Dairymen, Packers And Jaycees Win In Softball

The Sunshine Island Dairy, Canada Packers and the Jaycees won the City League softball games on Monday night. The Dairymen defeated the Liguorian Youth Club 6-1 in a well played game on the Old Diamond.

Canada Packers nosed out the Bowery Bombers 11-10 in another well played game at Parkdale while the Jaycees were awarded the game against the City Slickers when the City nine displayed conduct unbecoming a ball team.

Ced Ballem pitched three hit ball for the Dairymen in their victory over the L.Y.C. Clarence Peters of the L.Y.C. also came up with a fine pitching performance as he held the Dairymen to five hits.

The L.Y.C. went into a 1-0 lead early in the game and the Sunshine Dairy men came back to tie up the game in the third. In the sixth they scored five runs to win the contest and move into third place in the League standings.

Jim Gauthier pitched all the way for Canada Packers in their win over the Bombers. Jimmy Hughes hurled for the Bombers. Doiron of Canada Packers hit a home run while Duke MacCallum of the Bombers hit two triples.

The Junior Chamber of Commerce had a comfortable lead over the City Slickers when League President Wendell Gillis awarded the game to the Jaycees.

Sonny Stull pitched for the City Slickers and Neil Young worked on the mound for the Jaycees.

Curran & Briggs Jrs. Defeat MCA Team 12-2

—The Curran & Briggs Juniors, playing almost flawless ball behind Dee Lefurgey's two-hit pitching, defeated the MCA ball club from Charlottetown at the Queen Elizabeth Park in Summerside last evening by the score of 12-2

Red MacKenzie allowed eight hits in four plus innings, including a home run and three triples, and gave way in the fifth to Lefty McAleer, who allowed two hits in two complete innings. Young Lefurgey, who didn't allow any safe bingles until the last inning, then giving up singles to Burke and Trainor, also hit a home run in the fifth. Others prominent in the attack were Coke Grady with 2 for 3, and Maurie Cannon who belted two triples in three trips. Fielding highlights were Coke Grady's catch of Burke's Texas Leaguer in the fourth, Glen Matheson's gathering in after a long run of Joe Dalton's foul in the fourth, and Paul Schurman's of Brian Lewis' foul near the screen in the sixth.

The game is under protest by the M. C. A.

Johnnie Kalmuck Wins Twice At Opening Meet

Big Johnnie Kalmuck, the crowd pleasing favorite owned by Walter Kelly of Southport, came pacing down the stretch twice last night to nose out Babe Britton and win both dashes of the feature event in the opening night's races at the Charlottetown Driving Park.

A large crowd of fans looked on as Johnnie Kalmuck paced his way to victory with a length to spare in the first dash and then finished fast in the second race to beat Babe Britton at the wire in a finish that was decided by the camera.

Babe Britton, driven by Len O'Meara, led most of the way in both dashes. Miss Knox finished third both times and Argot Pointer, who raced the first dash, was withdrawn for the second on account of lameness.

Gahagen set a new mark in the third race by covering the mile in 2.14, the fastest time of the night. Elwood Shaw gave Gahagan a beautiful drive as he took the big black horse up from fifth place at the five-eighths pole and won by at least two lengths.

Esso, driven by O'Meara, set the pace for almost three quarters of the way, followed by Dean Swift and Dale B. Gahagan came up on the outside to take over the lead at the three quarter pole and keep pulling away from the pack.

Esso won the second dash of the event by going out front at the starting wire and beating off a strong finish by Dale B.

Kepppoch Playgirl and Whispering Hope split honors in the first and fifth races. Both horses led their respective fields throughout the two dashes.

Roma Budlong won the first dash for trotters by passing Sonny B. at the five-eighths pole in a bitterly contested race, and the sleek trotter Royal Scott Jr. won the second dash of the event.

The daily double on Roma Budlong and Gahagan paid $142.70. Win ticket pays on Roma Budlong were $22.80 and on Gahagan $17.90.

Canadiana Wins Easy Victory In Queen's Plate

By JACK SULLIVAN
Canadian Press Staff Writer

TORONTO, (CP) — Canadiana, the wonder horse of 1952 in Canada and a frivolous filly in 1953, was the darling of the country's turf followers today.

