MacNeill John Bigelow and Augustine MacNeill.

Girl Guide News

This winter has been an ideal one for Guides and Brownies as there has been plenty of snow for winter sports but there are some pretty little feathered visitors to our island who are not finding it so pleasant. Many of these Hungarian partridges are starving for want of food and grit.

All out of town Guides in the province are especially requested by the S. P. C. A. to try to help these Little "Huns" as they are called.

This can be done in two ways:—

First,—Take a snow shovel and dig down to the ground in different places in the fields around your home to give the birds a chance to get seeds and grit.

Second—Sprinkle chaff or get a farmer to sprinkle chaff around for the birds to eat.

Will you also notice how many Huns you see and write in to Mrs. FitzGerald, Home Forum, C. F. C. Y. Charlottetown, telling her at the same time how you have helped to protect and feed the birds. Mrs. Fitz Gerald will read your letters over the air and will send you a special S. P. C. A. pin. Don't forget to put your name and address to the letter.

G.M. Hatch who writes to Harness Horse papers from the State of Maine, has the following in a recent "Pine Tree Points." "There is a lot of equine interest developing in the Maritime Provinces and if the wa. is not unduly prolonged there will be some real race horses there of home breeding. The breeding and racing of the light harness horse in that section has been definitely looking up in the past two or three years.

Sixty to seventy-five years ago Maine dealers used to go down there for roadsters and livery stock particularly to Prince Edward Island. Forty to fifty years ago quite a lot of breeding stock went to New Brunswick from Maine stock farms."

Mr. Hatch is quite right. Forty to fifty years ago there was a tremendous demand for Prince Edward Island horses in Maine and the New England states. Dealers like Gus and Ollie Mason, George Estery, W.S. McKie and John Horne shipped hundreds of beautiful horses, many of which found their way into the stables of multi-millionaires. Past masters in the art of fitting horses for the American market were the late Ronnie Steele and George Handrahan and it was a pleasure to see their flawless turnouts driven around, the horses the epitome of equine excellence, carriages sparkling and the harness clean as new.

Many enterprising men brought good breeding stock to this province and these crosses with our foundation Island stock produced roadsters of beauty, speed and staying qualities. Those were grand old days—the days of the horse and buggy area—and the writer for one has never experienced the pleasure driving an auto that I experienced sitting behind Kentucky Marque or Orwell Belle.

Some time ago it was stated in the press that the directors of the United States Trotting Association had decided to increase the fees for registration of yearlings, two-year-olds and three-year-olds. The writer took the matter up with heads of the Association and in a letter from Roger Duncan received last evening he assures me that it is expected that at the annual meeting of the directors on March 11th they will continue the reduced fee of $5.00 for registration of all horse from January 1st, 1940 to at least July 1st, 1940.

Bill McManemon, well known trainer of horses, passed away at Lewiston, Maine, December 17th. Among the famous horses he raced may be mentioned Margaret Dillon 1.58¼. In his early days he was caretaker for the noted stallion Nelson 2.09, that at one time held the world's trotting record. Bill was well known to many Maritime horsemen and his passing will be greatly regretted.

John A. MacDonald, well known auctioneer of this city, returned Wednesday evening from a visit to his son who is in khaki at Halifax. While there Mr. MacDonald saw Alderman Harry Breen, Johnny Murphy, Bill Cummings and a number of other horsemen who were, needless to say, delighted to see him and learn about their horsemen friends over here.

Among the rules suggested for the use of the barrier on the Grand Circuit this season are that a tape would be stretched across the track a hundred feet back of the barrier; for beating the barrier the driver will be set down for the remainder of the day and an automatic fine placed on him; should a driver beat the barrier in the last heat of his race he will be set down for the next day he has a horse to start; if there appears to be a gross attempt to beat the barrier the horse will be disqualified for the heat and heavier fines imposed upon the driver; should any driver or drivers team up to pocket a favorite during the fifteen second count the starter shall stop the count and deal with the offending drivers by setting them down and possible fine or suspension levied.

