CLERK'S HOURS IN GERMANY

Effort Being Made to Do Away With Long Midday Rest

LONDON, March 2.—A discussion is going on in commercial circles in Germany regarding the respective merits of the English and German system of arranging the hours of work in banks, company offices and big business houses.

An agitation is now going over the abolition of the long midday interval and of the introduction of the hours of work usual in English offices.

Wishes to Send Thaw To Asylum

Alleged Object of Mr. Jerome in Murder Case—Thaw a Victim of Paranoia and Has Not Yet Recovered—Examination Not Completed

New York, March 3.—The insanity of adolescence, paranoia and the characteristic of "border atoms" occupied both sessions of the Thaw trial on Friday.

Every day of the trial apparently takes District Attorney Jerome so much nearer the foundation he is trying to lay for a request for a commission in lunacy as the first step in an attempt to send the slayer of Stanford White to "Matthew."

DOCTORS' EFFORTS WERE IN VAIN, BUT CURE CAME WITH THE USE OF DR. CHASE'S KIDNEY-LIVER PILLS.

It is not always the doctor's fault when he tries to give temporary relief instead of lasting cure. Sometimes patients demand it.
