ed by trouble, A few, heartspoken, loping words of cheer.

How sweet it is, When human help is failing, And when the heart is almost in despair.

How sweet it is, when shadows break, revealing The sweeter beauties of our onward way.

S. S. CONVENTION.—The annual convention of the P. E. Island Sunday School Association will be held in the Zion Church, Charlottetown, Oct. 28-30. The "Convention Call" has been sent to all the Superintendents and Pastors throughout the province whose names and addresses are known to the Secretary. The October Advocate containing the program has been sent to the District Secretaries to be distributed among the schools by them. Reducers fares on the P. E. I. Ry. has been arranged for and everything points to a successful convention. (Pat. please copy.)

CONFIRMATION.—His Lordship Bishop O'Leary, and Father Pius Macdonald returned to Charlottetown, Monday night from Kinkora and Seven Mile Bay, where His Lordship was administering Confirmation. On Sunday morning last about 103 candidates were confirmed. Monday morning the Bishop made his first visit to Seven Mile Bay and was royally received. An appropriate address was read to which His Lordship responded fittingly. At this place 105 candidates also had the Sacrament of Confirmation conferred upon them.

APPOINTMENT.—Mr. Joseph Kelly, formerly assistant Station Agent of the P. E. I. R., Charlottetown, has been appointed Freight Agent at Charlottetown.

RECEIVE CUPS.—Yesterday Messrs. Nelson Winchester, of the Abercrombie, and Mr. Lawrence Moran, of the Gonaughts, received from Halifax the cups which they won at the Wanderers' Sports at that place some time ago. They are very beautiful and of silver and the boys feel very proud of them.

THANKSGIVING SHOOT.—Rifemen, generally, are well pleased at the program arranged for Thanksgiving day's shoot at Kensington Range, Charlottetown. It is now up to the Captains of the various Rifle teams, throughout the province to select their five men, and have a try for the beautiful Thanksgiving Trophy and Badges presented by Capt. D. McKinnon and Colonel Davison. Shooting will commence promptly at 1 p. m. Monday afternoon.

PERSIAN SHEEP.—Among the people called on last week by Mr. R. Robertson of the Provincial Department of Agriculture, were Messrs. Robert and William Rhynes who came to this Province from Scotland quite recently, and who are located in the Dunstaffnage district. They are full of the idea of building up and enriching the soil and at the same time getting good crops. They are following short rotations which clover a leading feature. They are also enthusiastic over the desirability of keeping more and better Live Stock, as well as the better caring for them. Mr. Robert Rhynes has this summer added to Live Stock a flock of Persian sheep and it is hoped that this new industry will be the means of enriching not only Mr. Rhynes but also the Province.

NOW THEY BELIEVE.—Mr. E. P. Cahill, President of The Hartford Silver Fox Co., leaves this morning on return to Hartford, Conn., after a visit to his ranch in Alberta, this province. Mr. Cahill says that the greatest difficulty he at first encountered in selling stock in his company was to get investors to believe the published reports of dividends paid. Forty per cent. dividends were looked upon as chimerical. When it came 200, 300, 400 per cent. and upwards they looked at him pityingly and changed the subject. When proofs came, however, that these dividends had actually been paid, the tune changed and investors came to him without invitation. They are still coming and are quite ready to get in. Mr. Cahill reports sales of stock very satisfactory. He has stocked his ranch with foxes of the best island stock which he is not afraid to recommend to his friends. His office is at 1279 Main St., Hartford, Conn., and Mr. Walter M. Cahill, Alberton, is Prince Edward Island manager.

(From Yesterday's Evening Guardian) POLICE COURT.—At the Charlottetown Police Court this morning, Frederick Robertson and Leonard Meek on charge of drunkenness were each fined \$5 or twenty days.

CONVENTION.—St. Stephen, N.B., will be the scene of an important gathering this week when the convention of the United Baptist Women's Missionary Society will be held there. The convention this year promises to be one of the most largely attended ever held by the union delegates from all over the province will be present and it is expected that there will be at least two hundred present. Several delegates will be present from this province—Miss A. A. Wadman of Charlottetown is a delegate from this city.

SOCIAL AFFAIR.—A brilliant and magnificent scene was presented last evening at the official opening of the new government house by His Honor Lieutenant Governor Bulyea and Mrs. Bulyea, says the Edmonton Journal. It is almost impossible to describe the beauty and magnificence of this new home of the representative of our King—its large spacious hall, splendid big rooms, with hundreds and hundreds of softly shaded electric candles, beautiful colorings and very handsome furniture, each room distinct in its beauty of color and furniture and amidst it all our sweet and gracious mistress of Government house, with a hearty hand-clasp and welcoming smile to make one and all feel her ready welcome. Among the guests present was Mrs. W. V. Newson, formerly of Charlottetown, who wore a gown of cream satin with tunic of lace and touches of diamante.

HOLLAND-ROSS.—A very pretty wedding took place at the residence of Mr. and Mrs. Malcolm Ross, Dundonald Street, Amherst, N. S., on Wednesday evening, October 8th, when their daughter, Margaret Jane, was united in marriage to Mr. Frank M. Holland of Wellington Station. The ceremony was performed by the Rev. Hamilton Wigle in the presence of about thirty invited guests. The bride was unattended and was given away by her father. After the usual congratulations the guests partook of a very dainty repast. They were the recipients of many useful and valuable presents, including a Morris chair from the Telephone Co., of which the groom was an employee. The bride's travelling suit was of navy blue serge with hat to match. The happy couple left on a wedding trip to Halifax and other Nova Scotia towns. On their return they will reside in Amherst.

MONBY IN FOXES.—The raising of foxes for their furs is becoming an industry of considerable importance, says the Providence Journal. A shipment of 126 cub foxes, estimated to be worth \$100,000, or nearly \$800 apiece, recently arrived at Vancouver on a Canadian Pacific Railway steamer from Skagway, Alaska. They were purchased from white and Indian

trappers in Alaska and the Yukon Canadian territory, and consist of red, black and silver-gray foxes. One pair of black foxes in the lot was estimated to be worth \$10,000 when fully grown. The foxes are being shipped East to the fox farms in New Brunswick, Prince Edward Island and the Eastern States. Since the opening of the season it is reported that 219 live foxes, ranging from silver gray to cross and valued at \$320,000, have been shipped from Edmonton, Alberta, to points in Eastern Canada and the United States. Included in this lot were 10 young black foxes, which were sold at \$3,000 apiece. Several black pups died after being sold for \$2,500 each. Owing to the increased supply of the rare breeds from the northern latitudes of the Northwest in the last two or three years the price of these animals has decreased from 25 to 50 per cent.

Cured Eczema Like Magic

Suffered for Years—Tried All Kinds of Treatment—Surprised at Results From Dr. Chase's Ointment.

You can soon tell when people are enthusiastic about medical treatment by the language they use. After experimenting with all sorts of ointments in a vain effort to obtain relief and cure, the writer of this letter was astonished at the quick and satisfactory results obtained by the use of Dr. Chase's Ointment.

"It worked like magic," she writes. Indeed, it is surprising the healing that is often effected in a single night by this great ointment. The stinging and itching are relieved at once, and cure is only a matter of time and patient treatment.

Mrs. Clements, 13 Strange street, Toronto, Ont., writes: "I have suffered from eczema for years, and after using all kinds of ointment, at last tried Dr. Chase's Ointment. It worked like magic and proved a God-send to me. I would advise anyone suffering from eczema to try one box and be convinced." 60 cents a box, all dealers, or Edmondson, Pates & Co., Limited, Toronto.
