TUESDAY.

Something over a month ago Mr. and Mrs. Humphreys were in Moncton on their way to Halifax. They were on a walking tour and after "footing" it to Halifax they took steamer for the Old Country. From a recent London paper the following is taken: "In the picturesque attire of the Wild West, Harry and Mrs. Humphries, who have undertaken to tramp 48,000 miles in 48 months, presented themselves at the Nottingham town clerk's office yesterday, four days in advance of their scheduled time, for the mayor's seal to be attached to their papers. Starting from New York in July last, they have already traversed 5,000 miles. They proceed to the Antipodes,"

A. P. Prowse, M. P. P., arrived in the city yesterday morning accompanying the remains of his mother-in-law, Mrs. J. W. Kirkland, who died at his residence, Murray Harbor, Sunday. The deceased who was over 85 years of age, had been suffering for about five weeks from an illness brought on as the result of a fall. The late Mrs. Kirkland was born in Rexton, N. B., and was a half-sister of Lt. Governor Tweedie of New Brunswick. She has resided at Murray Harbor for the past nineteen years. She leaves one son Laberte Kirkland, of Watsonville, Cal., and three daughters, Mrs. A. P. Prowse, Murray Harbor; Mrs. Thomas Girvan, Galloway, N. B.; Mrs. (Dr.) McIntosh, Murray River. The remains will be taken to Rexton, N. B., today for interment.

On New Year's evening the home of Angus F. and Mrs. Beaton, Alexandria, was the scene of a very interesting event when their daughter, Inez J. became the wife of John B. B. Saunders, Murray River, at the hour of 6 p. m., The bride entered the parlor leaning on the arm of her father. The young couple took their places and Rev. D. McLean of Charlottetown proceeded with the solemn impressive ceremony that made them man and wife. The bride was attended by her sister, Miss Hettie Beaton, while Peter White of Charlottetown supported the groom. They remained standing while the friends present gave expression of their best wishes for their havpiness. Supper was then served and consisted of everything that culinory art and effort combined could produce, and was duly partaken of by all present. About 7 p. m., a company of cheveriers arrived and gave many expressions of good-will to bride and groom. After being treated they dipersed to their homes. The bride was charmingly attired in silk stripped viole with gold and satin ribbon trimmed. The bridesmaid wore white mull with lace and pink ribbon trimmings. A pleasant evening was spent in games and vocal music. The number of handsome and useful presents received showed the esteem and respect in which the young couple were held by their many friends. The bride's going away suit was of blue cloth with silk waist to match piped in paddy green and wore a picture hat with white plumes. Mr and Mrs, Saunders left on the following afternoon on the Murray Harbor train for their future home.

The schooner Irene, Capt. Nelson Dicks, has arrived from Georgetown with a cargo of produce, Capt. Dicks will have the sympathy of a large number of friends in this town in the loss of his young bride a short time ago.—Glace Bay Gazette (Mrs Dicks remains were forwarded from this city a short time ago to St. Peter's, C. Rev. Mr. Styles on Sunday evening in the Methodist Church, Pownal, delivered a very appropriate address on the duties and responsibilities of his hearers for the New Year the subject being from Philip, 3rd, 13-14-"Forgetting those things that are behind, and reaching forth unto those things that are before, I press toward the mark." After the address the usual Covenant service was held and at the close the Sacrament was administered. The choir rendered selections suitable to the occasion.

R. H. Campbell, Principal West Kent Street School, City, has been appointed Chief Superintendent of Education for P. E. Island. Mr. Campbell is to be congratulated on his promotion and the Goyernment on its selection of an educationalist to succeed Dr. Anderson, whose efficient work has been felt among the youth of the province. Mr. Campbell has been twenty five years a teacher. He has passed successfully through almost every grade in the profession. Beginning in the country district schools, he worked steadily upward. From West Kent Street School he was called to be Vice-Principal of Upper Prince Street School: Thence he went to be Principal of the High School at Summerside. After about ten years occupancy of that position, he came back to Charlottetown, to be Principal of West Kent Street School. In that school he has proved himself a thoroughly capable man and it is felt that in his new position his views on the educational problems of this province, which have so often been expressed at Teachers Conventions and other public places will be so followed up as to promote the system to a higher plane and increase the intellegence.

