NEW YORK

NEW YORK (AP) — Stock market prices were beaten down on a broad front Monday in the worst loss since President John F. Kennedy was assassinated Nov. 22, 1963.

Prices tumbled steadily after a mixed start and the deterioration accelerated as the session wore on, reaching its deepest point in the final 45 minutes of trading.

The Dow Jones average of 30 industrials plummeted 16.32 to 852.83 for a new 1966 low. It was the biggest loss since Nov. 12, 1963, when it sank 21.16.

The Associated Press 60-stock average dropped 5.4 to 306.2, also a new 1966 low and the steepest decline since the average, which represents 85 per cent of the quoted value of all stocks listed on the New York Stock Exchange, fell 1.58 to 33.83.

SEVERAL REASONS

Brokers blamed tight money, weakness of the British pound and the Viet Nam war.

Volume rose to 7,050,000 shares from 6,550,000 Friday.

The aircrafts, electronics and air transport were the weakest spots in the sagging list.

Boeing fell 3¾ to 62¾, Douglas declined 2⅞ to 57, General Dynamics lost 2⅞ to 47¼ and United Aircraft was off 1⅞ to 58⅛.

Canadian issues also fell, with Alcan dropping 1⅛ and Bome Mines 1¼. International Nickel lost 1¼ and Canadian Pacific ¾. McIntyre Porcupine was up ⅛.

Prices declined on the American exchange. Scurry Rainbow Oil was down 1⅞ and Canadian Javelin lost a point. Preston was up ⅝.

MONTREAL

MONTREAL (CP) — Stocks closed lower over a wide range on the Montreal Stock Exchange Monday, several major issues losing a point or more and the composite index dropping to a new low for the year along with indices for industrials and banks.

Alcan, leader on volume in a turnover of 10,434 shares, finished 1⅞ points lower at 33¼.

Brokers said the market appeared to be following that in New York where stocks closed sharply lower and that Alcan's loss could be attributed partly to a continuing feeling that earnings were not as high as anticipated.

The Montreal exchange recorded 63 declines against 14 advances with 49 issues unchanged.

Trading volume picked up in the afternoon as declines continued. Industrial volume was 127,400 shares and mines and oils 907,200, compared with Friday's 139,600 and 1,052,300.

Royal Bank was down ⅛ at 70½. For a new low and Toronto-Dominion was down ⅛ at 60½, both in light volume.

Lows for the year were set by Dominion Bridge at 41½, down ¼. Trans-Mountain Pipe Lines at 16, down ⅛, and Nova Scotia Light at 11½ before recovering to 11¾, unchanged.

On the Canadian exchange there were 44 declines and 29 advances among the speculative issues.
