CURRENCY

MONTREAL ¼CP)—The U.S. dollar closed at a premium of 7 13-16 per cent in terms of Canadian funds, unchanged from Tuesday's close. Pound sterling closed at $3.02 7-16, up 1-16.

NEW YORK

NEW YORK (AP)—The stock market Wednesday backed away from the high-water mark of its latest rally as volume dropped by more than 1,000,000 shares below Tuesday's total.

Brokers said considerable stock was for sale at the level represented by about 600 in the Dow Jones industrial average. As the list approached that area, offerings became heavier. The Dow industrials fell 6.57 to 591.36.

The drop in volume to 3,100,000 shares from Tuesday's 4,190,000 was encouraging to those who look for higher prices eventually, as it reduced a lessening of interest as stock fell.

A reported decline in the U.S. unemployment total had no apparent effect on stock prices. The market was down from the start and continued to widen losses as the session wore on.

GETS CONTRACT

A scheduled rise in selected issues advanced against the trend, and some items of corporate good news came too late to affect prices before trading closed in New York. Among these was word that Chrysler would receive a $215,502,744 contract for production of boosters for the Saturn C-1 space vehicle. Chrysler (ex-dividend), closed off ¼ at 47 in New York but was strong immediately in Pacific Coast closing trading.

The Associated Press average of 60 stocks fell 1.90 to 218.50.

An estimated $2,700,000,000 was slipped from the quoted value of stocks listed on the New York Stock Exchange, based on the fall in the AP average.

The volume leader was General Public Utilities, unchanged at 30⅝ on 99,700 shares, of which 97,000 was accounted for by an exchange distribution.

General Motors was off ⅝ at 81¾, and Polaroid off 3 at 99.

Richardson Merrell was 15¾ most active stock, recovering 2⅞ of recent losses based on the fact that a subsidiary was the distributor of thalidomide, the drug blamed for birth deformities.

The pressure was eased by a statement from the food and drug administration that no deformed infants had been found associated with the testing of the drug in the U.S. and the comment of Senator Hubert H. Humphrey that the company had acted responsibly and "complied with every regulation."

North American Aviation, off 1⅜, did not react immediately to published news of $44,000,000 in contracts.

OBITUARY

ALVA L. TOWNSHEND

The community of Fortune was deeply shocked and widespread sorrow was felt throughout the surrounding districts, when it was learned that a tragic drowning had occurred claiming the lives of three young people, one being that of Alva Lloyd Townshend, son of Lloyd and Frances (Coffin) Townshend.

Alva was born at Fortune Bridge on May 1st, 1944.

Death, at anytime is sad but particularly so when one in the flower of their youth is taken from home and loved ones, but God's ways are beyond our finite minds to comprehend.

His cheerful disposition and loving kindness won for him the respect of all with whom he came in contact.

His ready smile will be missed by a wide circle of friends, but it is in the home with the vacant chair, where his passing is most keenly felt by those, who knew him best and loved him most.

He leaves to mourn his parents, a sister Susan, his grandfather Coffin,, several uncles and aunts and a number of cousins.

The funeral was held from Bay Fortune United Church on July 7, 1962 under the direction of the Dingwell Funeral Home with the service being conducted by Rev. Elton Adams and Rev. Dr. W.A. MacQuarrie, assisted by the combined choirs of Souris, and Bay Fortune.

His remains were tenderly laid to rest in the church cemetery, sadly borne by six of his friends, Grant Robertson, Douglas Coffin, Dwight MacEwen, Eric MacKenzie, James Donohan and Bobby Wood.

CARD OF THANKS

The family of the late Alva Townshend wish to express their thanks to all kind friends, relatives and neighbours who sent flowers, gifts to the Memorial Fund and messages of sympathy and helped in many ways during their bereavement. A special thanks to Dr. Kasner, Rev. Elton Adams, Rev. W.A. MacQuarrie. The Dingwell Funeral Home and those who assisted in the rescue operation.

Du Pont fell 2¼, Eastman Kodak 2⅜, International Nickel 3⅞, Corning Glass 2½, and Beckman Instruments 2¼.

Homestake reported higher earnings and the stock was up 1⅞. Dome Mines and Campbell Red Lake added ⅝.

Among other Canadian stocks, Walker - Gooderham finished a point higher. Steep losers were Power pine was down ¾ and Aluminium ⅛. Distillers Seagrams finished unchanged.

American Stock Exchange prices moved irregularly lower. Jupiter Corp. was up ⅛ and Shawinigan ¼. Preston Mines and Kerr Addison were down ⅛.