The many friends of Mrs. Austin Jardine, in and around Pownal, decided to give her a surprise party, on Monday, Jan, 1st, it being the anniversary of her birthday. They also decided that a suitable remembrance should be purchased, which was accordingly done, and at about 7.30 p. m., the Jardine residence was invaded by a host of admiring friends. Although taken by surprise the amiable and jolly hostess had a smile and hearty hand shake, for each, as she received their sincere congratulations and best wishes for many "happy returns." Although the house was completely filled, everybody was made comfortable and soon the fund began and with music, and dancing and games of various kinds, the hours spread all too quickly. Though it was a surprise party they couldn't surprise Mrs. Jardine with an empty larder and soon a table was spread with all the danties and substantials consequent to the festive season. After everyone had heartily partaken of the good things provided the tables were cleared, and the charming hostess of the Forester House (Mrs. Geo. Carver,) after a sweet little speech, presented Mrs. Jardine with a solid leather hand bag, with gold mountings, and engraved initials. Although almost overcome with emotion, Mrs. Jardine rose to the occasion and warmly thanked the kind friends, for the beautiful and useful gift which would be cherished as a momento of their pleasant surprise, and kindly feelings towards her and hoped that each one would spend a very "Happy New Year.

A concert and basket social was held in the Cherry Valley hall New Year's night, which proved to be one of the best ever held in this section of the province. W. J. McEachern, Mt. Albion, occupied the chair. The programme was as follows:—Chorus "Happy New Year,"—Duet, Mrs. Dingwell Jenkins and Mrs. Truman Jenkins;—Reading, Mr. O'Keefe; Solo, Mrs. W. J. McEachern; Dialogue, "Aunt Jemima's Money," by Misses Louise, Helen and Hazel Mutch, and Tillie Hayden; Solo, Isabel McLeod; Graphophone Slection; Dialogue, "The Splendid Beau," Lulu Ballem and Fred Robertson; Duett, Misses Clara and Lilla Carver; Solo Marguerite McEachern; Reading, Louise Mutch; Solo, Lilla Carver; Graphophone Selection; Solo, Lulu Ballem; Chorus, "Sleigh Ride Serenada." At the conclusion of this fine programme in which every one who participated performed their part in a highly creditable way, the baskets and pies were sold by Mr. McEachern. A large quantity of home-made candy was sold by the ladies. The proceeds amounted to $64; and the concert committee, Messrs. Harry Tweedy, Roy Mutch and Lewis Hayden are to be congratulated on the result of their efforts to make this concert a success.

The hall was crowded--standing soom being at a premium, and the best of order prevailed.

The dialogue "Aunt Jemima's Money," was one of the best ever played here,—the young ladies acting their parts in a way that would reflect credit on those who had years of experiences in play acting

The other dialogue in which a lady refuses an offer of marriage on opposition to matrimony as a matter of principle was also well acted, and very amusing. The singing was of a high order, and Mr. Judson's graphophone selections were intensely amusing and entertaining.

The proceeds are to be devoted to defraying the expense of repairing the hall.

THURSDAY

A pleasant event took place at 11.30 Cornox St., Vancouver at the residence of Henry and Mrs. Seaton, Dec. 28th. When their daughter became the bride of Louis H. Crosby formerly of Charlottetown and now Accountant with Brewster Brothers of Banff, Alberta. Mr. Crosby is well known in Charlottetown being in the employ of J. J. Hornby while here and also very prominent in athletic circles.

Murdock McLeod formerly of Hopedale but who has been in the Canadian West for past thirty years is spending the winter in Hopedale renewing old acquaintances. He is stopping with his uncle Donald Nicholson, it is twenty-one years since Mr. McLeod last visited Prince Edward Island and he sees many changes. Mr. McLeod has been very successful in the west and now owns several hundred acres of valuable land besides being a contractor for the Northern Pacific Railway. He intends leaving for the west again about the first of March.

A Despatch from Belmont, Mass says: On Feb. 1, one of the most unusual happenings ever recorded takes place here, when six Charlottetown P. E. I., girls will be married by one minister. The girls are two couples of sisters, Miss Cassie and Beatrice Harkness, who will marry Harvey Campbell and Roy Peterson; Minnie Campbell, who will matry Chas. Harrington; Jennie Campbell, who will marry Austin Ramsey, and Nine Campbell, who will marry Arthur Lang. Another Harkness girl makes up the six who will be wed. Two of the Ramsey boys, brothers, are engineers on the Intercolonial Railroad, and will come from Moosejaw, Saskatchewan, to take part in the unique sextette wedding. All the girls are under 25, good looking, and came here recently from Prince Edward Island.

