SUMMERSIDE

TO THE Silver Fox Ranchers of Prince Edward Island

TWO MAIN CONSIDERATIONS must engage your attention to insure your continued financial success in this industry—

1st The selecting and keeping in your ranches for breeding purposes, only the VERY FINEST SILVER FOXES, thus increasing the QUALITY and VALUE of the furs you produce.

2nd THE DIRECT MARKETING of your silver fox pelts from the rancher to the manufacturers and retailers throughout the world, thus cutting out the middleman's profits and giving the rancher MORE MONEY for the furs he produces.

Your business is to solve the problem of selection and breeding.

My business is to MARKET YOUR FURS DIRECT from your ranches to the big retail manufacturers and the fur stores in the leading centres of the world, at a cost of ONE SMALL COMMISSION ONLY.

All the important changes made to improve selling methods in the last four years, among the auction companies of America and Europe, are the result of my efforts to give the fox ranchers

BETTER SELLING SERVICE

and this past season I have completed an international organization directed solely by myself through which I am offering, every business day in the week, silver fox pelts to buyers in London, Paris, Milan, Vienna, Leipzig, Berlin and other European cities.

Canadian trade is being looked after from my Montreal office where we are recognized as HEADQUARTERS for silver fox pelts and are in touch with every big retail fur house in Canada.

Every silver fox pelt consigned to me is SOLD ON ITS OWN MERITS and is not bundled with the pelts of other shippers; and I am supplying the market gradually, as pelts are required, instead of forcing the sale of thousands of skins at one time at slaughter prices.

If you have not already received my marketing Circular giving full details, write at once for it to my Summerside office.

Mr. Charles Stavert, who has been associated with me for some years, will give shippers every assistance, as usual, in tagging and forwarding their fox pelts and every possible courtesy and help will be extended to all who wish to avail themselves of this service.

Addressed shipping bags will be sent all ranchers, upon request, and no effort will be spared to give you the BEST RETURNS OBTAINABLE in the leading fur markets of the world.

I know the problems of fox ranching and pelt marketing; I am ONE of YOU and I WANT YOUR BUSINESS, knowing that I can GIVE YOU BETTER SERVICE and LARGER RETURNS than you can get through any other organization in existence.

Yours for International Selling Service,

E. H. RAYNER

An Appreciation

Midgell, P. E. I. December, 1925. To the Congregation and Choir of St. John's United Church of Marie: Dear Friends:—

I herewith acknowledge with grateful thanks the receipt of the splendid gift presented me and trust that I am worthy of the kindly words of praise contained in the address which accompanied it. Again thanking you I am Yours truly,

GERTRUDE SANDERSON.

The following is the address: Dear Miss Sanderson:—

The Members of the Congregation and the Choir have thought for some time that tangible recognition should be made to you for the faithful services you have rendered to the Congregation as organist and it was decided recently to raise this small sum and present it to you as a token of the appreciation the Choir and the Congregation feel in the valuable work you perform in the interests of the Church.

The organist's position is one that is always very hard to fill and the one who occupies that position must needs give a considerable amount of her time to the duty and it is often difficult to obtain a substitute even when one wishes to get an occasional Sunday off.

We all feel that in you we have an organist whose heart is in the work and the harmonious manner in which the Choir and you work together is proof of the bond of friendship existing among you.

We trust that we shall be privileged to have you with us, in your present position, for many years to come, and that your associations in the congregation and with the Choir members will, if it be possible, be even more pleasant and enjoyable than they have been in the past.

Signed on behalf of the Congregation of St. John's United Church of Marie,

J. M. McLEOD, Pastor.

IN MEMORIAM

MR. WILLIAM INGS

Word has just been received of the death of Mr. William Ings of Antigo, Wisconsin. Mr. Ings is the only son of Mr. Henry Pope Ings formerly of Hazelbrook, P. E. I. This news will be all the more sad as another member of the family, the youngest daughter, passed away last May.

The enclosed clipping was taken from the Antigo "Daily Journal." William Ings died yesterday afternoon at 3.30 o'clock at the Antigo Hospital after a three weeks' illness.

Mr. Ings was born in Oshkosh, Wisconsin, June 6, 1884, and moved to this city with his parents when he was a very small child. On June 13, 1908, he married Miss Bessey Horn of this city. To this union three children were born, Marvel, 16; Maxine, 16; and Jack, 13.

At the time of his death Mr. Ings was superintendent of the City Gas Company, having been connected with the local plant since it was started in Antigo.

He leaves to mourn his loss a widow, three children, his parents, Mr. and Mrs. Henry Ings, and one sister, Mrs. A. S. MacArthur, of Appleton.