The many friends of the Canadian driver Vic Flemming will be pleased to know that he has returned from the Mayo Brothers Clinic, Rochester, Minnesota, with a clean bill of health.

David J. McClary, the first reinsman to drive a harnes horse in two minutes or better, died at his home in Hartford, Conn., January 26th. It was August 28th, 1897, that McClary startled the sporting world by driving Star Pointer to a record of 1.59¼ at Readville, Mass. The feat was a sensation and although denunciations were much slower in those days then they are now yet it was not long before everyone interested in the horse throughout the United States and Canada knew that the goal of a two-minute mile had been reached.

Says the Harness Horse in a recent issue: "McClary's handling of Star Pointer stands as among the monumental achievements in harness horse training. Star Pointer was a big, clumsy-gaited horse particularly when going slow, also inclined to knock his knees, but with infinite patience and marvelous care by Jesse Smith old Pointer could when in flight of speed do more than any horse of his time. McClary handled him with extreme care and finally in August, 1897, turned him for a record mile at Readville, Mass., but whether he expected a two-minute mile or not the writer is uninformed. But as he started to beat 2.00½ it is presumed that the management and driver of Star Pointer did anticipate a two-minute mile.

McClary was enjoying unsurpassed success among trainers of that era as three days previous to his world's renown achievement with Star Pointer he won a bitterly fought six heat race with Guimette 2.02¼, also over the Readville track. He retired from the sulky a quarter of a century ago and has been living quietly at Hartville, Conn. ever since. He was a Canadian by birth having been born in London, Ontario. He bore the reputation through life of being a substantial, charitable man true to friends at all times and under all circumstances."

The book of Billy Direct, 1.55 mile track, 1.59¾ half mile track, world's champion mile and half mile pacer, is filled for the season of 1940.

Green Mountain Maid was the foremost producer of record performers of her period and famous as the dam of Electioneer, the great family founder at Leland, Stanford Farm, California. The Maid was foaled in 1862 and died in 1888 in giving birth to her seventeenth foal. She stood fifteen hands high, had plenty of trotting action and was said to be one of the fastest trotters out of harness that ever lived. Charles Backman Stoney Ford Farm, New York, paid $450. for her when she was carrying her first foal. Eleven of her foals he sold for $68,830 and five he retained could have been disposed of for considerably more than that sum. An offer of $10,000 for the Maid when she was twenty was refused by Mr. Backman.

Of course the most famous of her get was Electioneer, whose colts made world's records, in fact revolutionized colt trotting when trained by Charles Marvin of Palo Alto Farm. At one time his get held the world's records for one, two, three and four-year-old trotters. 160 of them entered the list and only two were pacers; 104 of his sons were sires of speed and 115 of his daughters were producers.

The highest priced of the Maid's foals was Prospero, born in 1869. He won his first race as a three-year-old and was immediately sold for $30,000. Later on he met with an accident which caused his death a a time when he seemed to have a very promising career. Launcelot, foaled in 1887, sold for $12,500 as a yearling after displaying great speed with very little training.

Among the trotters that reduced their records in 1939 we note the name of Calumet Euclid 2.07½, record aken at Banger, Maine, August 22nd, Wendall Wathan driving. The writer remembers racing against Calumet Euclid at Fredericton Exhibition in 1936 and remarking what a beautiful gaited horse he was. Although he was not up to defeating some of the others in the race yet he showed a lot of class. Other Islanders who were there will remember the beautiful bay son of Guy Abbey.

Little Pat, 1.58¾ now stands at the top for 2.05 or better miles over a half-mile track, having no less than 70 to his credit. His average time is truly startling—2.03½.

Had a real nice letter from Raoul Potvin, Montreal, last evening in which he sends his regards to all friends here and states that he has four horses in training which he expects to race in the United States this summer. Raoul will be remembered for his campaign with Lady Grattan 2.08¼ and other horses in the Maritimes. He is one of the best drivers and most finished trainers in the business today. We are sure that he would be given a wonderful welcome if he could manage to bring his stable to our Exhibition races.