The quiet-mannered bay, quoted at the almost-ridiculous 8-to-5 winter-book odds, make it look ridiculously easy Tuesday as she whipped the cream of Canadian-bred three-year-olds in the 94th renewal of the Queen's Plate. It could hardly be called a race.

The E. P. Taylor horse broke in front of the 19 starters at the gate with jockey Eddie Arcaro aboard and just breezed in to win the Queen's 50 guineas and the record-breaking purse of $20,570 for the classic. Victory gave Arcaro a clean sweep of the important stake races on the North American continent.

"She's a sweetheart," a jubilant Arcaro said after the race and there wasn't one in the 26,000 crowd who would disagree with the jockey rated as tops in the business. Canadiana negotiated the nine-furlong distance in 1:52.1, just one-fifth second off the plate record, but she certainly could have bettered the mark if there had been a horse around to give her a battle.

Blue Scooter, second choice at 7-to-1 and owned by Jack McIntyre of Toronto, placed second 5½ lengths behind and Lively Action, a stablemate of Canadiana, took the show position another four lengths behind.

Canadiana, which closed at odds of 3 to 5 paid $3.20, $2.70 and $4.20. Blue Scooter returned $5.10 and $5.30 and Lively Action $4.20.

The rest of the field was strung out. Virginia Fair, the pride of the Prairies owned by J. A. Charlesworth of Edmonton, showed the way to Western Canada horses with a fifth place behind Belflares, the 70-to-1 long shot in the field owned by the Armstrong brothers of Brampton, Ont.

Track conditions wern fast with the sun beating down on the Coronation Day crowd after days of rainy weather and the fans were in a betting mood. They plunked down $149,655 on the plate alone with $67,098 wagered on the Taylor entry.

Irishman Wins Golf Ch'ships

HOYLAKE, Eng., (AP) —Irishman Joe Carr, followed by a cheering section of priests and thousands of Dublin golf worshippers, gathered the remnants of his game Saturday to win the British amateur golf championship with a two-up victory over Harvie Ward of the United States.

Queen Victoria reigned 63 years from 1837 to her death in 1901 when she was 81 years old.

New Pond Constructed At Head Of Fortune

A new by-pass pond, which promises to be one of the most rewarding stretches of trout fishing water in the Province was constructed last week at the Head of Fortune.

In one of the most inaccessible spots on the Island two giant bulldozers, the property of Matheson and MacMillan, road contractors, working steadily for fourteen hours, threw up a barrier across one of the best trout streams in the Province.

The stream, better known farther inland as Deep Brook or Black Brook, has been noted for its big trout down through the years. The new by-pass, however, is located three miles nearer the sea, almost at the point where the tide meets the flow of fresh water from up-country.

• • •

To reach the site, the bulldozers crashed their way through trees and undergrowth for almost half a mile. There was no other choice because thick woods and swamp make all approaches difficult.

The area flooded by the dam is at least one hundred acres in extent and in places is nine feet deep. The barrier of earth holding the water in check is 50 feet wide and about eight feet in depth and most sturdily anchored on each side by the favoring contours of the land. The by-pass itself takes the overflow from the contained body of water easily and naturally, and there should be no undue strain on the dam at any time.

It will be good news to all fishermen that this habitation of Fortune sea trout will be thrown open to the public.

Mr. Neil Ross Senior, owner of the entire property surrounding the pond, has announced that a limited number of boats will be available for the use of local fishermen, and of course tourists. Mr. Ross and his son Neil Junior, have contemplated such a development for years, and are more interested in seeing their dream realized than in any profits which may accrue from the monies expended.

Though the property is highly regarded as a resting place for ducks and geese the Rosses propose to have it regarded for a time at least as a bird sanctuary. As such it will be valuable as a breeding ground for the lordly Canadian goose, and many species of ducks.

It is traditional that the Ross family should be connected with mill-dams. A brother of Neil Ross, Sr., is the owner of the mill at Bridgetown, and another brother operates the saw-mill at Sturgeon. Until quite recently Neil Ross Sr. was the proprietor of the mill at the head of St. Peter's Bay, formerly in the possession of the Quigley family.

