TIME FOR A LAUGH

High school students break into a laugh as Prince Philip makes a point while meeting an audience of 80 students at the CBC studios in Toronto last Friday. Prince Philip, visiting Canada for the second Commonwealth Study Conference, was special guest at the taping of a radio program for high school students. Laughing are Gordon Scratch and Brenda Nunnas, who interviewed Prince Philip before a question-and-answer period. (CP Wirephoto)

Prince Co. School Principals Urge Some Library Training

O'LEARY — Including of some library science study in the regular teacher training program and the setting up of a summer school course to train teachers as part-time librarians were two of the several recommendations sent to the department of education and to the teacher's federation office as a result of a meeting of the principals of the Prince County schools of four or more rooms.

Present at this meeting in O'Leary on Friday were the principals of Tignish Regional, O'Leary Regional, Ellerslie, Miscouche High, Miscouche Elementary, Summerside High, Summerside Elementary—Elm St., Summerside Elementary—Summer St., St. Mary's Academy, Kensington High, and Kinkora High.

Earl Jelley, principal of O'Leary Regional High School, was host to the teachers of the county. Sister St. Frances Claire of St. Mary's Academy, Summerside was appointed secretary.

After some discussion on the desirability of a school principal's organization within the P.E.I. Teacher's Federation it was decided that meetings of the principals of Prince County schools be held regularly every spring and fall, and more often when pertinent problems peculiar to school administration would present themselves. It was hoped, too, that a reunion of all the principals throughout the province would be held during the time of the Easter convention.

Francis J. McNeill invited all to Elm Street School in Summerside for the next meeting.

Other topics touched on included promotion policies, remedial classes, cumulative records, and school libraries. Recommendations concerning standard cumulative records for the province and directives for a remedial class preparatory to high school entrance were forwarded to the department of education and the Teacher's Federation.

Following this interesting meeting a delicious buffet supper was served by Mrs. Earl Jelley and her daughter. A guided tour of the very fine regional school at O'Leary concluded the afternoon's program.

Toronto PC Candidate Hits Hard At Opposition's Stand

SUMMERSIDE — Hitting hard at the Liberal opposition's stand on unemployment and deficit spending, Arthur Maloney, QC, PC candidate for Toronto-Parkdale addressed an enthusiastic group of Young Progressive Conservatives at the annual meeting of the Prince County association Saturday night in the Summerside AA hall.

Urban Laughlin was chairman in the absence of the president, Gordon Rogers, whose father, Coun. Llewellyn Rogers, passed away Friday night.

NEW EXECUTIVE

During the business part of the meeting, a new executive was elected with Lyman Arsenault, Summerside, being named as president.

On unemployment, Mr. Maloney noted that the Liberals, headed by Lester Pearson, Paul Martin and J. W. Pickersgill, are "running down" this country at home and abroad, decrying the unemployment insurance fund.

"The Conservatives said, make sure the fisherman get unemployment insurance benefits," remarked the speaker, "Are the Liberals going to take the fisherman out of the fund?"

Speaking in defence of the Conservative deficits, the Toronto member of parliament in the last government said, "What good was a 900 million dollar surplus when the people were suffering hardships?"

"Sure there was a deficit, a deliberate deficit, by the Conservative governments," said Mr. Maloney, "to take Canada out of the recession that the Liberal government caused before leaving office."

During his talk, he also discussed the increase in pensions, the causeway and the favorable trade balance with the United States that Canada now enjoys this year for the first time.

With regard for those who say that Canada does not have the same prestige abroad as when Mr. Pearson won the Nobel Prize, Mr. Maloney reminded those present that Mr. Diefenbaker's United Nations speech in 1960, "at which time all people of the free world hailed him for his sound judgment and advice."

SUPPORTS PHILLIPS

In support of Dr. Orville Phillips, who is seeking re-election in Prince County, Mr. Maloney stated, "Dr. Phillips expended $11,000,000 on the RCAF station at Summerside."

He recalled that in 1958 the Prince County MP had a 3,800 vote majority. He also noted that Dr. Phillips is only one of 40 Progressive Conservative members under 40 years of age parliament dissolved.

Before introducing Mr. Maloney, Dr. Phillips paid tribute to the young people for the part they play in an election campaign. The Alberton dentist also commented on the valuable training which is now available to young people on the Island, because of the new vocational training schools.

Heath Macquarrie, Queens County Conservative candidate and Arthur MacInnis, the provincial YPC president, also spoke.

Other dignitaries in attendance included Hon. Henry Wedge, minister of labor; Hon. Robert McNeill, minister of health; Gerald Driscoll, president of the Queens County YPCs and three provincial legislature members, Lorne Monkley, Alban Farmer and Frank Myers.

The members of the newly elected executive are: president Lyman Arsenault, Summerside; first vice-president, Lorne Johnson, O'Leary; second vice-president, Richard Newcombe, Tryon; secretary, Bloyce Boswell, Victoria and treasurer, Adrian Dekker, Sherbrooke.

