HARRY MADDEN, TOUGH NUT FOR HARRY WILLS

One of the Toughest Fighters in The Ring—Has a Stout Heart and Game To The Core—Irishman Is The Equal of Jack Dempsey In This Respect

(United Press) as a trial horse. When he challenged Wills, and was accepted, it was him that the colored heavy-weight was still looking for the easy one.

Smart managers and experienced critics feel now that Wills made a very bad match when he accepted Madden's challenge because he has everything to lose and not a single thing to gain.

If Wills knocks out Madden with a punch or two, or in three or four rounds, he will get no credit, because Madden will be held up as a pushover.

Something New

Albert Smoke, famous Indian runner of Peterborough, is getting in shape for racing this summer.

He ran a distance of twenty-five miles, on railway ties, with a complete fishing kit fastened on his back, in a little over two hours.

Several years ago, when Tom Gibbons was knocking them all over with a punch or two, Madden went ten rounds with him, and when the bell sounded he was still on his feet.

'Ol Hank'

Hank Gowdy, first string catcher of the Braves and one of the shrewdest receivers in the Major Leagues.

The Summerside team are quite a bit heavier and are used to playing in their small gym, so all are looking forward to see if the school boys can overcome that handicap by their speed and shooting ability.

The following boys will make the trip: Shaw, Dewar, Walker, McInnis, Cameron and Spillet.

Mr. W. E. Scantlebury will accompany the team.

FAST BASKETBALL AT THE 'Y' LAST NIGHT

P.W.C. Quintette Nose the West Kent School Boys Out By a Score of 21 to 20—All Comers Win From Victorias 31 to 9

Basket ball was strong on the Gym floor last night when a double battle began in earnest each team showing their utmost for advantage but the score kept zig-zagging with one and then the other leading until at the end of the period when it stood 15 all, Sewart having evened it by scoring a foul just before time was called.

This necessitated a play off of ten minutes at each end with a rest and it looked at first as if the school were going to win but the college overtook them and at the end of the first five minutes the score was 16-18 in favor of the college.

After changing nets the school took the aggressive and scored 4 points but the college had a lead which was hard to overcome and on the completion of the overtime the score stood 21 to 20 in favor of the college.

The next time those teams meet a record crowd is expected and they will be treated to a mighty fine exhibition of basketball, so come along and shout for your team.

For the winners Spillet, white and Hutchison did the scoring, while Wedlock and Stewart made an excellent defense.

The losing game although defeated may well feel proud of the splendid showing they made and one can never tell but they may turn the tables the next time they meet.

Following are the scores: P. W. C. 21, W. K. S. 20. The game between P. W. College and W. K. School was the main attraction and was well worth the price of admission in itself.

These two teams were very evenly matched the college team having possibly a little more weight but the school team have speed to burn which they used to advantage.

Both teams played good fast combination and the ball was kept travelling from end to end with an odd shot at the basket quite regular, neither side having any distinct advantage.

At the end of the first half the score stood 8-3 in favor of the college team Spillet having done most of the scoring.

On the opening of the second period the school team showed signs of revival and before the period was well under way they were
