W. K. ROGERS, Manager P. E. Island Branch, Canada Life Ass. Co., Charlottetown, P. E. Island

DEAR SIR—I have just received a notice from the Canada Life saving that my \$2000 straight life policy, which I took out in 1875 is now worth \$3,137.50. When I consider that the profits added to this policy alone amount to as much as the premiums I have paid. I certainly feel that I have been fortunate to insure in such a Company. They have carried the risk on my life for \$2000 from the start for an annual premium of \$39.20 and since the first year the amount of insurance has been rapidly increased until as stated above I am now insured for \$3,137.50.

These results are so satisfactory that I have decided to take another \$2000 policy with the Company. Wishing the Company the success it merits, I am Yours truly, MAURICE BLAKE.

Rates or particulars will be willingly supplied by any Canada Life Agent.