Members of the new board of directors are: Laughlin Horne, Alberton; Paul Bernard, Kensington; Valmore Arsenault, Tignish; George Green, Searletown, Frank MacGregor, Bloomfield and Alton Ramsay, Hamilton.

Kelso Makes First Start Wednesday

NEW YORK (AP)—Kelso, the country's champion race horse in the U.S. for the last two seasons, makes his first start of 1962 in the $100,000 -added Metropolitan Handicap Wednesday at Aqueduct as an odds-on 4-5 favorite.

Eight rivals, headed by Mrs. Katherine Price's Carry Back, will oppose the great gelding who is attempting to make thoroughbred history by winning the rich handicap triple for the second time.

The one-mile Metropolitan is the first of the elusive triple, which is followed by the suburban Handicap July 4 and the Brooklyn on July, 21, both at 1¼ miles and $110,000 - added events. Kelso won all three in 1961, duplicating the 1913 feat of Whisk Broom II and again by Tom Fool in 1953.

W. Point Ferry Project Awaits Survey Results

Further action on the West Point ferry proposal must await the report that will emerge from an engineering survey requested by the Canadian Maritime Commission at Ottawa, it was learned yesterday from Peter M. McCaull, president of the West Point Ferry company.

The provincial government has promised financial support on the survey cost and a firm of engineers has been asked to give an estimate on the cost of the survey.

Efforts are being made to contact the New Brunswick government in an effort to have it share in the cost of the requested survey.

The engineers will be asked to make a physical survey of the proposed ferry routes and the docking installation possibilities. They will be asked to estimate the traffic potential, the probable cost of installation and of operation, it was explained.

9 Students Receiving Overseas Scholarships

The Monday afternoon session of annual meeting of the National Chapter, Imperial Order Daughters of the Empire at the Charlottetown Hotel heard reports from the national committees on world affairs, democratic action, commonwealth relations, First World War memorial and films.

Mrs. R.C. Bennett, Toronto, war memorial secretary, reported that under the First War memorial seven new scholarships and two re-appointments had been granted to children of those who had lost their lives or were disabled in the first war.

All of those candidates have completed one or more years in a Canadian university. "While one of the students is already in a British university reading for his doctoral thesis, it is anticipated that the others will have obtained their maser's degrees before going overseas in the fall".

Mrs. Bennett will report today from the Second War memorial, which grants both scholarships and bursaries.

Speaking for the National Commonwealth relations committee, Mrs. J.R. Jacob, Toronto, noted an increase shown in this department, with a resulting increase in contributions. She outlined the scholarships grants and donations that are designed "to encourage friendship amongst the peoples of the Commonwealth."

The need for continued dedication to the aim of saving world democracy was emphasized by Mrs. Harry J. Brook, Simcoe, Ont., in the national democratic action report. Mrs. Brooks outlined world affairs activities as carried on by the chapter throughout Canada.

Mrs. C.J.S. Apps, Toronto, presenting the film report noted that the chapter actively engaged in film work showed keen interest and enthusiasm, and their reports revealed a great deal had been accomplished during the past year.

Ycaza To Ride TV Lark Wed.

CHICAGO (AP) — Manuel Ycaza, Panamanian jockey suspended for his riding in the Preakness finish, will ride TV Lark, 1961 grass course champion, in Wednesday's feature at Washington Park.

This was announced Monday by Preston Madden, owner of TV Lark, a favorite in the $30,000 - added Round Table Handicap to be run on the turf Memorial Day in the Balmoral meeting at Washington.

Balmoral officials said that Ycaza, who was fined and suspended for his handling of Ridan in the Preakness at Pimlico, will come off suspension today because of a change of heart by the Maryland State Racing Commission.

Originally Ycaza's suspension was to end May 31 but after questioning jockey John Rotz, who rode the winning Greek Money in the Preakness, the commission changed the wording of the suspension order to make the penalty period end May 29.

Fastest '500' Appears Certain

INDIANAPOLIS (AP) — The fastest 500-mile auto race in history appears certain Wednesday in the wake of Monday's blazing carbeuration tests in which all except one of the 33 starters roared around the Speedway strip in an 11th-hour shakedown.

The yellow caution light flashed twice, but beyond the 462 - foot broadside skid by Glenn Hartley as his engine blew, the three - hour prep for the Memorial Day classic was without serious mishap.

Hartley was shaken up a bit and traffic was halted for 20 minutes after the Indianapolis driver deliberately spun his Dreery's Special on the northwest turn.

The only car which failed to make a test run was the Polybaire Special driven by Eddie Johnson of Cuyahoga Falls, Ohio. Johnson's car developed clutch trouble and never left the pits.

Pole driver Parnelli Jones of Torence, Calif., who set a Speedway qualifying record of 150.370 m.p.h., again demonstrated he is the man to beat. He streaked five laps at a 149.5 average during the 20-lap test of his Agajanian Special.

