ABEGWEIT HOCKEY COMMITTEE MET YESTERDAY AFTERNOON

Hockey Will be Returned to The Map This Winter is Prediction of Club Officers.—Great Preparations Under Way For One of The Biggest Seasons in History of The Association.

By ("Tec.")

Dynamic enthusiasm intermingled with an air of greatest optimism and good cheer prevailed at the first meeting of the Abegweit hockey committee, composed of chairman Byron Brown, Dr. Ira J. Yeo and manager Ernest E. Parkman, which was held at the Rovers Hotel yesterday afternoon.

Manager Parkman interviewed by the writer last evening waxed eloquent on the huge hockey campaign mapped out for the red and black aggregation this season. He stated that every obstacle in the way of rounding a team into a first class and efficient body of puck chasers would be overcome, and he felt certain that the Abegweits of this year will be a rejuvenated band capable of coping with any amateur sextet in lower Canada. In speaking of the team and training methods, etc., Mr. Parkman wishes it to be emphatically understood that no quarrel will be about in the selection of Charlottetown's representatives in the Maritime hockey world this winter, saying that each and every player will be given the same consideration during practice and that the athlete making the grade has got to be on a par with the best of the lot.

How the falls—such is the hard and fast resolution made by the committee, and is a commendable one. With respect to a coach the writer was informed that nothing definite has been arranged, suffice to say that the team will work out under the eyes of an experienced man who knows all the tricks and is familiar with every branch of the game. The committee decided to order new uniforms and other rigging, the design of the former to be left with the executive committee which meets shortly.

Cecil Dye To Play Professional Ball An Earthquake

NEW YORK, Dec. 11.—Cecil ("Babe") Dye, captain of Toronto's professional hockey team, is also to play professional baseball for the Queen city. His outright purchase by the Toronto Club of the International Baseball League from the Buffalo International Club was announced here today by President Sam Robertson, of the latter club.

Scott Is Expected To Quit Baseball

NEW YORK, Dec. 11.—Everett Scott, Washington utility infielder, who created a major league record of playing in 1,307 consecutive games between 1916 and 1925, as a member of the Red Sox and Yankees, is ready to announce his voluntary retirement from baseball.

Stanley Harris, manager of the Washington Americans, revealed this today while discussing the situation for Washington next year.

"Roger Peckinpaugh will be back at his old berth at shortstop next year, but I expect to hear of the voluntary retirement of Scott at any time," he said. "Scott has opened up a profitable bowling alley business in Fort Wayne, Ind., and I don't expect him to report in the spring. Find me a better shortstop in the American League than Peckinpaugh and I'll use him if I can get him. I also have Buddy Myer to use in a utility capacity. Myer is an infielder of wonderful ability. I expect him to develop into one of the stars of the game."

Red Head Captains

SOUTH BEND, Ind., Dec. 11.—Two red heads, Tom Hearndon and Eugene Edwards, will divide the honors of captaining the 1926 Notre Dame football squad. The election resulted in a deadlock and the squad decided the men would rotate the honor. Edwards, a junior, is from Weston, W. Va., and Hearndon, also a junior, is from Green Bay, Wis.

Notre Dame is the second eleven this year to elect two men as captains, for Missouri decided on the same course after its election resulted in a deadlock.

Player-Writer In Major Leagues Hit

NEW YORK, Dec. 11.—After registering disapproval of player-writers in major league ranks by a chapter vote of 6 to 1, the Baseball Writers' Association of America today decided to reconsider the question.

The eleven chapters of the organization will be asked to ballot again on a definitely defined resolution to be drawn up by a committee headed by William Brandt, of Philadelphia. Agitation over the player-writer became prominent during the last world series when Commissioner Landis, in Pittsburgh, called Roger Peckinpaugh, Washington shortstop, before him for an explanation of a story published over Peckinpaugh's name expressing criticism of an umpire's decision. Manager Bucky Harris and "Muddy" Ruel, Senator catcher, both player-writers, also attended this hearing.

Gotham Team Is Outplayed

OTTAWA, Dec. 11.—Scoring their third consecutive shutout Ottawa Senators sent New York to a 3 to 0 defeat in a scheduled league fixture here this evening. The Senators won by three goals but it is only fair to say that only Vernon Forbes stood between them and a much larger margin.

Completely outplaying the New Yorkers at every stage of the last two periods, the Senators made the Gotham team look very ordinary. In the two final periods, Forbes turned 30 shots aside.

Burch Outstanding Star

Billy Burch was the outstanding star of the visitors and turned in a grand game, but the persistent attack of the Ottawas frustrated any attempts the Americans made at combination and the individual efforts were practically smothered. Ottawa's defence tonight consisted of a relentless attack that had the visitors fighting desperately to stave off goals for the major portion of the game.

PICTURE FANS WILL HEAR GOOD MUSIC

Mr. Ben Wagner, Violinist, of Montreal is now installed at The Prince Edward. And Mr. Eiden-Elliott, Pianist, also of Montreal, Arrived Last Evening.—Mr. Wagner. Available For Teaching.

For two years Mr. Spencer has been negotiating with Mr. Ben Wagner, Montreal violinist, with a Maritime Province engagement in view, and last week met Mr. Wagner in Montreal, and engaged him for Charlottetown. Mr. Wagner has played first violin at the Capitol Theatre, Montreal, the largest picture house in Canada, for several years, and has played in and led orchestras in the leading hotels and cabarets in that big city. Mr. Wagner is prepared to take violin pupils, and will also be available for outside engagements, as his regular days at the Prince Edward are only Wednesday and Thursday.

Mr. Sidney Elliott, pianist, also of Montreal, who likewise has had years of metropolitan experience, arrived last evening to join the Prince Edward staff, and, with his wife, who will arrive later, may be counted upon as permanent Charlottetown residents.

All this indicates a disposition on the part of the Prince Edward Management to provide the very best available for their patrons.
