Form Men's Organization In S'side United Church

Mr. John MacNair of Charlottetown was guest speaker last evening at an organizational banquet supper held in Epworth Hall, Summerside, for the purpose of forming a United Church Men's Association. Mr. Ewen Nicholson presided over the meeting that saw a superlative representation of 105 interested United Churchmen and several guests in attendance.

In Mr. MacNair's inspiring remarks he said "This great United Church of ours has made wonderful progress in the first thirty years since the union and the Summerside United Church is an integral cog in this great Christian machine. Never be ashamed or apologetic to anyone when asked to identify yourself with the Christian church. Give it all you got when asked to do something for Christian work." Mr. MacNair said the Men's Association of which he is a member in Charlottetown, is the right arm of the church and its main duty is to "get men who are not actually connected with the church and bring them in — extend the right hand of fellowship." He stated that there are men on P. E. I. who hadn't been inside a church in 25 years who were brought in by the United Church Men's Associations. This Christian fellowship is passed along, he said, to others and to members of those families right down to the children who are also brought into the church.

Mr. MacNair related several relevant and highly interesting incidents as well as a few humorous sidelights that befell him in his years of Christian work and concluded saying he hoped the men would go ahead with the formation of the association which "will be a great blessing to you."

A hearty vote of thanks was extended to Mr. MacNair by Mr. J. Frank Arnett on behalf of the gathering.

During a question and answer period that followed, the guest speaker, while pointing out the officers, directors and committees that should be organized to provide the spadework, stressed the publicity committee and referred to The Guardian, saying it "not only covers the Island like the dew but it's read in the sunlight."

Rev. C. D. Matheson, pastor of Summerside Trinity United Church gave a welcoming address in which he said "the church needs some such association as this for its men — a society of some nature for the fellowship involved." He said the sicker the world gets the harder it is for a group of people to maintain a high level of fellowship, due mainly to the variety of backgrounds and the type of work the individual performs. Mr. Matheson said many people don't get all the church offers them, stating that the church is a continuation of the brotherhood of disciples and it demands more than attending Sunday services. He concluded stating that he saw the function of the men's club as an association to point up what the church offers with a fellowship made vigorous and active.

At the conclusion of the question and answer period, a motion was passed to go ahead with the formation of the association with Mr. Ewen Nicholson appointed as chairman of the interim committee.

Guests present were Mr. Warren Lord and Mr. Sidney Green of Charlottetown, and Messrs. Craig and McInnis from Bedeque.

The delicious banquet supper was served by the Trinity Ladies Social Club, after which Mr. Jock Hopkirk led the gathering in an enjoyable sing-song. Mr. James Peach was accompanist. —S.

A third party facing the same charge pleaded not guilty and this case was adjourned until Friday, April 29th. A man charged with driving at or near Miscouche without due care and attention was fined $10.00 and costs. Three other parties were fined $5.00, one with costs, for operating a motor vehicle on the public highway without having license plates attached in a conspicuous place.

—Y'S MEN'S MEETING — At the regular monthly meeting of the Summerside Y's Men's Club held at the Y Center on Thursday night, Jock Hopkirk presided. Guest speaker of the evening was Johnny Carroll who spoke on the wonderful team cooperation in Summerside with regard to youth work campaign. He paid tribute to the fine work being done by Mr. James Hogan along those lines and said that it would be very difficult to replace him in that capacity. The speaker was thanked by Horace MacFarlane, chairman of the youth work committee. Guests were, Mr. Earle Hickey, Norman Hogg, D. Mitchell and Chester MacDonald from Summerside and Mr. William MacLeod of Saint John, N.B. At the conclusion of the meeting the annual meeting of the local Association of the Boy Scouts was held in the Y Center. Morley M. Bell capably acted as song leader.

Sport Echoes From Prince County

More off-season verse:

Sum-Hi Sum-Hi! Sum-Hi!
Three cheers for each gal and each guy!
They really got rolling
And won the mixed bowling
My word, how they made those pins fly!

For their gallant young captain,
A couple of hips, and hurray
Don Gay,
The best of all skippers
To scuttle the clippers
He showed Tanton and company the way.

Donald Cameron, June Wood, Mary Shaw,
Kept bowling with scarcely a flaw.
Little Norma Fitzpatrick
Helped her team score the "hat trick"
And Stan Gay beat the Clips to the draw.

Elizabeth (Buzz) Nicholson
Kept buzzing along till they won.
Of that old "royal touch"
This school princess had much
As she rolled down the balls one by one.

Ron Mullins, he scored a high single,
So now with the pros he can mingle.
Stan and he led the way
To the triumphant day,
So we dedicate to them this jingle.

