NEW YORK

NEW YORK (AP)—Late demand for blue chips—featured by a record high for General Motors — accompanied Wednesday a sharp stock market rally which more than wiped out losses taken in this week's preceding sessions.

Volume rose to 4,000,000 shares for the first time in more than a week, compared with 5,620,000 Tuesday. The Dow Jones industrial average advanced 6.86 to 647.0.

Auto industry news has been consistently good, said Wall Streeters, and the auto stocks have been attracting more and more new money. Chrysler spearheaded the early advance by auto stocks, but GM caught up rapidly and topped its previous record of 58⅞ set in 1959 by advancing 1⅝ to close at a new top of 59⅛.

Ability of the stock of the nation's biggest manufacturer to enjoy a private bull market of its own was a tonic for the list.

Chrysler rose 1c to 74⅜ on 65,900 shares.

The Associated Press average of 60 stocks advanced 1.5 to 240.8 with industrials up 3.2, rails up .4, and utilities up .1.

Among Canadian issues Aluminum Ltd. was up a point and International Nickel gained ⅝. Losers were Dome Mines, off ¼, Hudson Bay Mining ½, and Walker Gooderham ½.

Prices on the American Stock Exchange were mixed on volume of 1,200,000 shares compared with 1,150,000 Tuesday. British Columbia Power was up nearly a point and actively-traded Canada Southern Petroleum was up a fraction. Brazilian Traction and Shawinigan rose ¼ each.

TORONTO

TORONTO (CP)—The stock market Wednesday gave its most promising display so far this week, but the enthusiasm was not without reservations.

Although industrials shook off early weakness to close with a two-point index gain, all other sections took setbacks ranking to a drop of more than a point in base metals.

Featured in the industrial list were Atlas Steel and BC Power, both showing fractional gains to close at their best prices of 1962. BC Power traded almost 30,000 shares.

Page-Hersey Tubes jumped two points to 21½, while Steel Company of Canada climbed ⅝ to 18½. Rumors centred on the possibility that Stelco had takeover designs on Page-Hersey, but officials of both firms denied the reports.

The Stelco action apparently stemmed from news that the company has declared a slightly increased dividend.

Aluminium advanced a point and General Motors ⅞, while gains of ½ went to Power Corporation, Distillers Seagrams and Dominion Foundries and Steel.

On the exchange index, industrials climbed 2.58 to 367.88. Golds declined .18 to 85.96, base metals 1.45 to 185.53 and westernoils .23 to 114.20. Closing volume was a meagre 1,884,000 shares compared with 2,680,000 Tuesday.

Among base metals, Gunnar Mining and Falconbridge both dipped ⅝. Noranda dropped ¼, while Consolidated Mining and Smelting and International Nickel both gained ⅛.
