Experts in Fabrics and Style ...

Department Buyers for 132 Great Stores

insist on Lux for their own things

92% of the department store buyers interviewed in 132 leading department stores insist on Lux for their own precious things!

IMAGINE what this means! These women are paid huge salaries because they know more about styles and fabrics than any other women in the country.

Interviewed in their own departments of leading stores in 31 big cities—their verdict was practically unanimous:

92 out of every 100 interviewed insist on Lux for their own things! For lingerie and stockings, smart sweaters, charming frocks!

And all New York musical shows, New York's famous dressmakers—all the great movie studios—use Lux to double the life of fabrics, whether sturdy or sheer!

Following their invariable rule of using Lux, you, too, can keep your own fine things beautifully new-looking so much longer!

Why Lux saves clothes and saves money. Because, made of the purest materials known—by a special costly process—Lux almost magically renews lovely clothes with each gentle cleansing.

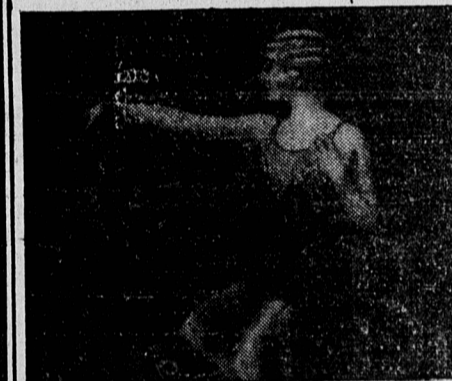

GREAT MOVIE STUDIOS

In Hollywood all use Lux—to double the life of fabrics, whether of sheer or sturdier weave! (above) Beautiful Renée Adoree who exclaims, "I think Lux is perfectly grand—I wouldn't trust my nice things to anything else."

DEPARTMENT STORE BUYERS IN PARIS

(Above) An intimate glimpse into the salon of Poiret, famous couturier, showing American buyers (seated) viewing the distinguished creations of this famous House. These clever women know styles and fabrics from A to Z! And 92% of those interviewed insist on Lux!

NEW YORK MUSICAL SHOWS

All find stockings give double wear, cleansed always in Lux! Charming Dorothy Stone (above), co-starred in "Three Cheers," agrees with her wardrobe mistress that "Lux keeps stockings divinely new!"

FAMOUS DRESSMAKERS

Such as Bergdorf-Goodman, Frances Clyne, Kurzman—find sheer lingerie and stockings worn by mannequins stay exquisitely new-looking twice as long with Lux! (Above) "Behind the scenes" in a Fashion Salon

IN MEMORIAM

MRS. JANE SAMPLE

There passed peacefully away on May 28th, Mrs. Jane Sample, at the ripe age of 88 years, at the home of her sister, Mrs. George R. Gay, Millview. Mrs. Sample was born at Village Green, P. E. I., the daughter of William Mitchell of Village Green. Her husband died 44 years ago. The funeral which was well attended took place on May 30th, conducted by Rev. H. Littlejohns, interment being made in the family plot at the Pownall Cemetery. The pall-bearers were: Matthias Acorn, William Jackman, John Gay, Wesley Acorn, William Smith and Joseph Acorn.

AIR VIEWS OF PERSIA BOOM

Seeing the Euphrates from the air is one of the inducements being offered by the new air service that connects Bagdad and Gaza. The management claims that in no other way can the beauties of the river and Persia be fully appreciated. The view of the serpentine river at the "hind of the morning" struggle to break through, is unusual. As the sun finally bursts forth in all glory, the stream takes on more and more the appearance of a snarling twisting and writhing, its skin dazzling metal. A splendid view of the Dead Sea is also obtainable. The trip by air takes eight hours, compared with 40 days of travel by camel.
