual shareholders' meeting.

News that the company will be able to bring no increase to profits until next year through a rich mineral find in Ontario seemed to have the net effect of discouraging traders.

Second most active was Pacific Petroleums, up 1¼ at 13⅞ on 232,400 shares. The company said it had completed one of the largest natural gas wells ever drilled in Alberta.

Third most active was Curtis Publishing, which followed the fortunes of Texas Gulf Curtis, which has property adjacent to the Texas Gulf holdings, sank ⅝ to 12¼ on 188,100 shares.

Pennsylvania Railroad was the most active in its group, losing ⅝ to 32⅞. Soo Line which has reported sharply higher profits, also was heavily traded and up 3⅞ at 37⅞. Financial gains were held by such carriers as Santa Fe, Southern Railway, Baltimore and Ohio, Chesapeake and Ohio, Southern Pacific and Illinois Central. New York Central lost a point.

AIRLINES FALL

Volume leaders in their group, American Airlines fell 1¼ and Pan American 2¼. Delta Airlines fell 5½, Western ¾, Northwest 2¼, United 1¾ and Eastern 1⅝.

IBM fell 10 points to 584. Chrysler's loss was linked to disappointment that car sales in the latest reporting period were below the total for the year-ago period.

International Nickel declined ⅞, Union Carbide 1⅝. Air Reduction 1⅛, U.S. Smelting 1, Control Data 1⅞, International Telephone 1¾ and Zenith 2⅞.

Among other Canadian issues traded, Dome Mines fell ⅝ and Granby, Mattagami ¼, McIntyre Porcupine rose 1 point, Hudson Bay Mining ⅝ and Canadian Pacific ¼.

Prices moved generally lower on the American Exchange. Volume was 1,980,000 shares compared with 1,590,000 Wednesday. Farge Oil was down 1-16 while Canadian Javelin dropped ½. Taking losses were Brazilian Traction, Canadian Marconi, Jupiter Corp. and Scurry Rainbow Oil.

TORONTO

TORONTO (CP) — Confusion, indecision and reports of new oil strikes in Alberta made the stock market in a turmoil Thursday.

Investors and brokers alike had been waiting impatiently for the annual meeting of Texas Gulf in the hopes of new information—but all that was said in Houston Thursday was a confirmation that the Timmins ore strike is in excess of 25,000,000 tons and that production will begin next year.

The size of the ore body already was understood to exceed the given figure and the gyrations of Texas Gulf in the New York market — faithfully reflected by penny stocks in Toronto—mirrored the indecision of investors.

To add to the confusion, speculators started to turn from the mining market and pour their money into low priced western oil issues. Reports of oil strikes in northern Alberta have already been confirmed, but gossip of a further strike by Pacific Petroleums sent the stock jumping 1¾ to close at 15 on 103,300 shares.

RUMORS DENIED

Rumors that trading in Pacific Petroleums had been suspended because of the heavy turnover were denied by Exchange officials.

In speculative mines, Bunker Hill fell 18 cents to 76 cents, Pacific Exploration 16 cents to 72 cents, Glenn Uranium 10 cents to 34 cents and Gulf Lead six cents to 25 cents.

INDUSTRIALS EASE

Volume for the day was 18,- Volume for the day was 18,- 292,000 shares, third highest figure on record. Turnover Wednesday was 15,450,000 shares.
