### GREAT BIBLE DISTRIBUTION

The Bible Society's war distribution has now reached five million Testaments, Gospels, and Psalters in twenty countries and forty languages. The House is in direct communication with 1,200 military or V. A. hospitals in England and Wales alone and down to last Easter had supplied them with more than a quarter of a million Scriptures to be given to the wounded and since. A thousand books a day have been sent to them during this year. In the first four months of 1915, 894 cases of Scriptures weighing 95 and a half tons were sent out from the London warehouse. In the first four months of 1916, 1,272 cases were sent out weighing 155 tons, 16 cwt. More than three quarters of a million Scriptures were given away in Russia during the past year. That is a larger number than in any previous twelve months. A colporteur writes from the neighborhood of Moscow: "Since the war began, people buy the Word of God more willingly." The suffering and sorrow caused by war have touched the hearts of many, and made them turn in prayer to the Lord for help and comfort. Soldiers on their way to the front, wounded men, prisoners of war, and refugees are eager to have Testaments or Gospels. A great and effectual door is opened.

## A RARE OPPORTUNITY

It is the duty of each and all of us to keep thoroughly up-to-date. Especially those who cater to the comforts and the relief of the suffering public. Our Optical Department has relieved hundreds of cases of Eye Strain in its many forms, and in order to keep up to our high standard of efficiency, by keeping up-to-date, we have been enquiring into the different methods used by the leading specialists in Montreal, Toronto and New York.

In all cases we found them using and most heartily recommending and endorsing the "Shadow Test System" or what is sometimes called Retinoscopy or by the use of the retinoscope "Looking into the Eye" this scientific measuring and correcting with absolute accuracy all defects of vision, no matter how complicated or of how long standing. We have engaged Frederick W. Mayor, the well known Shadow Test Specialist, for ten days to teach us this advanced science of Sight Testing. This system entirely eliminates all tiresome trying on of glasses, and all guess work and delay. We know Mr. Mayor to be a specialist in the front rank of his profession and the phenomenal success achieved by him in Campbellton, Bathurst, Chatham, and Newcastle, N. B., and Summerside and Kensington, P. E. I., has proved, beyond question, his work to be of the highest standard and his prices most moderate. So you have really a "rare opportunity" of consulting the Best Free of Charge, each Morning, Afternoon or Evening. Evening is just as good as daytime, as artificial light is used in all cases. Remember the dates, Monday, August 20th, to Wednesday, August 29th, so make an early appointment and consult the best. Satisfaction guaranteed. Glasses advised only when needed.

## IN MEMORIAM

MR. ANDREW McELVOY.

At New Haven, on August 4th an unusually good and helpful life came to an end in the death of Mr. Andrew McElvoy. The deceased was one of the most widely known and highly respected residents of this section. Of cheerful disposition he constantly made friends and held them by his noble qualities. A devoted husband, an affectionate father and a sincere Christian his life was an influence for good. His illness, which lasted for many weeks, he bore with patience and fortitude and when the end came bravely met death with true Christian resignation. He is survived by a widow, five sons and three daughters, all of whom were at his bedside when he passed away. The funeral took place on Monday, Aug. 6th from his late residence to St. Ann's Church where services were conducted by Rev. Dr. Curran after which interment was made in the adjoining cemetery.

### DONALD LIVINGSTONE

On Saturday May 12th, 1917 there passed away, peacefully and resignedly, to his reward, Donald Livingstone Postmaster, High Bank in the 63rd year of his age.

Over a year ago his health began to fail, but being of such buoyant temperament, it was within the final week that all realized the end was near.

The tenderest ministrations of a devoted wife, family and friends, supplementing Medical attendance, did all possible to alleviate his suffering until the summons came that called him home.

Deceased was widely known and highly respected. A loving husband and Father, a good neighbor and a generous friend.

The hand of charity was ever extended by him to all, and his home was the very embodiment of hospitality.

He will be greatly missed not only by his family, but by the community as a whole, by the Presbyterian Church at Little Sands of which he was a valued member, a staunch supporter, and a faithful worker, by his relatives who will ever hold him dear in their memory, by his neighbors for he was a true neighbor, and his friends for he had many and enemies he had none.

He has left to mourn and revere his memory a widow (formerly Miss McLeod Orwell), two daughters and five sons, viz: Mrs. J. W. McLean, High Bank, Mrs. Jack Hossfield Arlington, Mass; Angus D. with the 105th Battalion in Little Sands, Walter, Stanley and Milton at home, the eldest of the latter three being but nine years old.

The funeral services at the house and grave were conducted by Rev. Mr. McLean of N. S., assisted by Rev. A. Sutherland of Murray Harbor, N. S.

## GET RID OF HUMORS AND AVOID SICKNESS

Humors in the blood cause internal derangements that affect the whole system, as well as pimples, boils and other eruptions, and are responsible for the readiness with which many people contract disease. For forty years Hood's Sarsaparilla has been more successful than any other medicine in expelling humors and removing their inward and outward effects. Get Hood's. No other medicine acts like it.