The 500-mile record is 139.130 miles per hour set by A. J. Foyt in winning last year's race.

Terry Downes Fractures Bone

LONDON (AP) — Britain's Terry Downes, former co-holder of the world middleweight title, has a fractured left hand and will be unable to box Sugar Ray Robinson of New York in London June 26, Downes' manager Sam Burns said Monday.

Burns said Downes fractured a metacarpal bone in his left hand during the fifth round of his fight against Don Fullmer of West Jordan, Utah, last Tuesday.

Downes won the 10-rounder against Fullmer, younger brother of NBA middleweight champion Gene Fullmer.

Burns said he will ask for Robinson fight to be postponed until mid-July at the earliest.

Aussie, Yanks Win Matches

PARIS (AP) — Top - seeded Rod Laver, and the No. 2 American Davis Cup doubles team of Jon Douglas and Frank Froehling won Monday in the French international tennis championships.

Laver, Australia's reigning Wimbledon champion, beat countryman Marin Mulligan 4-6, 6-3, 2-6, 10-8, 6-2 in a quarter-final match. The lefthanded touch expert, playing with an injured thumb on his racket hand, fought back from match point to beat Mulligan in a match that included a row with a linesman.

Mulligan, trailing 15-40 on his own service in the 17th game of the fourth set, stared in amazement at a line judge who failed to call a shot by Laver that appeared to be clearly out. After uttering an angry oath, Mulligan batted a ball ferociously at a metal sign just beside the judge's chair.

The bearded judge got up and left the court. Laver took control from that point.

Doubles, of Santa Monica, Calif., and Froehling, of Coral Gables, Fla., counted on four Davis Cup play, defeated Jiri Jaborsky and Vasily Vepicka of Czechoslovakia 6-4, 6-1, 6-3 in a second round doubles match.

SEARCH GOES ON .....

PORT ARTHUR (CP) — A search continued Monday for a $10,000 float plane reported stolen from its moorings here Friday. The red and white Super Piper Cub, which has a cruising speed of about 90 miles an hour, had enough fuel aboard for two hours flying. Dock officials said the thief could well have taken on more fuel without being noticed.

Decision Hangs On Washington Meeting Today

NEW YORK (AP)—Don Newcombe, former pitching star of of the Brooklyn Dodgers, said Monday he has an appointment today in Washington with Pierre Salinger, White House press secretary, to discuss the possibility of his playing professional baseball in Japan this season.

"Whatever comes of this meeting will be a determining factor in my decision," said the 36-year-old right - hander who won 27 games in pitching the Dodgers to the 1956 National League pennant.

"The money is important to me, of course," said Newcombe. "But more important is whether and how much good my playing baseball in Japan will do for my country."

From Tokyo it has been reported that Newcombe already has signed a contract to play with Japan's Chunichi Dragons this season.

"Let's just say that agreement has not been completed," Newcombe said.

Rev. J. Heber Kean Is Heard At O'Leary UC Anniversary

O'LEARY — "Is the Christian church today the voice of God?" was the theme of Rev. J. Heber Kean's sermon at the concluding service in connection with the 75th anniversary of O'Leary United Church Sunday evening.

The church, he said, is under pressure to be what man wants her to be. But the church is more than a human institution: It is divine. If the church is to accomplish its true mission it must be fearless in relating its lofty aims to modern life and in proclaiming what it believes the Lord would have it speak.

Worship was conducted by the minister, Rev. D. H. Hamilton, assisted by Rev. A. F. Baker, who read the scripture.

The service of praise was led by the male choir with Mrs. J. M. MacWilliams as organist. The anthem was, "My Anchor Holds." A quartet, "Evening Prayer" was rendered by Donald Matheson, Keith Gard, Winfred Bridges and Gordon Leard.

A history of the church was read by Mrs. E. W. Turner, Jr. During the service fraternal greetings were received from O'Leary Baptist Church.

When the congregation adjourned to the Christian education centre, greetings were received from the neighboring charge of West Cape also from all pastors of O'Leary charge since 1927. These are Rev. S. B. Profitt of Ingleside, Ont.; Rev. A. F. Baker (retired) of Truro, Rev. George Gough (retired) of Amherst, Rev. W. G. Dickson of Oshawa, Ont.; Rev. J. H. Kean of Minto, N.B. and Rev. K. M. Rogerson of New Annan, N.S. Letters from those unable to be present were read by Mrs. E. W. Turner, senior elder.

It is hoped that at a later date a message will be received from Rev. William MacDonald, one of the first ministers of the charge, now over 90 years of age, who lives in retirement at Grand Pre, N.S.

Charles Willis presided during a humn sing for which Mrs. Lewis Bernard was pianist. A selection by the trio, Mr. and Mrs. Ralph MacLean and Ed MacDougall was much appreciated. The program concluded with prayer by Mr. Hamilton.

During a pleasant social hour refreshments were served by the United Church Women.
