DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto — Market narrowly higher in heavier trading.

New York — Market mixed; profit taking halts rise.

Montreal — Market irregularly higher in brisk trading.

CURRENCIES

MONTREAL (CP) — The U.S. dollar Tuesday closed at a discount of 3 per cent in terms of Canaidan funds, unchanged. Pound sterling $2.73 1-16, down ¼.

TORONTO

TORONTO (CP) — The stock market extended its advance through a fourth straight session but Tuesday's rise was the weakest of the four and received some opposition from profit-takers.

Gains across the board outnumbered losses, particularly in the mining list.

Profit-taking appeared shortly after the opening among issues which had scored the big gains in the preceding three sessions. But uraniums sparked some fresh buying which spread through the mining list.

Trading in the final two hours quickened and several issues reached their highs for the day just before the close.

Algom, Denison and Gunnar all had fractional gains among senior uraniums while Pronto, Lake Cinch, Rexspar and Northspan led lower-priced stocks. Senior base metals were mixed while juniors had gains ranging to 20 cents. Campbell Chibougamau lost 30 cents at $4.80.

Western oils were narrowly higher in light activity. Most changes, with gains holding a slight numerical edge, were small.

Index changes: Golds up 1.15 to 79.54; base metals up .24 to 148.93; western oils off .35 to 128.23.

MONTREAL

MONTREAL (CP) — Prices edged selectively forward Tuesday in active industrial trade on the Montreal and Canadian stock exchanges.

Banks, utilities and steels sparked the improvement. Toronto Dominion Bank jumped 1 to 41, B.C. Power climbed ¾ to 38¾ and Algoma advanced ¼ to 24¾.

Constructions, base metals and newsprints were mixed. Foundation at 21¼ was ¼ stronger while Canada Cement declined ¼ to 28¾. Hudson Bay improved ½ to 42½ as Aluminium eased ⅜ to 26⅞. Abitibi slipped ½ to 26½ and Howard Smith at 28⅜ was ¼ firmer.

Pipelines were lower and refining oils mixed on the up side.

In comparatively light mines and oils trade, prices balanced. Producers were a little more active, Opemiska Copper was strong by 15 cents at 7.15.

The exchanges' closing averages show banks up .54 at 47.17, utilities up .4 at 138.1, industrials up .4 at 243.6, papers off 11.61 to 1057.37 and golds up .51 at 67.54.

WORMS MAY BE A FAMILY AFFAIR

Fidgeting, nose-picking and a tormenting rectal itch are often telltale signs of Pin-Worms . . . ugly parasites that medical experts say infest one out of every three persons examined. Entire families may be victims and not know it.

To get rid of these ugly pests they must be killed in the intestines where they live and multiply. And that's exactly what JAYNE'S VERMIFUGE does . . . kills Pin-Worms quickly and easily. Then they are expelled from the system in a normal manner and you are free of them.

For your own sake and the health of your children and loved ones, don't put off treatment. Get started with JAYNE'S at the very first sign of Pin-Worms. For once established these parasites are highly contagious and often spread through entire families.

So be sure to ask your druggist for JAYNE'S, famous for worm remedies for over one hundred years.

Just 3 easy steps:
1. Medicated Scrub Soap goes down deep to rout out the last trace of clogging dust, oils and make-up.
2. Medicated Refining Lotion gets at one of the biggest causes of troubled skin—bacteria.
3. Medicated Blemish Cream gives highly effective healing action all night long.
IMPORTANT: Conscientious use of the Scrub Set really pays off with a clearer, wondrously more attractive complexion. Set, $3.50.

WEEKLY BUSINESS REVIEW
FRIENDLY NEIGHBORLY SERVICE

When you deal with your home town merchant you are building a friendly contact with a man whose business it is to know your likes and your dislikes, who will go out of his way to get for you some products or garments you want or need. At the same time you are helping to give employment and training to young people who want to make their way in the business world and who are starting out where they are known best and will get the maximum consideration from their employers AT HOME. These are just a few reasons among many why you should patronize your local merchants listed on this page of the Guardian and Patriot.

HARRY MELLISH
"YOUR IMPERIAL OIL STOVE OIL"
"Distributor For Charlottetown"

Householders! Don't let that oil tank run dry this weekend! Dial 8398 and Imperial's full-time City representative will deliver the stove oil you require promptly and without fuss. You'll find that your kitchen range, jacket heater, floor furnace, or space heater will work better on Imperial stove oil. It is refined right here in the Maritimes at Imperial's new plant at Imperoyal, Nova Scotia, and Imperial tankers make frequent visits to this Port to ensure that an ample supply of fuel is always available at their marine terminal storage yard on Grafton Street East. There's no waiting for service when you deal with Imperial or with their stove oil agent, Harry Mellish. When you buy Imperial, you can be sure you are buying the best.

Since discharge from the R.C.A.F. in which he served four years as a wireless mechanic during World War Two, Harry Mellish has been a full-time representative for Imperial Oil, first as farm trade agent in this district, and since October 1955 in his present capacity. Harry was born 40 years ago in Union Road, King's County, the son of Mr. and Mrs. Robert C. Mellish, who now reside in Montague. He attended the district school and later Prince of Wales College. For a period prior to the War he worked for the late Mr. Sterns, proprietor of Sterns Laundry. Married to the former Annie Hudson of Parkdale, he, his wife and their four children live in the former Village of Spring Park.