Many friends in town and country cherish loving memories of the late B. D. Higgs, editor of The Guardian. His writings had a peculiar charm and his work was greatly appreciated by the readers of this journal as well as by his fellow craftsmen of the press of this Province and throughout Canada. As will be regretfully remembered, his life was cut off by disease while he was still young in years and giving promise of a brilliant and useful future. A speaking likeness of the late Editor has been executed by A. A. McLeod, artist of New York, and now adorns the office of the Manager. It presents the late Mr. Higgs as he appeared when in the prime of health and hope. Mr. McLeod, himself a native of this Province, has treated the subject with a sympathetic touch and the high artistic skill for which his art work is noted.

FRIDAY

A gloom was cast over Morell and vicinity on Friday, Dec 22nd, when the sad news issued forth of the death of Mrs. William Sinnott of that place. She was a cheerful, kind hearted Christian woman and always appeared to enjoy good health until one week previous to her demise when she contracted pneumonia and all that medical aid could do was to no avail. Kind hands strove to comfort her, and her devoted pastor Rev. A. J. McIntyre, visited her daily during her short illness. The deceased who had reached the age of 56 years was the mother of thirteen children, three of whom predeceased her. She leaves to mourn their irreparable loss a husband, three sisters and two brothers. The remains were interred in St. Joseph's Cemetery. May her soul rest in peace. Com. Other Provincial papers please copy.

The many friends of H. Moore, one of the cleaners in the roundhouse of the P. E. I. Railway, will regret to learn that he is suffering with a badly broken leg. He sustained his injury one evening recently as an engine was going into a roundhouse, slipping off the tender and suffering a bad break.

The death of Thomas Mobbs at Covehead Road on Jany 6th, at the advanced age of 85 years, removes another landmark that binds the past with the present. Born in England of sturdy Anglo Saxon stock he came to this Province when quite young and lived all his life on the farm on which he breathed his last. The deceased was highly respected and known as an upright, honorable man whose life was beyond reproach. His wife (Miss McKenzie) predeceased him seven years ago and he leaves to mourn a family of six. Mrs. Isaac Hardy, Pleasant Grove; James and Wallace in Winchester, Mass; Pamelia and Eliza in Malden, Mass and Fred on the homestead. The remains were laid to rest in the York Cemetery, beside those of his wife, Rev. E. A. Westmoreland performing the funeral ceremony.

SHE GOT WHAT SHE WANTED

This Woman Had to Insist Strongly, but it Paid

Chicago, Ill.—"I suffered from a female weakness and stomach trouble, and I went to the store to get a bottle of Lydia E. Pinkham's Vegetable Compound, but the clerk did not want to let me have it—he said it was no good and wanted me to try something else, but knowing all about it I insisted and finally got it, and I am so glad I did, for it has cured me.

"I know of so many cases where women have been cured by Lydia E. Pinkham's Vegetable Compound that I can say to every suffering woman if that medicine does not help her, there is nothing that will."—Mrs. JANETZKI, 2963 Arch St., Chicago, Ill.

This is the age of substitution, and women who want a cure should insist upon Lydia E. Pinkham's Vegetable Compound just as this woman did, and not accept something else on which the druggist can make a little more profit.

Pinkham's Vegetable Compound, which is made from roots and herbs, has been the standard remedy for female ills. In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

LITTLE WORRIES IN THE HOME

It is These That Bring Wrinkles and Make Women Look Prematurely Old

Almost every woman at the head of a home meets daily with many little worries in her household affairs. They may be too small to notice an hour afterwards, but it is these same constant little worries that make so many women look prematurely old. Their effect may be noticed in sick or nervous headaches, fickle appetite, pain in the back or side, sallow complexion, and the coming of wrinkles, which every woman dreads. To those thus afflicted Dr. Williams' Pink Pills offer a speedy and certain cure, a restoration of color to the cheeks, brightness to the eye, a healthy appetite and a sense of freedom from weariness.

Among the thousands of Canadian women who have found new health and new strength through the use of Dr. Williams' Pink Pills is Mrs. W. C. Daerr, London, Ont., who says: "About two years ago I found myself so badly run down that it was almost impossible to perform my household duties. I fell off in flesh, was weak and very pale, had no appetite, feet constantly cold, and to further make my life miserable I was afflicted with those other ailments from which so many women suffer. I tried many kinds of medicine, but got no benefit, and began to feel that I was slipping into chronic invalidism. I was advised to try Dr. Williams' Pink Pills, and although I felt somewhat hopeless decided to do so. To my delight after taking the Pills a few weeks, I felt much better, and a further use of them brought me back to my old time health. I have since recommended the Pills to many others, and those who have used them have always been benefitted."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
