# Christmas Gifts

that last through the Years

We think it time to put an end to the practice of giving "attic" gifts, those well meant trinkets that all too soon find their way to the attic or rubbish heap. We think it's time to give instead —useful gifts—that serve as everpresent reminders of your thoughtfulness and good taste.

### BATHROOM BRIGHTER.

The bathroom outshines the kitchen in color. The analysis shows it requires seven colors to meet ordinary demands for bathroom decorations, while six serve for most kitchens. The seven most preferred bathroom shades are white, bath green, orchid, ivory, maize, bath blue and royal blue. The six kitchen colors most requested are white, kitchen green, ivory, delphinium blue, royal blue and red. Now that the cold weather is coming around, remember that only the very hardest of dogs are fitted to sleep the year round in an outdoor kennel. Don't make your short-haired dogs sleep outdoors in winter. They can't stand the cold like Collies or Newfoundlanders. If your dog does sleep outside, don't make it worse for him by allowing him to spend the evening in a warm room and then turning him out into the cold late at night. If he spends the day in the house, he should sleep in the house.
