ACTRESS QUERIED ON STRIPPING SCENE

Actress Gina Lollobrigida is seen as she arrived at the Palace of Justice in Rome Tuesday. She was questioned by a judge looking into a charge she violated Italy's obscenity laws in a movie "La Bambole". An Italian prosecutor charged that the actress partially stripped in a seduction scene. Informants said she denied she had stripped. They said she told the judge she was wearing a pink, skin-tight costume.