Jimmie Power in his Annual Review for the Maritime Provinces season of 1915 states:— "Five Maritime Province records were broken some of which have stood for several years. Mayor Todd, owned and driven by Hammond Kelly, Charlottetown, lowered the trotting stallion record of 2.17¾ to 2.16½. He equalled this performance again at Charlottetown making a new track record. Brage by Baring, owned by R.H. Edwards, Halifax, and driven by Frank Boutilier, lowered the three-year-old trotting record from 2.23¾ to 2.20¼. The British Soldier by Cochato, owned by W.S. McKie, Charlottetown, lowered the four-year-old trotting stallion record from 2.20¼ to 2.19¼ at Halifax. The Maritime Province stallion record of 2.13¼, held jointly by Frank Patch 2.06¼ and Dingola 2.05½ was lowered to 2.13 by A Game of Chance, owned and driven by W. B. Lint, Fredericton, in his victory in the Free for All at Chatham, September 30th It was also the fastest mile of the year. Bob Mac, owned by Edgar Campbell and driven by Steen Purvis, lowered the record of 2.15¼ for a Provincial bred pacer on a provincial track to 2.13¾ at Halifax, September 13th. Devilish Dorothy, owned by the veteran Dr. J. T. Jenkins, trotted the fastest mile by a mare in 2.18¾. Princess Etta, owned by T. C. Edgett, Charlottetown, paced the fastest mile by a mare on a provincial track in 2.15½ at Halifax.

A correspondent from Stanley Bridge sends us the following:— "The Stanley Sporting Club is getting under way with some good racing for next Tuesday the 13th including two classes, B and C. This section has been famous for colt racing in the past and they still retain the same good work. These classes expect to call out some new stuff including Miss MacLeod and Nellie Josephine. These two have been specially fitted for this year's performance. The Club is figuring on a big card for a later date, a free-for-all that will take in Kensington horses and also some from Summerside."

Browns Make Three Deals

NEW YORK, Feb. 9 —(AP) — Without any fanfare, or even public admission that they have noticed the plight of St. Louis' struggling Browns, the other American baseball league clubs are shunting players to the tailenders.

The Browns have made three deals—with New York Yankees, Boston Red Sox and Detroit Tigers — since William Harridge, president of the league, reportedly made his plea for the other members to help St. Louis.

The latest of these mysterious manoeuvres sent pitcher Eldon Auker from Boston to the Browns yesterday in a straight cash transaction Previously the Yanks had sold them outfielder Walt Judnich and the Tigers had traded them pitcher George Coffman for catcher Billy Sullivan.

None of this talent is of conspicuous ability perhaps, but all of the players received are likely to help in their own way.

Auker ought to fill a starting post. For three of the five years he was with Detroit he was a topnotch flinger and in 1935 he led the American league in percentage of victories and defeats, winning 18 and losing seven.

Royals May Meet Borden On Tuesday

Junior Royals if present plans go through may face another stiff test on Tuesday night next when they meet the Boden Nationals in an exhibition game at the Forum. Plans for the game have been under consideration for the past few days but nothing definite will be known until the first of the week manager Archer of the Forum stated last night.

However, if the game does take place it will be a stiff test for the Juniors for Borden with an eye on the Maritime intermediate title have been piling up an imposing list of victories ever since the season's opening and are reputed to be one of the strongest if not the strongest intermediate team ever developed in the province.

Negro Sets New Mark For 50-yard Dash

PHILADELPHIA, Feb. 9 —(AP)— Norwood (Barney) Ewell, Penn State negro set a world's record of five seconds flat for the 50-yard dash tonight in the third annual Penn Athletic Club indoor track meet.

The former record of 5.2 seconds was set by J. Loomis of Chicago in 1914 and equalled unoffically by Ewell in last year's Penn A. C. meet.

Ewell, National Athletic Association Union outdoor 200-metre champion, finished a yard and a half ahead of Eulace Peacock, representing the Shore Athletic Club of Elberon, N. J.

