FIVE NEW WORLD TRACK MARKS SET

Connell Gets 8th Shutout As Maroons Blank Eagles; Leafs Down Chihawks 4-1

(C. P. By Guardian's Special Wire)

ST. LOUIS, Mo., Feb. 23. — St. Louis Eagles today conceded Tommy Gorman's Montreal Maroons are the best checking outfit in the National Hockey League. Maroons gave Eagles no chance last night in a 4-0 shutout before 5,500 spectators.

CONNELL

Hero of the game was Alex Connell, Maroons' pale determined goalie, who brought his shutout record to eight, greatest in the whole league. Curly-headed Jimmy Ward shared largely in the game's honors, scoring the first and last goals, both on assists by Hooley Smith. Earl Robinson scored a solo goal and gave Herb Cain a nice assist for another.

Victory enabled Maroons to keep pace with Toronto, leaders of the International Section, who are 10 points ahead. It was Maroons fifth win over St. Louis to one loss, and ended the season's series between the two clubs.

NO PENALTY GAME

TORONTO, Feb. 24.—To the average fan it was just another National Hockey League game when the Maple Leafs trimmed Chicago Black Hawks 4-1 Saturday, but it was a big night for the lads who busy themselves keeping track of oddities. Three all-time records were established—it was the *first scheduled* professional game ever played in Toronto without a penalty—it was the shortest fixture in history here and there were fewer stops in play than in any previous game.

THOMS

Eddie Upthegrove, veteran penalty time-keeper who was in the box at the first professional hockey game in Toronto in 1513 and every game since, said it was the first penalty-free contest on the books. He relates the only other moneyed game to go by without a banishment was the benefit affair for "Ace" Bailey here last winter.

Starting at 8.32 o'clock, the game was over by 10.10 an elapsed time of one hour, 37 minutes, setting a new record for Toronto. With 60 minutes of actual play and 20 minutes for rest, it meant only 17 minutes for technical rule infringement stops. The game was stopped only 35 times, which shatters the old standing mark of 57. The books show there have been as many as 109 halts during a game.

Bill Thoms figured in three of the four goals and notched one of them himself. "Busher" Hollett scored just before the 15-minute mark. Thoms and "Hec" Kilrea engineered the opening for him.

Then Charlie Conacher proved what a mighty shot he has, sinking one from just inside the blue line after taking a pass from Harvey Jackson.

The veteran Howie Morenz gave Hawks new life when he belted an ankle high drive past George Hainsworth, after only 16 seconds of play in the second stanza.

Their hopes were soon dimmed when shortly after Thoms secured the rubber in Chicago territory and scored with ease. Kilrea put the cap on the scoring just past the half-way mark in the final session. Thoms started the play, "King" Clancy providing the pass for the goal.

CANADIENS BRILLIANT

MONTREAL, Feb. 24.—Montreal Canadiens today were practically assured of third position in the International Section of the National Hockey League when the playoffs roll around following a raw victory over their nearest rivals, the New York Americans, before 6,000 fans at the Forum here last night.

LEPINE

Coming from behind with a second period burst that netted four goals, Canadiens gave a brilliant display of speed and cohesion to draw seven points up on Americans with three games in hand.

Players' tempers, frayed by heavy checking and on edge with the tension of the game, broke in the second period when Roger Jenkins, Canadien defenceman, started to fight with Fred Hergerts and drew a major penalty. Hergerts got a minor.

Americans went into the lead near the end of the opening session while Albert Leduc was serving a minor penalty for tripping. Lorne Carr combined with Art Chapman, racing in with the latter's pass to beat Wilf Cude cleanly.

Penalties proved costly to the Amerks in the second, however. With Schriner serving a penalty received in the last minute of the first period, Pete Lepine drew Canadiens up even in 28 seconds on a gang play with Aurel Joliat, Tony Savage and Wildore Larochelle.

Nine minutes later, with Hergerts and Jenkins in the penalty box, Leroy Goldsworthy made it two on a pass from Armand Mondou and 22 seconds after Goldsworthy's goal, Pete Lepine got his second counter of the night, slamming home double relays from Mondou and Sylvio Mantha.

A brilliant solo rush by young George Mantha put the game in the bag for the Canucks with four minutes of play left in the period.

