Stephanotis Winner Of Cambridgeshire Handicap

By JOHN FARROW

NEWMARKET, England (AP) — Stephanotis — a colt rated sound by President Eisenhower's heart doctor—Wednesday won the mile and a furlong Cambridgeshire handicap.

Ridden by Queen Elizabeth's jockey, Harry Carr, Stephanotis held on grimly in a driving uphill finish for a three-quarter length victory over Heritiere. Fairy Stone, owned by Mrs. J. W. Hanes of New York, was another three quarters of a length away to place third in the field of 38 starters.

Later, winning owner Arpad Plesch, an international banker who lives in England and France, said he thought Stephanotis had heart trouble after last year's derby so a cardiogram was sent to Dr. Paul White, Eisenhower's doctor, whose hobby is looking at cardiograms of horses.

Dr. White said there was nothing wrong with the horse's heart.

Stephanotis won in 1:54.4. The final Irish sweepstakes of the season was determined on the results of the race.

The big field for the 115th running of the race split into two groups soon after the start. A quarter of a mile from the finish, Heritiere and Water Snake led one pack with Stephanotis and Fairy Stone setting the pace for the second bunch.

MORE POWER

That was still the position as the runners went into Newmarket's famous dip a furlong from the end. Stephanotis showed more finishing power in the grueling uphill finish.

Jockey Carr commented: "I did not wish my mount to take the lead too soon and it was not until coming out of the dip that I pushed him to the front."

Water Snake was a short head behind Fairy Stone in fourth place. Following in order were: Colours, Fuel, Burlington Bertie, King's Coup, Barbie, Venus Slipper, Expensive Luxury, Rose Knight, Tudor Jinks, and Pundit. Loppylugs, last year's winner and joint second favorite with Fairy Stone, swerved at the start, lost several lengths and finished last. Sun Flight was next to last.

Stephanotis, a four-year-old bay colt by Stardust out of Shrello, hauled 117 pounds to victory. The colt is trained in Ireland by J. M. Rogers and was a 100-6 betting favorite. Heritiere was 100-7 and Fairy Stone 100-8.

The victory was worth £2,639 (7,415) to owner Plesch.

Variety King, who finished well back, started the 100-9 betting favorite.

Queen Square Defeats QCHS

A well - executed penalty kick placement by captain Ronnie MacDougall gave Queen Square School ruggers a 2-0 victory over Queen Charlotte High School yesterday afternoon in the third game of their best-of-five series.

With the score tied 0-0 in the second half and Queen Square pressing, referee Dr. Frank Jelks awarded the Q.S.S. team a penalty kick following a "play-the-ball" infraction. MacDougall, the captain and flying - quarter on the team, took the kick from 22 yards out and at a fairly sharp angle but he boofed the ball between the uprights for the all-important two points.

Queen Squares' victory, their first of the series, knots the round at one win each and one game tied. The series will resume Saturday afternoon, when the fourth game will be played at the Queen Charlotte gridiron.

ON EVEN TERMS

The two teams battled it out on fairly even terms in the first half, with Queen Charlotte driving inside the Queen Square 25 after five minutes of play. But the Q.S.S. boys fought back and carried the attack as the half ended.

In the second half, Queen Square had a marked advantage as their backfield started to click. Macdougall knifed through for long gains on several occasions, and Leonard Stull, Paul Murphy and Freddie Burke came close to hitting paydirt after nice running plays. Scrum half Frank Callaghan played a fine all - around game for the winners; his tackling was particularly sharp.

For Queen Charlotte, flying-quarter Donnie MacAusland did most of the carrying for Queen Charlotte, and Don Kelly made several nice backfield runs. Dave Rogers played a steady game at scrum half and rugged Frankie Dow played his usual agressive game up front.

QUEEN SQUARE: Forwards—Following are the lineups: Brian Morris, Chicken Trainor, Mickey Peters, Freddie Burke, Colin MacMillan and Beaver Arsenault. Bob Masterson Resigns As GM Of Calgary Stampeders

CALGARY (CP) — Husky Bob Masterson, general manager of Calgary Stampeders for the last two years, resigned from the Western Interprovincial Football Union club Wednesday, five days after he is reported to have hit a player in the face.

Masterson's resignation was accepted "with considerable reluctance by the directors," club president Mervyn Dutton said.

Masterson said he resigned because "recent publicity has resulted in a highly embarrassing situation for myself, my family and the club."

The publicity surrounded a slugging incident in which Masterson was said to have hit halfback Harvey Wylie on the mouth while the team was on a train in Regina last Saturday preparing to go to Winnipeg.

The slugging was first reported by Gordie Hunter, sports editor of The Herald who accompanied the team. He quoted Wylie as saying Masterson came down the aisle of the car and shoved me." Wylie said he shoved Masterson, who then "hit me on the mouth."

Wylie suggested a reason for the attack may have been his dropped punt in the Saturday which the Roughriders won 32-14.

