CURRENCIES

TORONTO

TORONTO (CP) — The stock market was irregular Friday in quiet, listless trading. Base metals and western oils closed market lower while golds were ½ point higher.

The market opened mixed to a shade lower and a few minutes later it had struggled to the upside in some sections. There wasn't enough buying power among traders, however, to hold the higher edge and by noon prices had begun to slip into a mixed pattern.

Some brokers had expected a slight rally Friday in view of the fact that New York staged a brisk buying spree Thursday but the advance never materialized. There was no enthusiasm among traders and nothing in the news that would create any optimism.

Except for uraniums, which were higher among senior stocks the mining and western oil lists were dull and offered little interest. Price changes were confined to less than a point or 15 cents in most cases.

Index changes: Golds up .52 to 68.70; base metals off .26 to 144.88; western oils off .15 to 126.14.

NEW YORK

NEW YORK (AP)—A dismal pre-Christmas week ended for the stock market Friday with another slump on poor industrial news.

A feeble early attempt to continue Thursday's recovery soon petered out into irregularity. By early afternoon the market was on its way downhill again.

Stocks closed at their lows of the day with losses running from 1 to 2 points or more for key stocks. Chrysler fell almost 3, hitting another 1957 low.

The Associated Press 60-stock average fell $1.30 to $152.70, showing a substantial loss for the week. Industrials were down $2.50, rails 70 cents and utilities 20 cents.

Standard Oil (New Jersey) was the most active stock, off ⅞ at 49 on 44,000 shares. Second was General Motors, up ¼ at 33¾ on 32,500 shares. Third was Chrysler, off 2¾ at 54½ on 31,500 shares.

Eleven of the 15 most active issues fell, three rose and one was unchanged.

Aircrafts resisted the downtrend. Good fractional gains were made by North American Aviation, Boeing and United Aircraft, although Douglas slipped ⅝.

Among Canadian issues on the New York exchange, McIntyre Porcupine led a general decline, losing 1. Aluminium Ltd. and Hudson Bay mining each lost ½. International Nickel and Canadian Pacific each lost ¼. Granby Mining gained ¼.

Among Canadian issues on the American exchange, Shawinigan gained ½, Preston East Dome 3-16 and Brazilian Traction Fargo Oil lost ¼ and Richwell ⅛.

Finds Money Of Confederacy

PETERBOROUGH, ONT. (CP) —Gordon Gaeble said Thursday he found confederate money in denominations totalling $1,000,620 under a house at Eldorado, 40 miles northeast of here. Confederate money was issued by the South during the American Civil War.

Mr. Gaeble, 37, a disabled pensioner from L'Amble, Ont., said he discovered the money a month ago under four feet of earth when he tried to trace the cause of a draft in the home of his sister, Mrs. Lena Dillon. He said there were 63 notes ranging in denomination from $10 to $100,000.

He deposited the money in a Bancroft bank, which he said now is seeking confirmation from New York that the money is genuine.

A bank manager here said it would like to know who left Thursday he believed confederate money has no cash value but would probably be valuable to collectors.