Moncton Team Here For Game Tonight

Moncton's St. Bernards', smart girls basketball team from Moncton meet the Holy Name St. Pats tonight at the Holy Name gym in an exhibition game.

Both squads are anxious for a victory and fans are assured of witnessing a real bang-up struggle.

'Cats Take First Game Of Series

HALIFAX, Feb. 9 —(CP — Four third-period goals, the last of them less than two minutes before the final bell, gave Halifax Wolves a 4-3 victory over Kentville Wildcats in the first game of a best-of-five series in the Eastern Hockey League playoffs tonight.

The Cats 3-0 lead going into the third was wiped out by scores by Thomas (2), Carr--Harris and O'Connell.

CANADA'S EXAMPLE

SYDNEY, Australia —(CP) —New South Wales, biggest industrial state of Australia, plans work projects similar to those used in Canada for the relief of unemployed youths. Premier Mair is seeking the support of the federal and other state governments.

HONOR SMUTS

Jimmy Gallant High Point Getter At Sports

Chalking up eighteen points during the meet young Jimmy Gallant last night carried off the Dr. F. C. Dougan Trophy for the best all-round performer as Queen Square School, after a lapse of four years again staged a programme of ice sports and hockey that kept the large crowd in attendance in a continual state of excitement.

Finishing in secnd place behind young Gallant was Art Cantwell and Joe Martin each having two firsts and a second compared to the two firsts, two seconds and two thirds that the winner chalked up. Cantwell accounted for the other trophy up for competition when he skated to victory in the half mile open event for the cup donated by Jimmy Duffy former pupil of Queen Square.

Races, ranging from under nine years up to the open events were keenly contested throughout with many close finishes in every event, many of the skaters showing exceptional promise while the hockey game between S. D. U. and the school team; the relay race between the same two and the mirth-provoking broom ball game that ended in a scoreless tie were other highlights that added much to the program—the list of events was a lengthy one but were run off in an efficient maner reflecting much credit on the teachers of the school who had arranged the events so that there wasn't a long delay in the entire program.

St. Dunstan's squad took a close 3-2 victory from the school team in a keenly contested hockey match but the school boys had their revenge when they skated to victory in the half-mile relay event.

Following are the results of the various events:

Hockey Game

Saints icing a much heavier and much faster squad were forced to the limit to defeat the young light team from Queen Square who after being outplayed in the first two periods came back with a stirring attack in the final session to force the winners to their best efforts in order to keep their early lead intact.

Saints drew first blood less than three minutes after the game started when Carl Murphy batted home McQuaid's rebound after the Q. S. S. goalie had made a fine save. In the early stages of the session Cantwell, Q. S. S. goalie, kept his team in the running with three sensational saves and finally the hard-working school team notched up the tying tally with Hubert Paquet slamming in a pass from Bill Whalen at the 12 minute mark.

Saints continued to have an edge all through the second session and notched up the only score to run their lead to 3-1, McAdam, big defenceman going from his own blueline to skate right in on top of the Q. S. S. goalie before letting go with a drive that had goal labelled all over it.

Queen Square taking the bit in their teeth flashed their best performance in the final session outplaying their opponents and scoring the only goal of the period Paquet again being the marksman as he drove Ted Wilson's pass behind Norrie in the S. D. U. cage. Seconds later Norrie prevented Q. S. S. from tying the score as he pulled off a sensational save from 10 feet out. It was the last real scoring chance that either team had both squads checking closely to the bell.

In winning the relay Queen Square took the lead on the first lap of the eight lap race and held it throughout. Saints spoiling whatever chance they had of catching the winners through faulty passing of the baton and a spill at the start of the fifth lap of the race.

Lineups:

Q. S. S.

Goal: Art Cantwell.
Defence: Ivan Reddin, Farrel Goudet, Vince Martin, Ted Wilson.
Forwards: Ivan Whalen, Hubert Paquet, Joe Duffy, Joe Mahar, Jimmie Gallant, Amble Weatherbie, Albert Bell.

S. D. U.

Goal: T. Norrie.
Defence: Rossiter Murphy.
Forwards: McAdam, McCarey, Griffith, Bruneau, McQuaid, O'Hanley.

