Rocky Point

The S. S. Hillsboro has fair sailing some days and makes her regular trips. With favorable wind and tide she has no trouble with floating ice.

The boys who dammed the creek at Smith's Bridge are amply repaid for their strenuous efforts, a wonderful sheet of ice being their reward. Most every night the glitter of skates can be seen and the air resounding with their jubilant voices. Upwards of one hundred thronged the ice on New Year's Day (Monday) to witness a friendly game of hockey between Rocky Point and New Dominion resulting in a score of 2-0 in New Dominion's favor.

Miss Norma Currie has resumed her studies at C. B. C.

Messrs Stanislaus and Cornelius Dorton are spending a holiday with friends and relatives in Hope River and Fredericton.

Ringwood Women's Institute was entertained by the President, Mrs. Joseph Dorton, on Thursday, Jan. 5. Nine members and a number of visitors being present, we were glad to welcome one new member. The usual routine of business was carried out. Committees reporting favorably. Money was voted to buy new fountain for school also for dainties for sick. Sewing on hand to be completed and a quilt to be started in the near future. After business was carried through then followed a Soap Contest, and phonograph selections. Dainty refreshments were served by the hostess. Meeting closed with God Save the King, to meet with Mrs. Mutch on the usual date.

The semi-annual examination of Ringwood School took place on Dec. 8th. The school was artistically decorated with evergreens etc. A heavily laden tree adorned one corner of the school. The scholars were examined by their teacher, Miss Ruth Langill, in the presence of a large gathering of interested parents and friends and showed by their quick response careful training. Mr. Angus MacEachern ably acted as chairman and a well rendered program was given by the pupils. Mrs. Wm. Mutch complimented teacher and pupils for the appearance of the school and especially the drawing on the black board of Santa with his three reindeers and sled drawn by Master Gordon MacLean, one of the Junior members of the school. The pupils were all given presents by the teacher who also in turn was remembered by them. The prizes for deportment were won by Miss Ella MacEachern and Master John MacLean. The pupils were treated to fruit and candy by Ringwood Institute. A hearty vote of thanks was extended to the teacher to which she graciously replied. All joined in singing God Save The King. UNION DEPOT

On Wednesday evening another hockey game was played for the Clark Trophy in the Central Bedeque rink, featuring the Bedeque Junior Team and the Freetown Team. The ice was heavy and the play was hindered somewhat as the players could not show any speed and seemed to lack pep on soft footing. Individual play took up most of the periods by both teams, which failed to have any outcome and green and white goalies were not overworked in their nooks. The first period was well played and the only score of the game was made by B. Noonan in a rapt mistake for his own net, thus the Freetown Team held one. The second and third periods ended without a score. Mr. Andrew Noonan of Albany, handled the whistle very capably. The following is the line up—Freetown, goal, R. White; defence, T. Drummond, A. Stekon; forwards, P. Wadman, W. Drummond and F. Drummond. Bedeque, goal, J. Green; defence, C. Aisenault, H. Noonan; forwards, W. Bradshaw, A. Macdonald, B. Noonan, L. Wright and C. Johnson.

A host of friends will regret to hear that Mr. David Schurman of Reading, Mass., suffered a stroke at his home there last Sunday.

There passed away to her eternal reward, Mrs. Elizabeth Lewis, widow of the late Mr. Henry Lewis, at the residence of her daughter, Mrs. Scott Jardine, at Freetown, on Thursday. The funeral services were held from the home of her daughter, Mrs. Scott Jardine on Saturday and was largely attended. The remains were laid to rest in the Baptist cemetery at Central Bedeque beside those of her late husband.—B.

Stubborn Coughs Ended by Recipe, Mixed at Home

Saves \$2. No Cooking! So Easy!

Here is the famous old recipe which millions of housewives have found to be the most dependable means of breaking up stubborn coughs. It takes but a moment to prepare, and costs very little, but it positively has no equal for quick, lasting relief.

From any drugist, get 2 1/2 ounces of Pinex. Pour this into a 16 oz. bottle and fill the bottle with granulated sugar syrup, made with 2 cups of sugar and one cup of water, stirred a few moments until dissolved. No cooking needed—it's so easy! Thus you make 16 ounces of better remedy than you could buy ready-made for three times the cost. It never spoils and children love its taste.

This simple mixture soothes and heals the inflamed throat membranes with surprising ease. It loosens the germ-laden phlegm and eases chest soreness in a way that is really astonishing. Pinex is a highly concentrated compound of Norway Pine, the most reliable healing agent for severe coughs. It is guaranteed to give prompt relief or money refunded.

EXCESS FAT MELTS

Under Treatment That Creates Energy

Some folks are naturally fat, but there's a lot of people who put on pounds of unhealthy fat because they haven't got enough energy to move about to keep it off. It's not laziness in most cases—but a condition brought about by sluggishness of the internal organs—the liver, bowels, and kidneys. As a result, poisons and harmful acids that kill vigor, ambition, and energy get into the blood—the whole general tone of the body is lowered and fat accumulates. Thousands of overstout men and women find in Kruschen Salts, a perfectly safe, sure and beneficial means of reducing. The "little daily dose" of Kruschen Salts keeps the organs functioning properly every day, and fills you with such a feeling of radiant vitality and vigor that before you know it you are fairly "jumping out of your skin" with energy, instead of moping around—and reduction follows as a matter of course—Nature attends to that.
