CURRENCIES

MONTREAL (CP) — United States dollar in terms of Canadian funds down 1-16 at $1.07 15-32. Pound sterling was up 5-16 at $3.01 7-16.

NEW YORK

NEW YORK (AP) — A confused stock market Monday rose in the morning and sank in the afternoon, taking another loss as renewed bombing of North Viet Nam was accompanied by a further effort to remove the dispute from the battlefield to the conference table.

Aerospace stocks were early gainers on news that air strikes against the North Vietnamese were resuming.

After the close, General Motors reported a 23-per-cent gain in profits over 1964, the greatest net income ever reported by a corporation, but the stock was off ⅞ in advance of the news.

It was the market's second straight daily decline. It was accomplished on diminishing volume. Turnover was 7,790,000 shares compared with 9,000,000 Friday, the lightest since Jan. 10 when 7,730,000 shares changed hands in a session abbreviated by the New York city transit strike.

The Dow Jones industrial average was up as much as 2.01 at the end of the first hour. It closed with a loss of 1.84 at 983.51.

425 ROSE

Of 1,419 issues traded, 739 fell and 425 rose.

Prominent among the lows was American Telephone which sank to a low of 59½ before closing at 59⅝, a drop of ½.

The continued softness of A.T. and T. was, once again, a factor in general market caution.

The Associated Press average of 60 stocks fell 2.0 to 366.3 with industrials down 1.8, rails off 1.5 and utilities off 1.6.

American Motors was the most active stock for the second straight session, rising ⅝ to 10½ on 306,200 shares after making a day's high of 10⅞.

DOME UP 2¾

Among Canadian issues, Dome Mines rose 2¾, International Nickel ¾ and Distillers Seagrams and Walker Gooderham ⅛ apiece. Granby Mining fell ½.

Prices on the American Exchange declined irregularly. Brazilian Traction rose ¼ and Canadian Marconi ⅛. Down ¼ each were Preston, Jupiter Corp. and Scurry Rainbow Oil.