The Clippers threw them quite a scare,
But the Sum-Hi kids, they don't
Like the Gene Autrey song,
They keep rolling along
care.
Till they win that much-prized silverware.

This is the banquet season when athletes, officials and sports writers take part in their favorite indoor sport, stuffin the esophagus. Our favorite team, so far this season, when it comes to dishing it out, are the Wellington ladies. They have a very high batting (or is it batter) average, and we don't know when we enjoyed ourselves more defending the home plate with a knife and fork. No wonder the Wellington Battlers won the trophy with that kind of fodder supplying the vim and vigor.

* * *

The ball diamonds are beginning to dry up, and it won't be so very long now before we hear that inspiring clarion call "kill the umpire" ringing out in the beautiful spring air. The baseball situation in Summerside as far as the juniors and intermediates are concerned, is one big question mark this spring. They swept to victory last fall, but were not accompanied at any time by the steady clink of coins which keeps baseball clubs in a healthy financial condition. There is a possibility that the local athletic association will find them too heavy a financial burden this year, and cast them out to fend for themselves. We hope they will be able to keep going. If they can't, spectator baseball will have become a thing of the past in this thriving little town of Summerside, and ball fans here would surely deplore that situation.

S'side Retail Merchants Vote For New Closing Hours May To August

—At a representative meeting of the Summerside Retail Merchants held last evening in the Canadian Legion hall the merchants present voted 27 to 5 in favor of Saturday afternoon and evening closing, open on Friday evenings and open on Wednesday afternoons for a period extending from May 7th to the end of August.

The meeting opened with the chairman of the retail merchants committee of the Board of Trade, Mr. Roy Boates, addressing the group. Mr. Boates said that his committee had met some days ago and decided that it was only fair to call a meeting of the business men and allow them to voice their opinion on the matter.

He asked Mr. J. F. Arnett, of Rogers and Arnett, to act as chairman of the meeting and under Mr. Arnett's chairmanship many of the merchants voiced their opinion regarding the proposal.

Mr. H. T. Holman said that many Charlottetown merchants were definitely going ahead with Saturday closing, particularly the large department stores and quite a number of the smaller ones as well as a good number of professional men of the city. Mr. Holman said he felt that it would be a mistake not to follow along with Charlottetown merchants and that his firm favored Saturday afternoon and evening closing.

Mr. Alyre Doucette, proprietor of Doucett's Grocery, said he was in favor of such a plan but pointed out that it would be unfair in his case as he knew of several small stores in his vicinity who would definitely not close but who would also keep open on Sunday as well.

Mr. Maurice Mill said he had been speaking to a number of the farmers on the matter and found that they took a dim view of store closing on Saturday and also that they were not in favor of daylight saving time. Mr. Mill expressed the hope that some arrangement could be made whereby the rural people would not be antagonized but he said that he believed that Summerside would have to go along with the larger stores in Charlottetown and that he did not think it would be advisable to remain open when they were closed.

Mr. Ed Smith of Woolworths said that it was the policy of his company to go along with local hours. He said, however, that he knew of two towns that had tried out the Saturday closing and that one of them at least had gone back to the old system after a period of four or five weeks.

Mr. Smith said he agreed with some of the merchants present who contended that Saturday shopping was certainly not what it was some years ago.

The meeting devoted considerable time to discussing the matter of daylight saving time, a discussion which was brought on mainly by the presentation to the chairman of a petition which contained 235 names of rural people protesting against daylight saving time. The petition was handed to the chairman by Mr. Rod MacNevin, manager of the Summerside Co-op Store, who said he had been requested to present it at the meeting. The petition as read by the chairman indicated that the signers would boycott those stores in Summerside who planned to adopt daylight saving time and stated that they would deal during that period with efficient rural merchants.

Mayor Henry Wedge, speaking in support of the action of the Town Council in putting in daylight saving time, said that they had done so because they believed that the majority of the people of the town were in favor of it. He said that there was a good spirit of co-operation evident in the town among various organizations. He pointed out that the R. C. A. F. Station, Summerside, was going on the fast time, that the schedule of the railways was geared to fit in with fast time and that the churches in Summerside had published a schedule in accordance with the fast time. Commenting on the petition which had been read, Mayor Wedge said that he had talked to a number of people from the rural districts and a number of them had admitted signing it. They said, however, Mr. Wedge stated, that they had signed the petition solely in order not to offend their neighbors who had also signed it. Mayor Wedge said that if Summerside had to revert to standard time now that it would mean the end of daylight saving time for all time. He said that the council had put fast time in because he believed the majority of the town people wanted it and that the council did not intend to rescind it now.

Mr. John Mungall thanked the chairman, Mr. Arnett, for acting in that capacity in such a capable manner. —S.