A gang play in the ninth minute of the third drew Americans a goal closer as Harry Oliver, veteran winger, sped across the mouth of the Canadiens net to pick up a neat pass from Rabbit McVeigh and flip the rubber into the corner.

Maroons, Leafs Suffer Setbacks

(A. P. By Guardian's Special Wire)

CHICAGO, Feb. 24. — Montreal Maroons wound up their regular National Hockey League season games with the Chicago Black Hawks tonight by absorbing a 6-1 beating before 10,000 spectators in the Stadium.

The battle, one of the roughest of the year, between the prospective playoff rivals was fairly even in the first two periods, but the Hawks, taking advantage of frantic, reckless Maroon play in the third session, hammered home three goals. The result also gave goalie Lorne Chabot of the Hawks a seven-goal lead over Alex Connell in the struggle for the Georges Vezina memorial trophy.

RED WINGS TRIM LEAFS 4-2

DETROIT, Feb. 24. — Continuing in their "giant killer" role, now that they virtually are out of the National Hockey League playoffs, Detroit's rejuvenated Red Wings trimmed Toronto Maple Leafs 4-2 tonight before a crowd of 10,000.

BATTLE TO SECOND SCORELESS TIE

NEW YORK, Feb. 24.—The largest crowd of the New York National Hockey League season, 15,365 cash customers, turned out tonight to see Boston Bruins and New York Rangers battle to their second scoreless tie of the campaign. The result left the Rangers with a two-point margin in the close American division race.

Sanctuary Boys Hockey

The second game in the second section of the Sanctuary Boys Hockey League was played Saturday night at the Upper Queen St. Rink. The two teams battled to a scoreless tie. The game was fast and clean, no penalties being handed out by Referee Dick Hennessey.

The third game was won by the Basilica boys who defeated the Holy Redeemer "Cherubs" 5-2 at the College Rink. Russel Doyle and Laurier McKinnon scored for the winners, A. Wilson, B. Steele, V. MacDonald, scoring one each.

Five penalties were handed out, four to the winners and one to the Cherubs.

Elmer Blanchard refereed satisfactorily.

D.A.McKinnon Team Wins Wright Trophy

D. A. McKinnon and his team, Judge Saunders, M. Campbell, and R. Bell won the G. D. Wright Trophy, emblematic of the Club Championship, at the curling rink Saturday afternoon, defeating the Scott skipped team 9-7.

After the afternoon's play the weekly club supper, presided over by the President, W. W. Lord, was held. A number of guests were introduced by the President and fittingly replied to the words of welcome.

Mr. G. D. Wright, donator of the cup for inter team club competition, personally presented Skip MacKinnon and his team with the coveted silverware, complimenting and congratulating them on their success. He was especially pleased to see the increased interest in curling and hoped for the continued success of the Club. Mr. McKinnon, in replying, warmly thanked Mr. Wright, and briefly traced the Club's history. He believed that the time was not far distant when the interest in curling here, would rival that only of hockey. Other members of the team made short addresses attesting to the fine game put up by Skip A. Scott before conceding defeat.

Votes of thanks were extended to the donors of prizes and the catering committee, by Club members.

The Kinlock team, conquerors of all they survey, have under consideration a number of challenges, among which is one from the "Irish" from whom they wrested the mantel of club supremacy.

Kinlock Are Again Winners

Last Thursday night at the Charlottetown Curling Club the wildly rampant Kinlock Curling Team tied four more prize scalps under their belt and smothered the hand-picked and dominant "Big Four" with a score of 13-10.

The unconquerable Kinlocks, contrary to general expectations, put on the "Kinlock power play" from the beginning of the game, with the inevitable results that the "Big Four" was trailing hopelessly behind 1-9 at the sixth end. Needless to say, after that the victors eased off and finally sauntered home with their second victory in three days.

The losers, struggling against hopeless odds, put on a gallant fight. After conquering the pick of the Montague team by a wide margin at the recent bonspiel, the losers naturally felt entitled to the name of the "Big Four". But alas! this happened to be the first year that Kinlock was represented in full. The odds were hopeless. Nobody realized the effect of the "Kinlock Power Play." Two teams have realized it now, and with bitter results.

