New York — Market higher; vigorous rally.

CURRENCIES

MONTREAL (CP) — The United States dollar in terms of Canada funds was up 1-16 at $1.08 5-16. Pound sterling was up ¼ at $3.03 3-16.

NEW YORK

NEW YORK (AP) — Wall Street breathed confidence Wednesday that Congress would succeed in taking action to prevent a U.S. rail strike and the stock market enjoyed one of its most vigorous rallies of the year.

Trading was heavy, swelling to 3,120,000 shares from 4,030,000 Tuesday—the largest since June 12 when 5,270000 shares changed hands.

The popular market averages more than wiped out the sharp losses of Tuesday when the market community was worried about prospects for averting the strike.

Prices were up from the start. Strength in rails led the early advance. Motors steels, nonferrous metals, oils, utilities, office equipments came along vigorously.

A late rally by tobaccos and savings-and-loan holding companies put the icing on the cake.

The Dow Jones industrial average advanced 5.19 to 725.07.

Those who look for higher prices also had other good news to ponder—gains in machine tool orders and building awards, along with the previous session's news of a record high for consumer prices in July.

The Associated Press average of 60 stocks advanced 2.3 to 273.7, the latest in its series of historic highs.

It was the biggest gain in the average since July 2 when it rose 2.4. An estimated $3,300,000,000 was added to the quoted value of stocks listed on the New York Stock Exchange, based on the rise in the AP average.

Among Canadian issues traded, Aluminium Ltd and McIntyre Porcupine gained ⅝, Canadian Pacific ½, Distillers Seagrams ⅛, International Nickel ⅝ and Dome Mines ¼. Walker Gooderham fell ½.

Prices on the American Exchange advanced. Scury Rainbow Oil gained 1¼ but other Canadian issues were generally quiet or lower. Fargo Oil dropped 1-16 and Jupiter Corp. ⅛.
