McGONNELL — In memory of Thomas Carl McGonnell who died September 9th, 1962.

To have, to love and then to part
Is the greatest sorrow of the human heart.
The tears in our eyes can be wiped away;
But the ache in our hearts will forever stay.
If all the world were cups of tea,
We'd give a lump of sugar to see
To see the face of one dear one
Come smiling through the door.
His memory is as dear today
As in the hour he passed away.
Ever loved, sadly missed Wife, Mother, Father, brother and sisters.

McGAUGHEY — In sad and loving memory of our dear husband and father, Charles McGaughey, Albany, P.E.I., whom God called to Heaven on September 7, 1940.

When ties of love are broken
And loved ones have to part,
It leaves a wound that never heals
And also broken hearts.
I have lost a real companion
A life linked with my own
And day by day I'll miss you more
As I walk through life alone.
Looking back with memories
Along the path we trod.
I bless the years I had with you
And leave the rest with God.

CURRENCIES

MONTREAL (CP) — United States dollar in terms of Canadian funds off 3-32 at $1.07 21-32. Pound sterling off 5-16 at $2.99 11-16.

NEW YORK

NEW YORK (AP)—The stock market showed an irregular rise Tuesday. Trading was moderate.

The Dow Jones industrials—which represent about one third of the value of listed stocks on the New York Exchange—reached a high. The average rose 3.60 to 851.91, topping the previous closing mark of 851.35 made July 17.

Major copper producers, encouraged by the election in Chile, showed the way to a group of blue chips in squeezing out the high. The defeat of a leftist candidate for president, who promised to expropriate the Anaconda and Kennecott mines in that country if he were elected, sparked the enthusiasm for the leading coppers.

Anaconda, which was swamped with buyers, opened late on a huge block of 73,000 shares. By day's end, Anaconda was the most active stock up 3¼ at 49⅞ on 139,900 shares. Kennecott rose 1⅝, Marona 1 and Cerro ⅞ but Phelps Dodge slipped ¼.

Helping boost the Dow Industrials the Pool and United Aircraft rose 2 each, Johns-Manville 1⅞, Sears, Roebuck and Alcoa 1 each, and General Foods ½.

A highlight of the day was the start of trading on the New York Exchange in the stock of Comsat (communications satellite corp). Comsat was fourth most active on turnover of 68,100 shares, closing at 42⅞, representing a net gain of ⅞ over its last bid price quoted in the over-the-counter market.

Other prominent steels was irregularly lower, with changes small.

The Associated Press average of 60 stocks fell 0.19 to 191.1 with industrials up 1.8, rails up .5 and utilities up .2 to a new high for the year.

Among Canadian issues traded, Hudson Bay Mining gained 1⅛, International Nickel ½, Distillers, Seagrams and Walker Goderham ¼ and Canadian Pacific ⅛.

Prices on the American Exchange were irregularly higher. Brazilian Traction gained 1 and Canadian Javelin and Preston ¼. Scurry Rainbow oil lost ¼.
