TORONTO

TORONTO (CP) — The stock market suffered one of its sharpest declines of the year mid moderate trading Monday. Every section of the market succumbed to buying with coppers leading mining losses.

Western oils were four points lower on index. Base metals touched a 1956-57 low with an index loss of 2¼ points while golds eased a point.

Aconic Mining Corp., which lost $9.37½ last Tuesday, was down 79 cents to $1.50. Chibougamau Jaculet led coppers with a 71-cent decline to $1.04. Campbell Chibougamau lost 45 cents at $.855. Uraniums were down in a solid line and senior base metals had losses ranging to 1¼ points.

Western oils had few gains in their list and most advances were less than 15 cents. Canadian Atlantic led losers with a 50-cent dip to $7.75. Fargo and Security each lost 40 cents. Calgary and Edmonton was off 1½ points to 31 in senior issues.

Index losses: Golds .92 to 76.30; base metals 2.27 to 181.50; western oils 4.11 to 175.56.