The stakes were, as usual—chicken dinners, now becoming monotonous to the Kinlock team. The Kinlocks are still willing to take on any team of championship calibre at any time.

The following was the line up of the teams:

J. B. Johnston	Dr. H. McIntyre
R. D. Worthy	C. M. Williams

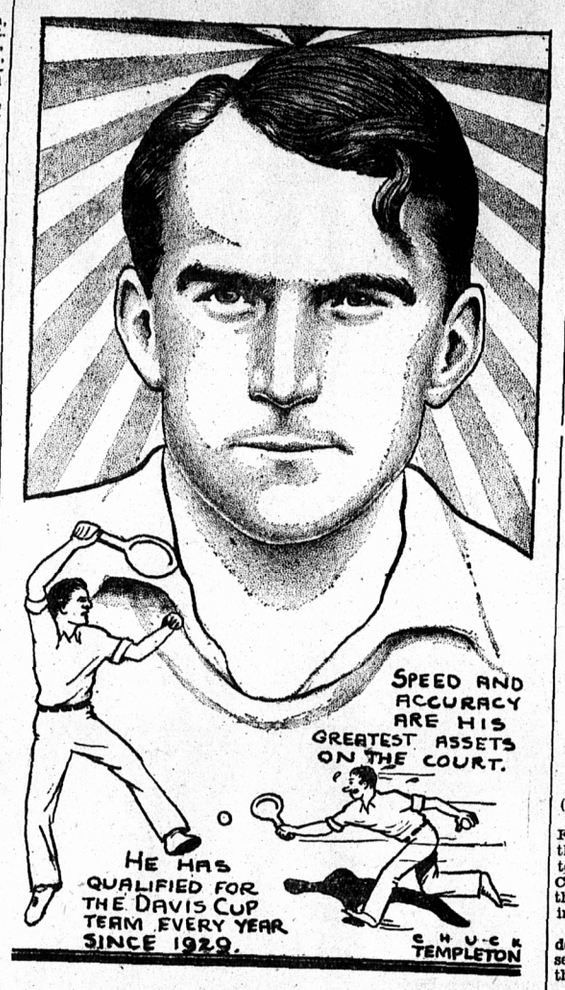
SPORTRAITS



Along The Sidelines

(By Pat Power)

INTERMEDIATE ABEGWEITS, after meeting and overcoming many obstacles during the season, the hardest of which was the loss of several players to the senior six, today find themselves on the verge of what may prove their hardest hurdle to take in their march to Island Intermediate honors. Tonight they meet Montague Primroses in the latter's ballwick in the first encounter of the two-game total-goal series to determine the 1934-35 titlists, and judging by the home record the Primroses have, the City team will have to be on in every sense of the word to garner a lead for the second game of the series, scheduled for Forum ice on Wednesday night.

• • •

MONTAGUE, LAST YEAR'S champions, have yet to meet defeat on home ice this season, and as they enter the last stages in defence of their title they are determined not to mar this record. But they too will be facing a mighty tough foe. Abbies have been defeated but once this year and will be out to serve a double purpose—capture the crown which they held in 1933-34 and at the same time get sweet revenge on their opponents, who last year eliminated them from the race by virtue of two straight victories.

PITTING THEIR basketball lore against two New Brunswick teams, Holy Name Falcons and Charlottetown Nikes, the latter a girl's squad, will play hosts to Moncton St. Bernards and Moncton Bingoes at the Holy Name Club gym Tuesday night in a doubleheader bill.

• • •

IN THE BOYS' GAME, Falcons are meeting a squad that are rated as one of the best in the Moncton City League and a team that has given the highly-regarded Pawnees, several times Maritime Intermediate champs, lots of stiff battles in their encounters. The game should be a thriller.

• • •

THE VISITING LADIES are also a smart aggregation, but the Nikes are meeting no strangers. In the past the two teams have met on two occasions and close, bitterly contested battles have been the outcome, with the coming tilt likely to prove no exception.

• • •

HOCKEY FANS who listened in on the broadcast of the St. Louis-Maroons game at St. Louis Saturday night were pleasantly surprised when the announcer introduced Pete Kelly, former Abbie ace, over the air.

• • •

PETE'S REMARKS were necessarily brief, but he stated that he liked his new environment immensely and sent best wishes to all his Charlottetown friends.

