 IN MEMORIAM  
 WILLIAM D. FITZPATRICK.  
 On Wednesday August 19th, the angel of death visited the home of Mr. and Mrs. John Fitzpatrick Woodville Mills and wafted away from their midst their dearly beloved son Wm. D. at the early age of 30 years.  
 Deceased had been in failing health for about two months previous to his death and despite all that medical skill and loving care could do he calmly breathed his last on above mentioned date.  
 In all his sufferings he was never known to complain, but trustful and cheerful always he awaited the end.  
 For the past five years he performed faithfully and well the duty of mail-driver via Cardigan to Launching on which route he made many friends by his willingness to do for them any favour in his power. During his illness he was frequently visited by Rev. Fr. Gillis, Cardigan and by his pastor Rev. Fr. J. C. McDonald who administered to him the last rites of the Catholic Church.  
 He leaves to mourn their loss besides his sorrowful father and mother, five sisters, and four brothers:—Mrs. Reuben Coffin Old Town, Me. Mrs. Geo. **To End Trafficking In Illegal Drugs**  
 LONDON, Sept. 18.—An agreement has been signed between Lloyd's and the Institute of London Underwriters with the object of preventing trafficking in illicit drugs. It will have effect in all world ports where British companies operate, and will start working as soon as the agents are notified.  
 The underwriters say this is one of the severest blows yet dealt to the illicit drug dealers and that it will have a tendency to reduce shipments of this kind materially.  
 Decision to take the step was reached after the assembly of a series of opium, heroin and cocaine were being shipped illegally to the United States and Canada as well as the Far East from Persia, China and other producing countries under numerous misrepresentations which the agreement known as the dangerous drugs clause intends to eliminate.  
 Shipments of the drugs will be insured at heretofore subject to government authorization and certificates.

**Mulcahy "Egged" On New York Pier**  
 HOBOKEN, N. J., Sept. 18.—A crowd of Irish Republic sympathizers to the United States and Canada, egged General Richard Mulcahy, formerly commander-in-chief of the Irish Free State army, and his escort as they landed on the pier here tonight from the steamer "President" which had been rescued by police reserves after a riot call had been sent in.  
 Several of the eggs struck the Irish soldier and although General Mulcahy was not injured physically, one of his three attendants was struck on the forehead over the eye with a block of wood.  
 Reserves Called.  
 There were only three policemen on duty at the dock and these, aided by the pier watchmen, kept the crowd back until reserves responded to a riot call and escorted the General in an automobile away from the scene.  
 Many of the women had banners and black flags which they waved at the party of visitors. Shouts and jeers accompanied each volley of eggs. When the police arrived they were also jeered, the crowd addressing them as "black tanks."  
 Two women and a man were arrested charged with being disorderly persons.

**Chaldean Priests Appeal to League**  
 GENEVA, Sept. 18.—Chaldean priests who have escaped into British territory, have appealed to the League of Nations to protect Christians in Turkey.  
 The British high commissioner at Baghdad has transmitted to the secretary-general of the League telegrams from the priests charging that the Turks confiscated the property of all Christians in the Goyan territory and then deported the entire population at point of the bayonet. Old men, women and children were treated as brisquely as their harder friends.  
 The priests assert that they themselves barely escaped slaughter.  
 This protest arrived only a few hours after the Turkish delegation here, acting upon information from Angora, officially denied the British charge of deportation of Christians from Turkey.

**THE MARKETS**  
 (Canadian Press.)  
 MONTREAL, Sept. 18.—There was some enquiry from United Kingdom buyers for Manitoba spring wheat on the Montreal market today and sales of old loads in a nearby position were made. In addition to this a little business was also transacted in oats. The demand for barley was very indifferent and the volume of trade on the whole was small. The domestic cash grain market was dull, there being little demand from any source for supplies and outside of sales of one or two loads of No. 3 barley at 74 1/2 cents per bushel, c.i.f. and a few cars of Ontario, and Quebec No. 2 white at 48 1/2 to 49 cents per bushel, ex-track, little business of any importance was done. There was no important change in the condition of the local flour situation. A moderate amount of business was done in both spring and winter wheat grades at steady prices. The tone of the market was all lines of mill feed was steady and the volume was moderate. The movement of standard grades of rolled oats was fair and prices were unchanged. The egg market was without any new feature to note, business being active and prices firm. A steady feeling prevailed in the butter market and the trade was active. Considerable business was transacted with English importers in cheese and prices were steady. Beans were selling at \$2.40 to \$2.50 per bushel.  
 Eggs.—18.—The egg market continues firm under the recent price advance. No change in either prices or tone is noted from any Canadian points today. A further increase is noted in fresh egg prices from Chicago and New York. Canadian storage holdings up to the 1st of September were 16,256,337 doz. eggs. Toronto firm and unchanged, jobbing specials 44, extras 42, firsts 38, seconds 34. Montreal egg market continues firm with no change. The general feeling is that prices advanced too quickly and buyers are holding off as a result. Sales of fresh extras were made at 48, firsts 42, Winiipeg jobbing extras 38, firsts 35, seconds 31. Edmonton eggs, market firm with good demand. Jobbing at 48, firsts 46, seconds 30. Calgary unchanged. Dealers quoting country points extras 32, firsts 28, seconds 26. Vancouver egg market is firm and unchanged. Jobbing extras 48, firsts 46, seconds 30. Live poultry in steady and unchanged. Charlottetown receipts are unchanged with the demand good and market firm. Wholesalers are paying country points extras 34, firsts 30, seconds 25.