Masterson was quoted by Hunter as saying he was walking down the car with a suitcase in each hand and "when I passed a group of players one of them gave me a hard elbow in the ribs."

"I dropped one bag and swung around instinctively and hammered one with a backhand and hit somebody. I didn't even know it was Wylie. Certainly it has nothing to do with Harv personally."

Masterson came to Calgary in 1956 after serving eight years as football coach at the University of Toronto.

Russians Will Arrive In Nov.

LONDON (Reuters)—The Russian national hockey team will leave for Canada about the middle of next month, the Soviet news agency Tass said Wednesday night.

It will be the first visit to Canada by such a team. It will play in Toronto, Montreal, Ottawa, Sudbury, Ont. and Kitchener Ont.

Tom Hugo Will Rest For Game

MONTREAL (CP)—Indications Wednesday were that Tom Hugo, Montreal Alouettes star centre, will be given a rest when the Als and Toronto Argonauts meet in two games to close out the Big Four Football Union schedule.

The teams meet in Toronto next Saturday and in Montreal the following Saturday. Als, in third place, are assured of a playoff berth. Aros are out of the playoffs.

Hugo, lame back, ankle injury and all, played in the last two games, both close wins for Hamilton Tiger-Cats.

Coach Douglas (Peahead) Walker said Hugo shouldn't have been playing at all last Saturday. Bob MacLellan former McGill Redmen centre, is expected to take over Hugo's chores.

Walker said he expects to use other Canadian players, such as Gerry Apostolatos and Ivan Livingstone, more frequently in the remaining games.

"With the league certainly stronger we have had more trouble winning this season than in the last three," said Walker. "The games have been closer and we have been forced to use our more experienced men. We have never been very far ahead or very far behind."

Walker had no excuse for the two defeats at the hands of the Tiger-Cats — "they won't score many points against you but you won't score many against them."

Tuna Bottles Are Broken

WEDGEPORT, N.S. (CP) — A scientific attempt to discover why fewer bluefin tuna come to this area than a few years ago has been temporarily blocked because bottles containing tuna blood were broken en route to the University of Miami.

Israel Pothier, manager of the Wedgeport Guides Association, reporting the breakage, Wednesday said it will be next July, when the bluefin begin the school off the southern Nova Scotia coast, before more blood samples can be obtained.

University biologists planned to use the blood in experiments with rabbits to determine the degree of contamination in Wedgeport waters.

Small catches in the International tuna cup matches in recent years have convinced anglers and government offirials that there is some mysterious reason for the tuna's sudden detrout from the area.

Only three fish were caught in the 1957 tournament, four in 1956. In 1949 five teams boated 72 in a three-day match.

Tuna are still in evidence miles south of Wedgeport, but they are a smaller variety and no kin to the giants that normally swim through the famed Soldier's Rip off Wedgeport.

Mr. Pothier said experiments are to be continued at the University on water samples. Reports on these are expected to be presented before the tuna match directors meet in New York in January.

Akins, 29, knocked out Tony Tuesday night in the 14th round of a savage fight billed by Massachusetts as for the world welterweight championship. The National Boxing Association refuses to recognize it as a title scrap.

DeMarco had been listed as top contender fir the title vacated by Carmen Basilio, now middleweight champion.

Large Amount of Money Won By Canadians In Handicap

By THE CANADIAN PRESS

The Irish Hospital Sweepstakes has showered about $1,400,000 among hosts of Canadians holding tickets drawn in connection with the Cambridgeshire Handicap.

Three persons held $140,000 tickets on winning Stephanotis, one held a half share and five had $56,000 tickets on Heritiere.

At least two Canadians held $28,000 tickets on Fairy Stone, third. One ticket holder listed for Fairy Stone failed to show up in the official sweepstakes result and a check was under way.

Besides the fat slice of more than $825,000 on the first three winners, there were 282 Canadians each drawing $1,100 for tickets on 82 of the original 85 entries. Thirty - eight horses started in the race Wednesday. About 1,550 persons won residual or consolation prizes ranging from $2,300 to $56.

TOP LIST

The winners:

$140,000 — Mary Schiedel, 41, Kitchener, Ont.; William Richardson, 22, Trenton, Ont.; Manny Allen, Calgary.

$56,000 — Larry Bernier, Kitchener; Ronnie Ellsworth and F. L. Burt, both Toronto; Howard Smith, 54, Port Alberni, B.C., and Harvey Ashman, 32, North Bay, Ont.

$28,000—Hugh McLeod, 80, Toronto; Douna Patricia Aubert, 4, Vancouver. An H.K. Lean, hometown unlisted, was the uncertain winner.

Thomas J. Malleck, 72, a third Kitchener winner, split $140,000 with a niece, Patricia, 12, in Buffalo.

Reactions varied from Mr. Ashman, who "died half a million times" while he awaited a close decision, to Mr. Bernier, a St. Hyacinthe, Que., native, and father of seven small children who didn't even take time off from his work to listen to the race.

