Orioles' Brooks Robinson Increases MVP Chances

By BEN OLAN

NEW YORK (AP) — Brooks Robinson, a clutch hitter with a flair for the dramatic, enhanced his chances of winning the American League's Most Valuable Player Award in Baltimore's weekend series against Chicago White Sox.

Robinson won Friday's game with a run-producing ninth inning single and Saturday's game with a three-run ninth inning home run.

In Sunday's opener, he had a double and two singles as the Orioles won 7-3, and in the nightcap he drove in the only run as the White Sox managed a 3-1 victory.

While Baltimore increased its lead over Chicago to 1½ games, Robinson collected eight hits in 16 tries and drove in six of his team's 16 runs.

The third baseman's over-all performance last week was 10 hits in 27 at bats, enabling him to pick up four points to .308 and move from sixth into third place in the American League batting race.

TRAILS MANTLE

Robinson trails Mickey Mantle, the runner-up, by only a single point.

Rookie Tony Oliva of Minnesota continues to hold a commanding batting lead. He dropped four points to .335 last week with five hits in 21 at tempts. However, Mantle lost six points to .309 with a 4-for-16 showing. Floyd Robinson of Chicago White Sox slumped one place to fourth at .306. Bob Chance of Cleveland hit fifth a .305 mark.

In the National League Pittsburgh's Roberto Clemente maintained a comfortable margin over his closest pursuers, Billy Williams and Ron Santo of Chicago Cubs.

DROPS POINT

Clemente dropped one point to .344 with 11 hits in 33 attempts. Williams advanced to second at .330, while Santo fell to third despite a two - point gain to .329. Hank Aaron of Milwaukee surged two places to fourth at .317.

Willie Mays of San Francisco hit one home run, increasing his leading total to 38. Santo is setting the pace in a tight RBI race with 90 to 89 for Ken Boyer of St. Louis and 88 for Mays.

Harmon Killebrew of Minnesota, although he failed to hit a homer and drive in a run in six games last week, continued to lead in these departments. He has 42 homers and 95 RBI.

British Board States Ruling

LONDON (AP)—The British Boxing Board of Control Monday threw its weight behind a campaign to outlaw the proposed return world heavyweight boxing title fight between champion Cassius Clay and Sonny Liston.

"Almost every ruling body in boxing has now refused to recognize the fight," said Teddy Waltham, secretary of the board.

"It's doubtful if the fight could go on in any country affiliated to the World Boxing Council.

"We are asking the World Boxing Association, which controls sport in a large number of American states, not to allow any of their members to stage it. If everybody stands together then the fight cannot go on anywhere in the world."

Waltham pointed out that the proposed fight would be part of a return bout agreement—"and boxing now believes this return fight clause to be undesirable."

Waltham also said that the first Clay-Liston fight in Miami last February made the "whole business of a return undesirable and would add up to a disservice to the sport."

The British secretary said that an alternative would be for Clay to defend his title against some other opponent or for Liston to fight another man for the right to take on Clay.

"At the moment we have no suggestions who those boxers should be," he said.

Movers Blast Plumbers

SUMMERSIDE — Coastal Movers scored in every inning to rout pitcher Jack Grabowski and demolish Inman Plumbing by the football score of 16-1 here last night.

Coastal Movers now take a commanding two games to one lead in the Prince County softball finals. The fourth game will be played here tonight.

For the second consecutive game, Coastal Movers pitcher George Kinch allowed Inman Plumbing only a single run in the lop-sided game. Kinch, who allowed only a run on three hits Saturday, was clipped for five safeties and the single tally last night. Inman Plumbing's run came in the final seventh inning when Wayne Moore singled home Jack Swift who got on by an error.

Kinch struck out five batters and walked a batter in his route going performance. Although Kinch's pitching was good, Coastal Movers hitting was just as impressive. They cracked a total of 14 hits off Jack Grabowski, with three of them being home runs.

The Movers got a single run in the first frame off the player short Plumbers who were minus second baseman Frank Wigglesworth, infielder Frank MacCormick and left fielder Gord Montford.

After that it was all Coastal Movers. They ran up an 8-0 lead after three innings and kept mounting the score, planting 10 more in the next three frames and finally at the end the score was 18-1.

Jack Grabowski, the loser, went 5 1-3 innings, fanning three and walking seven. Relief pitcher Bob Sleigh worked the remainder of the inning. He walked a batter.

'Marty' Martin batted in five of Coastal Movers' runs on a three run homer, a double and a single in five tries. 'Red' Graveille batted in three with a three run homer along with two singles in four trips. Doug Allen hit another three run homer for Coastal Movers and also added a single. He was up five times.

George Duthie Denies Report

TORONTO (CP) — George Duthie, sports editor of the Canadian National Exhibition, Monday denied reports that the CNE issued orders to a contestant to get out of the water during Friday's 32-mile Lake Ontario swim.

Mr. Duthie was commenting on a report that officials aboard the escort cruiser had told handlers of Charles Grover, 44, of Boston they would have to take him out of the water because a storm was threatening.

Grover was among the 18 starters who failed to finish the grueling swim because of cold water or fatigue. He was the last to leave the water though he was seven miles off shore.

The CNE sports committee decided to divide 70 per cent of the $17,500 prize money among all the swimmers.

Abdel Latif Abou Heif of Egypt, who was only three miles from the finish line when he was forced to call it quits, received $4,400, Judith de Nys of Holland, who was also within sight of the shoreline, received $2,850. George Park of Toronto got $1,250 while Grover received $950.

Game Postponed

The Charlottetown city softball playoff game scheduled to be played between the Main Brace Mariners and the National Park All-Stars at the new softball diamond, last night was cancelled. The new diamond had several puddles and was unfit for play. The game is scheduled for tonight at the new diamond.

Martell allowed four runs and walked four. Maynard Paquet pitched for Souris allowing nine runs, nine hits, walked two and struck out seven.

Allie MacPhee of the Eagles had two for five at bat.

This was Georgetown's last game of regular play. This season they have won 11 against one loss to lead the league.

Eagles' star pitcher, Buddy McCullough, ended the season with a 6 and 0 record, and with Sunday's performance Martell ended the season with a record of 4 and 0.

Umpire was Walter Walker and base judges were Stan Peardon and Danny MacLean.