CONGRATULATIONS are in order to Ron Hudson, former winger of the Abbies, but the past season pastiming with the Wolverines, whose marriage to Miss Margaret Butler of Halifax was recently announced.

TONIGHT AT THE Forum the Junior Abegweits meet the Summerside Juniors in the initial game of the playdowns for the provincial title. Coached by Jim Carrigan, former manager of the Dalhousie Rangers when they were Maritime champions, the Western aggregation should put up a scrappy battle in their hunt for honors.

Ladies Hockey Semi-finals For Summerside

March 8 and 9 are the dates set for the semi-finals in the Ladies Amateur Hockey Association play offs for the Eastern Canada championship, which will be played at Summerside on those dates.

The Primrose Sisters, Maritime champions, will meet the winners of the Quebec and Ontario series, which is to be played on Friday and Saturday next.

Should the Crystals win the Eastern Canada chmapionship they will play off with the champions of Western Canada for the Lady Bessborough cup and the Canadian title. S.

United States Indoor Meet Featured By Record Breaking Performances

(By Alan Gould Associated Press Sports Editor)

NEW YORK, Feb. 24—Five world record performances, including one by the Canadian walking champion, Hank Cleman of Toronto, two by Ohio State's brilliant negro athlete, Jesse Owens and another by the all-conquering Glen Cunningham marked the United States Amateur Athletic Union indoor track and field championships here Saturday night.

Two other world indoor marks were equalled, with new championship meet records set up in seven events as the New York Athletic Club easily retained the team championship with 36 points.

Easy Winner

Cleman, wearing the colors of the Achillies Club of Toronto, strode to victory in the 1500-metre walk in the new record time of six minutes, 7.3 seconds. He easily footed his way to a 30-yard margin over his nearest rival, Charles Eschenbach of the New York A C., the defending champion.

The Canadian's time displaced the former indoor record of 6:08.5 set by Louis Welch of Boston last winter.

Welch finished third in last night's race with Max Beutel, New York, fourth.

Cunningham, again demonstrating his complete mastery over all rivals, raced to a 40-yard triumph over Bill Bonthron and lowered his own indoor 1500-metre record to 3:50.5. The only surprise was Bonthrron's comeback to beat his Pennsylvania rival, Gene Venzke, for third place by a two yard margin.

Owens Stars

Owens, all-around star of the meet, successfully defended his broad-jump title with a new record leap of 25.9 inches, and then lost out by inches to another negro, Ben Johnson of Columbia, in a record-breaking battle for honors in the 60-metre dash. Owens lowered the world record to 6.6 seconds in the semi-finals, which saw the elimination of the defending champion, Ralph Metcalfe of Marquette, but Johnson flashed to the tape first in similar record time to beat Owens in the final by six inches.

Metcalfe, who had shared the former record of 6.7 seconds, was off form and among the principal upset victims of the night.

The outstanding surprise, however, came in the 1,000 metre run in which the great Charles Hornbostel, of Indiana, previously undefeated indoors this winter, apparently pulled a muscle and finished next to last. Hornbostel thus lost his title to Glen Dawson of Tulsa, Okla., and withdrew from the 600 metres.

Another world record was set in the 35-pound weight throw by Henry Dreyer, Rhode Island State, with 55 feet, 3 3-4 inches.

Jack Torrance, Giant Louisiana State athlete and holder of the world outdoor shotput record of 57 feet 1 inch, failed for the second straight week to surpass the indoor standard by 52 8 3-8 inches, held by Leo Sexton. Torrance won the event easily enough, but his best toss measured only 49 feet, seven inches.

Cornelius Johnson of Los Angeles, won his first championship outright in the high jump with a leap of six feet seven inches. Johnson shares the outdoor title with Walter Marty, another Californian.

Prince Henry Is Great Equestrian

KINGSTON, Jamaica, Feb. 24—The Duke of Gloucester's liking for horses has not been forgotten by those arranging for his entertainment here. He has been asked to play in two polo matches during his visit, and it was announced today that he would be invited to ride in the pony races at Knutsford park.

Delayed when the cruiser H. M. A. S. Australia swerved from her course to assist the disabled American schooner Seth Parker, Prince Henry is not expected to reach Jamaica before March 6.
