

Those Tired Nerves

When you are nervous, irritable, unstrung—when you worry and fret over trifles—when your appetite fails: then is when you need a direct nerve tonic.

Here is one which contains no alcohol. Its value comes from phosphates and tonic alkaloids, properly combined. The name? Penslar Dynamic Tonic. And of course the full formula is on the label. That is the Penslar way.

This splendid remedy supplies to the nerves the needed phosphates, restoring their tone and vitality—it is a builder, not a mere stimulant. We'd like to tell you a great deal more about it next time you are in. 75c bottle.
