BURKE—At Hurleycrest, Halifax, N. S., on Monday Oct. 28th, to Lieut. A. H. and Mrs. Burke (nee Pearl Hubley), of Southport, P. E. I., a daughter "Muriel Pearl" weighing 10-1-2 lbs.

MRS. EDWARD BRADLEY

A great shock to the community was the sudden death of Mrs. Edward Bradley of Charlottetown which took place at her home on Nov. 3rd. Deceased was in the bloom of health and vigor up to a few weeks before her death. She was in her 27th year and was esteemed by all who knew her for her many admirable qualities of mind and heart. She had not only a kind disposition by nature but she had especially the charm and character of the valiant christian mothers of old. The deep sympathy of the community goes out to the devoted husband three little children, six brothers and a large circle of friends. Mrs. Bradley was a daughter of the late John McGuigan of St. Mary's Road who died on Nov. 23, 1917. Mrs. Bradley was a sister of Charles McGuigan, Iona. May her soul rest in peace.

THE FALL WEATHER HARD ON LITTLE ONES

Canadian fall weather is extremely hard on little ones. One day it is warm and bright and the next wet and cold. These sudden changes bring on colds, coughs and croup, and unless baby's little stomach is kept right the trouble may be serious. There is nothing to equal Baby's Tablets in keeping the little ones well. They sweeten the stomach, regulate the bowels, break up colds and make baby thrive. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

If anything could add to the great reputation of John McCormack, the famous Irish singer, the fact that he has adopted the children of his wife's brother's family since the heads of that family, Mr. and Mrs. Thomas J. Foley, went down with the torpedoed Irish mail steamer Leinster, returning after visiting for the last time Mrs. Foley's only brother, Mr. Christopher Barrett of the British army, fatally wounded after three years' service in France, that fact would add new laurels to the noted singer.

Later she appeared in theatres in all parts of the world.

THE AFTER EFFECTS OF DREADED LA GRIPPE

Worse Than the Disease Itself—Victims Left Weak, Nervous and Worn Out.

La Grippe, or Spanish influenza as the epidemic now sweeping over all America is called, is one of the most dangerous diseases known to mankind. Anyone who has felt its pangs is not likely to forget the trouble. La Grippe, or influenza, starts with a slight cold and ends with a complication of troubles. It lays the victim on his back, it tortures him with fever and chills, headaches and backaches. It leaves him a prey to pneumonia, bronchitis, consumption and other deadly diseases. Its after-effects are often more serious than the disease itself. It is quite possible to avoid la grippe by keeping the blood rich and red by the use of Dr. Williams' Pink Pills—a tonic medicine which enriches the blood and strengthens the nerves. If, however, the disease attacks you, the patient should at once go to bed, and call a doctor before complications set in. That is the only safe thing to do. But to recover your strength after the severity of the attack has passed, you will find Dr. Williams' Pink Pills an unsurpassed tonic. Through the use of this medicine all the evil after-effects of this trouble, will be banished. This has been proved in thousands of cases throughout Canada, where in previous seasons la grippe has attacked them. Among the many thus restored to full health is Miss Irene Boates, Portsmouth, Ont., who says:—"I take much pleasure in recommending Dr. Williams' Pink Pills, because I have proven their worth in my own case. Last winter I had a severe attack of la grippe and it left me weak and all run down. I had severe pains in the chest and under the arms, palpitation of the heart and attacks of neuralgia which left me with the feeling that life was scarcely worth living. I was advised to try Dr. Williams' Pink Pills and began their use only on the principle that I would try anything that might better my condition. I had only been using the pills a couple of weeks when the pains began to leave me. Gradually my strength returned, my appetite improved, and in a little more than a month I felt all my old time vigor had returned. I am sincerely glad I was persuaded to try Dr. Williams' Pink Pills, and I shall always have a good word to say for them. Dr. Williams' Pink Pills not only cure the disastrous after effects of la grippe, but are also a specific for all troubles due to poor blood, such as anaemia, rheumatism, indigestion, women's ailments, and the generally worn out feeling that effect so many people. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
