New York Stocks

NEW YORK, (AP) — The stock market tore loose with a bull market boom Thursday that sent it to a 25-year high.

Steels were among the leaders with substantial gains.

They had a lot of help and shared leadership at times with motors, rubbers, oils and railroads. Heavy gains were rolled up by mail order houses, farm implements, aircrafts, radio-televisions, coppers, a few chemicals, airlines, movie issues and building material.

The Associated Press average of 60 stocks stepped ahead $1.80 at $139.10, the highest point that the average has reached since Oct. 17, 1929, when it stood at $142.90.

The industrial component of the average was up $2.80 at a new high of $191.80, railroads gained $1.50 at a new high of $102.50 and utilities were up 40 cents at $64.30.

There were 120 highs and two lows for the year touched.

Jones and Laughlin Steel was at the top of the most active list up 5-8. It was followed by New York Central up 1 3-4 and American Airlines up 1-2.

Firestone, which announced it was producing more than 1,000,000 tubeless tires a month, raced up 6 points.

Among other heavy gainers were Bethlehem Steel, Chrysler, Goodyear, Sears Roebuck, Republic Aviation, Radio Corp., American Telephone, Consolidated Edison Phelps Dodge, Southern Railway, Barker Oil, Loew's, Johns-Manville, Sylvania Electric and International Harvester.

Canadian issues were higher. International Nickel gained two points, Hiram Walker and Distillers Seagrams both added 3-4 and Canadian Pacific was up 5-8. Dome Mines and McIntyre both remained unchanged.

Lake Shore, a Canadian issue on the American stock exchange, was up 1-4. Other Canadian issues, Giant Yellowknife and Royalite Oil, both remained unchanged.

Toronto Stocks

TORONTO, (CP) — The stock market broke a 20-year record Thursday in one of the strongest, most active sessions of the year.

Low-priced mines were extremely active for the second session and volume climbed to 7,457,000 shares, the second mostactive session of the year. Only Wednesday's 9,314,000 hares was higher.

The base metal index climbed 2 1-4 points, Consolidated Smelters gained $1.50. International Nickel climbed $1.62 1-2 after rumors it has an interest in a base metal discovery of American Metal Company in New Brunswick.

In the low-priced mines, those that surged ahead with great activity Wednesday generally fell back Thursday. Meta dropped 11 cents and Lorado 20 in reduced trading.

Other issues reacted favorably to property reports or underwritings. Geneva traded about 800,000 shares and climbed 7 1-2 cents and Goldhawk, Jacknife, Pitch-Ore Uranium, New Goldvue and Minda-Scotia also closed ahead.

Golds ended mixed with comparatively small price changes.