Russians Make Progress With Non-White Group

TORONTO (CP) — Russia's influence in the United Nations is increasing, Charles Lynch, CBC correspondent at the UN, said Thursday.

"The UN, now that it has 82 member nations, now that it has so many delegates whose skins are not white in color, no longer is a place where the Western nations can be sure of a majority for their proposals," he said in a speech prepared for the Empire Club of Toronto.

"The West has always negotiated from a position of strength in the General Assembly — but those days are fast disappearing."

Mr. Lynch said he believes the Russians are playing on the Arabs, the Africans and the Asians "in a more skilful way than the United States — and if this trend continues you will be reading some surprising and perhaps unpleasant news from the United Nations in the months and years to come."

Dan Avery Claims Durelle Refused To Meet Johnson

SAINT JOHN, N.B. (CP)—Dan (Doc) Avery, co-manager of Harold Johnson, has claimed that Yvon Durelle and his managers "have refused" to meet Johnson in a light heavyweight elimination bout which could possibly lead to a chance at Archie Moore's world title.

The statement is made in a letter Avery wrote from Philadelphia to the Saint John Telegraph-Journal.

Avery said Johnson, ranked No. 1 behind Moore by the National Boxing Federation, had been approached by Eddie Quinn, Montreal Promoter, for a match with Durelle, the Baie Ste. Anne, N.B., boxer who holds the Canadian and British Empire Light Heavyweight crowns. However, Avery said, Durelle's managers Chris Shaban and Lou Meyers refused.

"There are also two other promoters in Canada who are interested in such a bout, for it is a natural and would draw a large gate if staged at Montreal or Toronto," Avery said.

He expressed belief the winner of a Johnson - Durelle match could meet the Moore - Chuck Spieser winner for the title.

"Durelle will never get a shot at the winner of the Moore-Spieser bout as I have already notified the National Boxing Association and filed a petition with this body for a meeting with the winner. I have been assured that such a match will be made after the Moore - Spieser bout.

"If Durelle and his managers are so confident that he can beat Moore and want this bout with the champion, then let him agree to a fight with Johnson and the winner to advance along the light heavyweight trail and move in against Moore or Spieser, whichever wins the coming championship match in January," Avery said.

Durelle is ranked behind No. 1. Johnson, No. 2 Tony Anthony and No. 3 Spieser. Durelle held Anthony to a draw in their only meeting, while Anthony won a two - round knockout over Spieser. Moore has defeated Anthony three times.

G.K. Garnett of Saint John foreign co-ordinator and past president of the Canadian Boxing and Wrestling Federation said Wednesday that the ratings in the lightheavyweight division are being reviewed and will likely be changed to rank Durelle No. 2 behind Johnson.

Mr. Garnett said the C.B.W.F. is scheduled to meet in annual session in November at Montreal, but he doubted the proposal for a Johnson - Durelle match would occupy much of the meeting's discussion. He said he felt the match "is more a matter for the fighters involved, and not the business of the Federation."

Durelle, who held Anthony to a 10-round draw June 15 in Detroit, is scheduled to meet Freddie Mack of Bennetteville, S.C. and Brooklyn, N.Y., at Moncton Stadium Nov. 7 in a 10-rounder.

MONCTON (CP) — Chris Shaban, manager of British Empire Light Heavyweight champion Yvon Durelle, denied Wednesday night his fighter is avoiding a match with Harold Johnson, No. one contender for Archie Moore's world crown.

Shaban was commenting on a report by Dan (Doc) Avery, co-manager of Johnson, who has written to the Saint John Telegraph - Journal claiming Durelle's managers have refused a Johnson - Durelle scrap.

"In fact Yvon will meet Johnson anytime, anywhere, if the price is right," Shaban said. "We were only approached about that matter once, and our answer was the same then. . . I told them, the fight could be arranged if the money was right."

When asked if a Durelle-Johnson fight would open the gates for a title shot for the winner, Shaban said "Johnson is ranked already.

"Avery claims Johnson is unofficial king of the lightheavies. If so we'd just love to have a title fight."

Lane Defeats O. Zulueta

CHICAGO (AP)—Top - ranked lightweight contender Kenny Lane, grunting with every sally, mauled a unanimous decision over pawing Orlando Zulueta in a nationally televised 10-rounder at Chicago Stadium Wednesday night.

If Lane staked a claim for a title shot at 135-pound champion Joey Brown, he did it methodically in scoring his 16th straight victory and 59th triumph against five defeats.

Southpaw Lane consistently speared the quick, but light-hitting Zulueta, from Havana, with shots to the stomach and occasionally jolted him with combinations to the head.

Zulueta twice was warned for hitting low in the third and sixth rounds. The National Boxing Association ratings list Lane No. 1 contender and place Orlando eighth. Lane weighed 139 pounds; Zulueta 136.
