### FARM AND DAIRY.

#### Cooling By Ventilation.

Extract from report of Commissioner of Agriculture:

Ordinarily, cheese does not require to be carried in cold storage, but it would be of decided advantage if they could be carried on the steamship in a chamber thoroughly ventilated and cooled. When cheese are held in bulk at a temperature of about 60 degrees and upwards, they generate heat by the process of curing which goes on. The demand in Great Britain has been growing for some years in favor of a softer cheese, a cheese which is soft in body as well as fine in flavor. It is not possible to send cheese of soft body during the summer months to Great Britain, and have it arrive there in good condition, by the carrying methods which have been in use on the steamships. If a current of cool air could be driven into the hold in which cheese are stowed, from one of the refrigerator plants, that would be of decided advantage. In any case provision should be made for ventilating such holds. Ventilating shafts could be provided by means of which cool air could be admitted to the bottom of the hold. Then during the nights in warm weather, an electric fan could be used for taking out the warm air from the top of the hold.

### Nasty Skin Disease Permanently Cured.

B. B. B. is making medical history. No other remedy anywhere can produce such cases of "permanent cures" as are being published from time to time.

Even in the severest and most chronic diseases of the skin and blood, where other treatment has utterly failed, Burdock Blood Bitters makes cures so thorough and perfect that after many years there is no sign of the disease returning. We don't ask you to accept our statement that this is so. Here's proof from Mr. N. Mitchell, Carman, Man.:

"During the winter of 1892-93 I was covered with pimples on the inside of my right leg, between the knee and ankle. As I never had anything of the kind before I was anxious about it, and sought medical advice, but getting no relief from the doctor, I tried a bottle of B. B. B., applying some of it to my leg, as well as using it internally, and to my surprise the nasty disease, whatever it was, disappeared within three weeks, and I am thankful to say it has never re-appeared to this day."

### THE CHARLOTTETOWN MAILS

### MRS. FOX'S EXPERIENCE.

Cured of Stone in the Bladder by Dodd's Kidney Pills, after Operations had Failed.

Toronto Nov. 7.—If a census were taken to ascertain how many persons in Canada are afflicted with Gravel and Stone in the Bladder, it would be found that ninety in every hundred are sufferers.

Mrs. Ellen Fox, No. 3 Matthias St., Toronto, suffered for two years with stone in the Bladder. She says: "I underwent several operations but derived no benefit. I used Dodd's Kidney Pills, and am now perfectly cured."

Dodd's Kidney Pills are the only known positive cure for this horrible painful disease. They never fail. Their effect is rapid and certain.

### SEASON'S SEALING BATCH.

OTTAWA, Nov. 5.—The Department of Marine and Fisheries has obtained complete returns of the season's sealing catch by the British Columbia fleet. The total catch has been 27,865 skins. The total coast catch was 10,055, and the Behring sea catch 17,370.

### STRICTLY TRUE.

In every respect and attested by the testimony of thousands that Putnam's Painless Corn Extractor is a sure and painless cure for corns. The claim that it is just as good made by those endeavoring to palm off imitations for the genuine only proves the superiority of Putnam's. Use only Putnam's Painless Corn Extractor. Sure, safe, painless.
