DEATH NOTICE

LORNE LEIGH STEVENSON

The people of Rustico and a host of relatives and friends beyond these areas, were greatly shocked and deeply saddened to hear of the tragic death of Lorne Leigh Stevenson.

In the early evening of Sunday, July 19th., Lorne and four of his friends were travelling to Brackley Beach when their car, owned and driven by the late Lorne Ford met in a head-on collision with a car bearing a Nova Scotia license.

A Charlottetown R.C.M.P. investigating said it was the worst accident he had ever investigated. As a result of multiple injuries Lorne passed away in the early morning of July 20th.

Lorne, the first child of Mr. and Mrs. Read Stevenson of Rustico, was born on November 29th, 1939. He was educated in the Anglo-Rustico School, St. Augustine Convent, Rustico and Prince of Wales College, Charlottetown.

As a young lad in his home he always exemplified that which is contained in the precept: "Honour thy father and mother"; in his community he was a favorite among his playmates; in his church (St. Mark's Anglican) he took an active part and at the age of discretion became a full member by the Rite of Confirmation.

As a young man his devotion to family ties deepened; his exemplary moral qualities made him a favorite with people of all ages; in church affairs he served on the official board.

In the field of employment Lorne worked with the Toronto-Dominion Bank in Charlottetown, but just prior to his death he was a member of the office staff in the Government Garage, Charlottetown. He spent a part of one year in Western Canada.

Besides his sorrowing parents there are left to mourn four brothers and one sister: Charles in Charlottetown; Lloyd, Blois, Freddie and Marilyn, all at home. Two grandmothers, Mrs. James Stevenson, Rustico, and Mrs. Ernest Bulman, Charlottetown. Several uncles and aunts and many cousins.

The largely attended funeral was held on Wednesday, July 22nd from his home to Floral Hills Memorial Gardens for interment. The services were conducted by his Rector, Rev. A.E. Piercey. The Rev. Bryer Jones assisted.

The hymns sung were: "The Lord's My Shepherd", and "Safe In The Arms Of Jesus". Mrs. Noel Hooper was organist.

The pallbearers were: Freddie Andrews, Jackie Chandler, Billie Nunn, Charlie Carr, Errol Buntain and Lyall Parkman.

The flower bearers were: George Toombs, Beverley Dickieson, Wayne Dickieson, Leith Dickieson, Ralph Dickieson, Robert Buntain, Alyere Gallant, Roy Craswell and Elbert Orr.

The funeral arrangements were capably handled by the Cutcliffe Funeral Parlours of Charlottetown.

CARD OF THANKS

The family of the late Lorne Leigh Stevenson wish to express their sincere thanks to their neighbours and friends for the many acts of kindness, floral tributes, letters and cards of sympathy received during their sad bereavement.

CARDS OF THANKS

Mr. and Mrs. Howard Lavers of Fredericton wish to thank the people of Sturgeon and surrounding districts for the many lovely shower gifts.

Mr. and Mrs. Howard Lavers of Fredericton wish to thank the people of Wood Islands West and also the Wood Island West Institute for the shower and many lovely gifts.

IN MEMORIAM

ANDERSON — In loving memory of husband and father, Alexander D. Anderson, who passed away October 6th, 1958.

Always remembered and sadly missed by wife Ella and son George.

Funeral Director

N. D. MacLEAN

FUNERAL

DIRECTOR

15 King Square

Charlottetown

Dial 5549

REMOVE FLAG

WALLINGTON, England (Reuters)—Police and firemen went to Wallington town hall Saturday and removed a flag bearing a hammer and sickle draped around the clock. On a piece of cardboard were the words in red paint: "Vote for Khrushchev."

Sweat-Measuring Instrument Seen Valuable For Research

By DAVE McINTOSH
Canadian Press Staff Writer

OTTAWA (CP) — A sweat-measuring instrument invented by Dr. Arthur Custance of the Defence Research Board may soon come to the help of doctors, truck drivers, soldiers and others.

The 48 - year - old Torontonian said in an interview that it has been known for many years that mental activity and emotion cause sweating through the end of the thumb or fingers.

The important thing is that there is little or no sweating through the thumb and fingerends when a person is asleep. This phenomenon can be taken advantage of in a number of ways.