**COMMUNION SERVICES AT CLYDE RIVER PRESBYTERIAN CHURCH**  
 The services held in the Presbyterian Church at Clyde River in connection with the Presbyterian Church in Canada during the recent communion season were in every respect successful and helpful.  
 The first meeting was held on Thursday September 11th and although the evening was somewhat damp quite a nice congregation was present.  
 On Friday evening Rev. R. H. Staver was assisted by Mr. H. Warren Allan, Student Catechist, who has been supplying in Pictou, N. S. during the summer. Mr. Allan's address which was of a high order was enjoyed by all.  
 On Sunday the services were very impressive and largely attended. Just before the communion service which followed the regular service on Sunday morning, thirteen members were received into full communion—eleven on profession of faith and two by certificate.  
 The reception of such a large number at once was an army with which to be forgotten and left a deep impression on the audience.  
 The communion service following was deeply solemn and touching in its nature at the five o'clock service Mr. Staver spoke from Luke IX, 51. "He steadfastly set His face to go to Jerusalem."  
 In making the application of his text at the close of his general address among other things showed how that the Jerusalem to which the Master is calling the people of the Presbyterian Church in Canada to go up, is that of bringing back the old church in the course of a few years to her former strength and glory so that in days to come even more than in the past she will go forward "bright as the sun, clear as the moon and terrible as an army with banners" and that God is on the side of the old Presbyterian Church today as He has always been in the past there is no doubt.  
 In various ways and almost every day new evidences of this are being brought home to the people.  
 Even in the new and deeply solemn atmosphere which pervades all Presbyterian gatherings since the time of the purging is striking evidence of the willingness of God to reveal Himself to the select and every loyal people as never before.  
 Every individual who has reaffirmed his or her loyalty to the doctrines of their grand old church is urged to get ready to do their part in this great task. If all are found faithful it will not be long before we shall have come triumphantly through the storm which has rent the beloved church of our fathers from ocean even unto ocean" may it be that all shall hear the call to go up to this their Jerusalem and be found ready to take up their tasks.

 In Hampton, and Rev. A. J. Munro, who has come from Ontario and is working in Moncton were present and each spoke briefly. Others attending the meeting were: Rev. R. Moorhead Legate, clerk of Presbytery, and Rev. W. J. Britton, both of Saint John; Rev. E. J. Kerr, St. George; I. W. Hutchinson, W. M. Clark, of Fredericton; H. A. Campbell, Hampton; Arthur Sansom, Stanley, and Dr. G. G. Corbet, Saint John.  
 STUDENT RECEIVED.  
 The Presbytery received an application from a Methodist theological student, R. Fitzpatrick, for admission to the Presbyterian church with a view to entering its ministry and decided to receive him under its care. A resolution was passed that the St. Andrew's congregation in Fredericton should be asked to make arrangements for Mr. Fitzpatrick's employment in supply work in the neighborhood of Fredericton so that he could attend the University during the week.  
 The following committees were appointed: Home and foreign missions; Rev. W. M. Townsend, convener; Rev. W. M. Fraser, Rev. A. J. Hack, Rev. Dr. J. A. Morrison, Dr. Murray MacLaren, M. P.; I. W. Hutchinson and C. J. Lawrence, Religious education; Rev. E. J. Kerr, convener; Rev. J. W. Britton, G. W. Boyd and Clark Elliott, gale, convener; George M. Robertson, treasurer of Presbytery and W. M. Clark.  
 The Presbytery decided to proceed to raise a fund to be placed at the disposal of the finance committee for the purpose of providing the supply of ordinance in the weaker churches.  
 W. M. Clark of Fredericton reported recent gifts of communion kitchen equipment for school hall of St. Andrew's congregation and between 200 and 300 books for the Sunday school. Folding tables were shortly to be presented to the congregation, he said, and announced that the congregation was trying to get a minister from Scotland to whom a salary of from \$2,500 to \$3,000 a year would be paid with a manse provided.  
 When the meeting ended at the close of the afternoon session, the Presbytery was adjourned until the second Tuesday in December.  
 MORNING SESSION  
 It was resolved to adjust the roll of the Presbytery by dropping the names of all former members who had united with the United Church of Canada; also to notify the clerk of the General Council of the United Church of Canada of the names of ministers in the Saint John Presbytery, who do not intend to become ministers of the United Church.  
 (W. M. Clark, of Fredericton moved that the director of the synod be thought as to whether communicant members of minority groups should notify the clerk of the sessions in the former congregation not to retain their names on the roll of the United Church. In view of the meeting of the synod of the Maritime Provinces in New Glasgow, N. S., in October, it was planned to have every congregation and non-concurring group represented. This was left in charge of Rev. F. G. Mackintosh.)  
 The following elders' commissions were added to the roll: W. M. Clark, St. Andrew's church, Fredericton; Robert Campbell, Hampton; George W. Boyd, St. Stephen and Arthur Sansom, of Stanley. The clerk reported that there had been issued certificate of status to Rev. R. J. Millar, formerly of Grand Falls, but now of St. Andrew's, East Quebec.

**MINORITY GROUPS.**  
 In speaking of the minority groups which have organized as congregations and are functioning, he said there were found in Matapedia, Tide Head, Flatlands, Campbellton, New Mills, Jacques River, Bathurst, Chatham, New castle, Passanite, Red Bank, Whitneyville, Moncton, Sussex, Saint John, St. Stephen, Fredericton, Salt Springs and Scotch Settlement. Mr. Mackintosh said also that in almost every congregation of the Miramichi Presbytery the Presbyterian Church in Canada was functioning or would be in the near future, and the same statement would be almost equally true as regards the Saint John Presbytery, and there were no doubts about getting men to man the fields.
