NERVOUS BREAK-DOWN

Pains in Back and Legs Relieved by Lydia E. Pinkham's Vegetable Compound

Ford, Ontario.—"I had a nervous break-down, as it is called, with severe pains in my back and legs, and with fainting spells which left me very weak. I was nervous and could not sleep nor eat as I should and spent much time in bed. I was in this state, more or less, for over two years before Lydia E. Pinkham's Vegetable Compound was recommended to me by my neighbor. Before I had taken five doses I was sitting up in bed, and when the first bottle was taken I was out of bed and able to walk around the house. During my sickness I had been obliged to get some one to look after my home for me, but thanks to the Vegetable Compound I am now able to look after it myself. I have taken Lydia E. Pinkham's Blood Medicine in turn with the Vegetable Compound, and I certainly recommend these medicines to any one who is not enjoying good health. I am quite willing for you to use these facts as a testimonial."—Mrs. J. Shepherd, 130 Jos. Janisse Avenue, Ford, Ontario.

Nervousness, irritability, painful times, run-down feelings and weakness are symptoms to be noted. Women suffering from these troubles, which they so often have, should give Lydia E. Pinkham's Vegetable Compound a fair trial. All druggists sell this medicine.