BROKE NEW GROUND

No device had ever been invented for continuous measurement of this sweating until Dr. Custance went to work on the problem about two years ago. A patent has been taken out for his invention.

An instrument for the continuous measurement of thumb-sweating thus can indicate when a person is dozing, is asleep, waking up or awake.

Consequently, it could tell a doctor applying an anaesthetic when the patient was "under" or recovering consciousness. In fact, the device itself could control the amount of anaesthetic required by the patient.

In somewhat the same way, through use of small models of the instrument, hospital staffs could keep charts on how patients sleep.

Dr. Custance in his laboratory here showed a reporter a refinement of his invention in which the sweat - measuring instrument rings an alarm or flashes a warning light to indicate a subject is falling asleep. One possible use would be for truck drivers on long night hauls to ensure their wakefulness.

Similarly, the instrument could indicate when a person in an aircraft was passing out from lack of oxygen and automatically supply the needed oxygen.

Thumb-sweating has only an indirect connection with body sweating caused by heat or humidity. Thermal sweating — and sweating caused by sex reactions —occurs on other parts of the body. Altogether, there are five distinct kinds of sweating—thermal, mental, emotional, sexual and gustatory, the last caused by swallowing certain foods.

Dr. Custance's invention appears so simple it is hard to believe nobody thought of it before. The measuring is done, in effect, by a small stream of dry air.

OYSTER BED BRIDGE W. I.

The August meeting of Oyster Bed Bridge W. I. met at the school on Tuesday evening, August 4th, with eight members present.

The meeting opened with the ode followed by repeating the creed in unison. Roll call was answered by date of birth and birthstone. The president being absent Mrs. David Axworthy acted as president for the meeting.

The minutes of previous meeting were read, approved and signed. The treasurer reported $58.36 on hand, the proceeds of pantry sale, and donations amounting to $18.75 being sent to Retarded Children Fund. The sum of $2.50 Government Grant was given the treasurer.

School committee gave her report and three members volunteered to wax the tile floor of the school which was recently scrubbed. Sick committee reported one child sick.

Mrs. Rufus Axworthy gave a report on Annual Convention. Discussion on article to be sent to bazaar took place.

The secretary contributed to the program by reading an article from Institute News.

The September meeting is to be held at the home of Mrs. Wilbert Axworthy, the roll call to be answered by "favorite flower." The lunch committee is Miss Hazel Matheson, Mrs. Carr and Mrs. Colin Higgins. The meeting closed with the National Anthem.

The September meeting was held at the home of Mrs. Wilbert Axworthy on Sept. 2nd. Eleven members answered the roll. The minutes were read, approved and signed. The treasurer reported $59.96 on hand.

The school committee gave her report, the sick committee was absent. Bills were paid. Correspondence was read. Thanks for fruit sent a member's sick son was received.

The secretary announced Scholarship presentation was taking place in Mayfield hall. Motion was made to send $2.00 to Delegate's Fund as contributions were not made to bazaar. Several birthdays were put in birthday box.

There was a discussion on having a pantry sale and Mrs. Ford was asked to get place and date.

Mrs. Philip Matheson invited members to her home for October meeting, the roll call to be answered by first thing you remember. Lunch was served by hostess assisted by Mrs. David Axworthy. Meeting closed by "Lord's Prayer."

COLD STEEL

The bayonet is said to have been invented at Bayonne, France, in the 17th century.

GRAIN

WINNIPEG (CP) — Unfavorable harvest weather and forecast of snow in some areas of the West stimulated buying in flax and other grains Monday on the Winnipeg Grain Exchange. July contracts came on the board.

Oats trade was quiet and domestic. Barley attracted fair shipper demand. Prices for both grains held to narrow limits. Rye was irregular in mostly local trade.

Closing prices:

Oats: Oct unchanged 76½; Dec unch 75½a; May ⅛ higher 75½a; Jly 74⅜ nnt.

Barley: Oct ¼ higher 98¼; Dec ¼ higher 97⅝; May ⅛ higher 98⅞; Jly 97 bnt.

Flax: Oct 6½ higher 3.47; Dec 6¼-6½ higher 3.43½ - 3.44; May 6½-6¾ higher 3.58½ - 3.49; Jly 3.45½b.

Rye: Oct ⅛ higher 1.11; Dec ⅛ higher 1.13½b; May unch 1.18; Jly 1.17 bnt.

