We have to chronicle this morning the death of Mrs. Wm. Mutch, which occurred at Hopeton, yesterday morning. Mrs. Mutch was the daughter of the late Rev. Mr. Douglas one of the pioneer clergymen of this Island.

COLIN FERGUSON, son of Senator Ferguson, of P. E. I., has just won the classical scholarship (\$100 per annum for two years) at McGill University. He stood the highest in his class.—Moncton Times.

THE SS. Coban sails from Montreal tomorrow morning Oct. 4th. She will be due at Charlottetown Friday morning Oct. 7th, and sails for St. John's, Nfld., via North Sydney. For further particulars see adv. or apply to PEAKE Bros. & Co.

MR. JOHN D. SUTHERLAND, eq. j. Fisheries Department, Ottawa, is visiting friends in the city. He will remain on the Island about three weeks. Mr. Sutherland reports Mr. E. Bayfield Williams, who was ill with typhoid fever in Ottawa, now past the critical stage but still unable to leave his rooms.

THE Charlottetown Engineers, under command of Major Weeks, were inspected at Victoria Park Saturday by Captain Twining, R. E., Kingston. The corps paraded at the drillshed at 9 o'clock, whence they marched to the park. There was a good turnout of both officers and men. Col. Forester was banquetted by the officers at the nearby room Saturday night.

THE GUARDIAN congratulates Mr. L. A. Hazard on his success at the Halifax exhibition. His poultry were brought over on the Princess Friday evening, and out of 14 entries he secured 13 prizes, another instance of P. E. Island sweeping the list. Following are the prizes:—1st and 2nd for Black Spanish, 1st and 2nd for Buff Plymouth Rock, 1st for Partridge Cocks, 1st and 2nd for Black Rose-combed Bantams, 1st and 2nd for Black Breasted Red Game Bantams, 1st for Japanese Bantams, 1st for Panter Pigeons, 1st for Swallow Pigeons, 1st for White Fantail Pigeons.

THE National History Society had a pleasant excursion to Governor's Island on Saturday with several lady and gentlemen guests. The day was spent in collecting and discussing specimens. Refreshments were partaken of at the Island. The party went out at 11 and returned at six o'clock.

SERVICES every afternoon at 3 p. m. and in the evening at 7.30 p. m., will be held in the Kindergarten hall in connection with the quarterly meeting of the Christian churches of P. E. Island. On Tuesday afternoon at 4 o'clock Miss Riobch, Missionary from Japan, will speak to a meeting for women only. To this meeting women of all denominations are specially and cordially invited.

THE quarterly meeting of the Disciples of Christ of P. E. Island, was begun yesterday in the Kindergarten hall. Rev. Donald Crawford, of New Glasgow, preached two very stirring sermons. At the evening service quite a large audience greeted this veteran preacher, who is very well known throughout the province. A pleasing feature of the service was the singing of a hymn in the Japanese language by Miss Riobch, a returned missionary from Tokio, Japan. The meetings of the quarterly will be held every afternoon and evening during this week. Several of the ministerial brethren will be present at the meetings.

COURT BEAU-JOUR. I. O. F. of Clifton, held a very enjoyable supper in their hall last Friday evening in honor of their having won the prize, a very fine Dominion organ worth \$100, offered by Mr. F. S. Jost, High Chief Ranger, to the Court securing the greatest number of members during the past forest year. The number secured by this Court was 55. There were about 200 present. Captains G. O. McLeod president. Excellent speeches were made by P. H. C. R., F. S. Jost, and H. C. R., John M. Clark, both of whom congratulated the court on the satisfactory results of the past year. There were also several songs, readings and recitations, all of which were thoroughly enjoyed by the audience. After the program a supper, to which full justice was done, was partaken of from tables loaded with all the delicacies procurable and large enough to accommodate all the guests at one sitting. The court room had been transformed into a veritable banquet hall, having been very tastefully and artistically arranged for the occasion. Following is the program:—Solo by D. K. Shaw, recitation by Miss Eveline McLeod, solo by Mr. James Ready, recitation by Miss Edith McKay, music by Mrs. Ready and Mr. Ready, jr., recitation by John Delaney, solo by M. D. Ready, reading by Mr. Gordon McKay, song by Major Whitehead, music by Mr. and Mrs. Ready and Mr. Ready, jr.

THE postponed concert was given in Atton Hall Thursday evening with great success. The hall was packed. Mr. George Wilson, New Dominion, presided. A few of those whose names appeared on the program failed to appear, but their places were amply filled by the excellence of the selections rendered. Misses Flo McKenzie and Edith Stewart gave readings of unusual merit, while Miss Bell Stewart and Miss Jean Wright, though young in years, are gifted with richly developed voices and proved accomplished soloists. Mr. Frank McLean's vocal solo and Miss Bessie Stewart's piano solo were excellently rendered. The different pieces were interspersed with pipe music by Mr. Peter Ferguson, which was greatly appreciated. Dancing Gillie Calum, by Malcolm McNeill and his brother,

Silas McNeill took the audience by storm and they had eventually to comply with the demand to dance in competition which they did. At the close of the program Mr. James McLean moved that the thanks of the meeting be extended to those who took part. The motion was supported in neat addresses by Messrs. Dugald Currie and John McMillan after which it was unanimously carried and three rousing cheers were given for Piper Ferguson.

Queen Square School Sports.

The annual sports of the boys of Queen Square School held at the C. A. A. Grounds Saturday afternoon, were a grand success. Over 200 boys were in the parade to the grounds at 10 o'clock and the marching of the boys of the higher classes to the beat of the school drum would do credit to any of our militia companies.

The attendance at the grounds was small but the contests were thoroughly enjoyed by the boys and those present. Following are the results:—