Dean In Deadlock With Cubs

By Charles Dunkley
Associated Press Sports Writer

CHICAGO, Feb. 9 —(AP) —Jerome Herman Dean today definitely joined Chicago Cubs holdout brigade.

"I'll starve to death before I pitch ball for $10,000 a year," said Dean explosively at the end of a futile two-hour conference with Phil K. Wrigley, owner of the National League baseball team.

Dean was paid $20,000 last season when he won only six games and had demanded $15,000 for 1940. Wrigley's offer was $10,000. After two hours of discussion, Wrigley told newspapermen and photographers waiting in another office:—

"Your subject will be out in just a minute." Then he started down a hall.

"Wait a minute," urged a reporter. "You're our subject...at least, a part of it."

"Not me," replied the retreating Wrigley. "I'm back in the gum business...thank God."

"I ain't signed,' the famous hurler began. "He offered me $10.000. I wanted $15,000. I'll starve to death before I sign for that. I'll go back to my farming place near Dallas. But there ain't no hard feelings between us. It's just business after all."

Dean said he did not expect any further conferences with Wrigley, although he will remain in Chicago until Monday.

All Stars Edge Out Hunter River Team

Scoring two goals in the third period New Wiltshire All-Stars edged out the defending champions Hunter River Royals 4-3 Thursday night in a regular scheduled game of the Wiltshire Hockey League.

Wiltshire went into the lead early in the first period on a goal from the stick of L. Nicholson only to have Noy of Hunter River knot the count with a goal towards the close of the session.

Wiltshire took the lead for the second time at the start of the middle canto on a counter by V. Deacon on a pass from Mckenzie but again Royals tied it up with B. Sullivan getting the goal on a pass from Smith. Hunter River minutes later took the lead for the only time in the game as M. McLeod sagged the twines to end the scoring for the period.

In the third New Wiltshire staged a torrid attack that netted them the winning counters, V. Deacon got the equalizer on a pass from Berrigan with R. Nicholson notching the winner on a pass from H. Smith.

Lineups:

Wiltshire	Position	Hunter River
R. Easter	Goal	K. McLeod
E. Deacon	Defence	V. Noy
H. Smith		E. Bernard
M. Berrigan	Forwards	D. Smith

Canadiens In Move To Bolster Faltering Club

MONTREAL, Feb. 8—(CP)—Montreal Canadiens, continuing the rejuvenation of their faltering club, tonight signed Tony Demers, high-scoring wingman from Valleyfield's Provincial Senior Hockey League team. Demers played with Canadiens in their National Hockey League game against Detroit Red Wings.

One of the leading scorers in the P. S. H. L., Demers was the second amateur signed in two days by Canadiens. The Habitants yesterday recruited centre Smiley Meronek from Verdun Maple Leafs of the Quebec Senior Laegue but because of illness Meronek was unable to play tonight.

In addition to acquiring the two amateurs, the tail-end Montrealers gave outright releases to veterans Marty Barry and Cy Wentworth and brought up defenceman Armand Raymond from the International-American League.

SEABISCUIT IS THIRD

LOS ANGELES, Feb. 9—(AP)—Seabiscuit came back to the turf wars after a year's lay-off today and ran a creditable third to Heelfly and Sun Egret in a seven-furlong race at Santa Anita Park.

Seventeen-thousand fans turned out to see the seven-year-old ex-stake champion run his initial "comeback" race.

INVENTORS DIES

PHILADELPHIA, Feb. 9—(AP)—Martin O. Rehfuss, 82, credited with a score of inventions ranging from a machine-made dental burr to a rotary mimeograph, died today. He was a son of the late George Rehfuss, who invented a buttonhole sewing machine.

APPOINTED MANAGER

MONTREAL, Feb. 9—(CP)—President Hector Racine of Montreal Royals announced today that Clyde Sukeforth has been appointed manager of the International Baseball League club for the 1940 season.

The former big league catcher managed Elmira, N. Y., in the Eastern League last season