Prices for class two wheat for export outside IWA: 1 nor 1.64¼; 2 1.62¼; 3 1.52¼; 4 1.46¼; 5 1.43¼; 6 1.41¼; 1 durum 1.75¼; 2 1.69¼; 3 1.62¼; IWA and domestic prices: 1 nor 1.64¼; 2 1.62¼; 3 1.52¼; 4 1.62¼; 5 1.43¼; 6 1.41¼; 1 durum 1.75¼; 2 1.69¼; 3 1.62¼.

MONTREAL

MONTREAL (CP) — Closing prices Monday were mixed in quiet trading on the Montreal and Canadian stock exchanges. Declines outnumbered advances 6 to 5.

In banks, National jumped 1¼ at 55, Montreal made 1 at 55 and Royal lost ¾ at 83.

Utilities showed slight firmness with Bathurst Power B up 1½ at 29 and B.C. Power up 1¼ at 36½.

Oils had British American off ⅜ at 33⅞, Imperial down ½ at 36 and Texaco up ⅛ at 58.

Papers eased slightly with MacMillan B down 1¼ at 37¼.

Noranda fell ⅝ at 47½. Asbestos dropped ½ at 28½ and Hudson Bay dropped ⅜ at 51.

In steels, Standard Structural improved ¾ at 18 and Stelco lost ½ at 82.

Speculatives showed irregularity. Chibougamau Copper made 4½ cents at 24½ cents and Pennbec lost 4 cents at 31 cents.

Of 206 issues traded, 51 advanced, 66 declined, and 91 remained unchanged. There were 6 new yearly lows and 1 new high.

Closing averages showed banks unchanged at 62.07, utilities up 0.3 at 247.4, papers off 0.9 at 417.5, and golds up 0.12 at 85.03.

Industrial volume was 53,000 shares and mines and oils were 183,600.

NEW YORK

NEW YORK (AP) — General Motors and du Pont were strong points in a cautious stock market which declined unevenly Monday.

GM, the most active stock, and du Pont responded to the court decision allowing the big chemical firm to keep its 63,000,000 shares of GM.

The rest of the market was in a watch-and-wait mood. The steel and dock strikes were dampening factors. Rails particularly were depressed by the dock strike.

Utilities and oils also declined while rubbers and airlines managed to gain on balance. Most groups, including steels, motors and chemicals were mixed.

The Associated Press average of 60 stocks was down 30 cents to $222.50 with the industrials up 30 cents.

Volume slipped to 2,100,000 shares.

GM, up 1⅜ to 56½, topped the list on sales of 81,700 shares. du Pont advanced 2⅞ to 258¾.

Among other strong spots were Bell and Howell, up 1⅜, Fansteel up ¾ and Union Carbide, up 1⅛. International Business Machines fell 7¾ to 412.

Among the Canadians, Dome Mines gained ⅞. International Nickel ½. McIntyre Porcupine 1½ and Walker Gooderham ¾. Hudson Bay Mining lost ⅜.

American stock exchange prices also drifted lower. General Development was the most active stock, rising ¾ to 21½. Losers included British Petroleum, Insurance Co. of North America and U.S. Foil B.

Canadian Marconi lost ⅛ and Shawinigan ¼ while Jupiter Oils gained ⅛.

TORONTO

TORONTO (CP)—A late rally is golds provided the stock market with a moderate advance today, despite small losses to base metals and western oils. Trading was light.

H. G. Young had the best win among speculatives, up 11 cents at $1.09. Lynx Yellowknife was the most active issue, up 6½ cents at 20½ cents, on a turnover of 267,000 shares.

Golds swept ahead in the final hour. Dome added 1⅛ at 19¼ while Hollinger and McIntyre had at least ½ wins. Campbell Red Lake added ½ at 12½.

Uraniums were the pick of the mines. Senior base metals were mixed. Labrador added 1 at 27½. Hudson Bay gave up ½ at 50½ and Noranda gained ¾ at 47½. Gennar jumped ¾ at 12¾ among uraniums. Consolidated Denison was up ¼ at 13¾.

Senior were easier in western oils but changes were few and small.

Index changes: Golds 1.19 to 89.35; base metals off .23 to 164.96; western oils off .31 to 101.41.
