NEW YORK

NEW YORK (AP)—Profit taking gave the stock market its sharpest decline in more than a month Friday. Some brokers also cited increasing tension over the Berlin crisis as well as the usual pre - weekend precaution as factors.

The Associated Press 60-stock average fell $1.80 to $205.90. A 4¾-point fall by Du Pont was largely responsible for the drop in the industrials section of the average.

Youngstown Sheet dropped another 2½ in continued reaction to a court ban on a proposed merger with Bethlehem Steel. Bethlehem was off ¾.

McIntyre Porcupine's 1¾-point loss and International Nickel's 1-point drop were the biggest in the Canadian list. Aluminium Ltd. and Walker - Gooderham made small gains.

Canadian prices on the American exchange were mostly unchanged from Thursday's closes except Fargo Oil which fell ⅛.

TORONTO

TORONTO (CP) — The stock market Friday suffered its sharpest decline in a month as a wave of selling pushed key stocks downward across the board.

The final volume of 4,385,000 shares was a bit lighter than Thursday's 4,954,000 shares but comparable to sessions in the last two weeks.

Observers said the decline was more a technical reaction to the recent rise than to any pessimistic selling. They said the loss was to be expected and that it was actually a healthy sign.

Senior mines were led lower by Noranda and International Nickel with losses of 1¼ points each. McIntyre was a two-point loser at 38½ in senior golds. A few speculative issues traded heavily but changes were small.

Western oils moved down in a solid line with seniors losing fractions, and low-priced stocks dipping as much as 25 cents. Gains were small.

Index losses: Golds .90 to 85.27 base metals 1.79 to 174.22; western oils .63 to 133.86.