Fishermen who visit the pond will recognize immediately its great possibilities. Enclosed as it is by a fairly wide belt of woods on all sides, and accessible only by swampy by-paths, it might well be some remote corner of Northern New Brunswick, or Quebec. It can only be fished from a boat, and the point of departure for any boat can only be reached after a walk of hundreds of yards through semi-swampy woodland.

• • •

No fishing will be permitted until mid-June or later, and Sunday fishing will be prohibited by the owner, Mr. Neil Ross.

The construction of the dam is being lauded as an example of what can be done by private enterprise to enhance the tourist attractions of the Island.

It is predicted that this semi-wild section of country will yield many a day's pleasure to Islanders and tourists alike in the years to come.

It is not the intention of Mr. Ross that the dam be over-run with too many fishermen, and for that reason no one will be allowed to enjoy fishing privileges without the owner's consent. This will be freely granted but only when one of the limited number of boats available is not in use.

Well Known Race Horse Drops Dead

DETROIT, (CP) — Dr. Stanton, third money-winning pacer of 1952, owned by W. L. Frazer of Forest, Ont., dropped dead Tuesday during a workout at Hazel Park harness raceway near here.

The 12-year-old black gelding, bought for $500, had won $171,922, according to the United States Trotting Association.

The pacer collapsed while Frazer was putting it through a workout. An internal haemorrhage was the cause of death.

Willie Pep To Continue Career

(By Murray Rose)

NEW YORK, (AP)—Willie Pep, the last of the master boxers still active in the ring, continues his career "just for the dough."

"Another year, maybe, and then I'll call its quits," said the sad-faced little man with dark, brooding eyes. "I need the dough."

Close to half a million must have slipped through Willie's hands since he started his illustrious career some 14 years and 183 fights ago.

A yen for gambling and high living, and marital troubles, have bankrupted the little Italian from Hartford, Conn. Willie hasn't much to show for his long career except his clippings—and the admiration of the trade for his consummate skill.

Abbies Defeat RCAF 4-1 In Game Under Lights

The Charlottetown Intermediate Abbies made their first start under the lights at Memorial Field a memorable one as they defeated the R. C. A. F. Royals 4-1 Monday night on the two-hit pitching of Donnie MacLean and the clutch hitting of Jack Ready and Buck Whitlock. The game was the first in the Island Baseball League.

The lights were declared ready and the baseball season opened with an impressive ceremony at home plate held under the direction of Brigadier W. W. Reid, D.S.O., E.D.

Congratulatory messages were given by Senator J. Walter Jones, Hon. A. W. Matheson, R. R. Bell, Q.C. All spoke of the great achievement of lighting the field and urged the fans to patronize the games and make full use of the facilities.

Also present on the field were Dr. L. W. Shaw, Director of Education; Hon. Dougald MacKinnon, Minister of Public Works, George Walters, President of the Abegweit Club; George Francis and Arthur Gaudet.

MacLean opened the season with a brilliant pitching display for the Abbies. The tall righthander held the Air Force batters hitless until the sixth inning when pitcher Taylor connected for a double. Up to that time the Air Force had not hit a ball to the outfield.

The Abbies pitcher struck out ten batters and walked only two men. He surrendered one run in the seventh inning and it was unearned.

MacCready started on the mound for the Air Force and was going well until an infield error with two men out set the stage for his downfall in the third. He was relieved by Taylor.

The Abbies scored two runs in the third on an error, Jack Ready's double and two walks. There were two men out when Baker missed Joe Coyle's high infield fly. Ready then connected for a double to send Jackie Cairns across the plate. Successive walks to Whitlock and Ryan forced another run across.

The Abbies got two more in the fifth when Ready singled and Buck Whitlock hit a home run. Whitlock's homer cleared the snow fence around the 260 foot mark.

Gaudet of the Air Force made the outstanding fielding play of the game when he hauled down Joe Coyle's fly ball after a long run.

Intent Through With Racing

NEW YORK, (AP)—Intent, winner of the Santa Anita Maturity and San Juan Capistrano races on the Pacific Coast, is through with racing, his career cut short by a bowed tendon.

The Brookfield Stable, owned by Harry Isaacs of Baltimore, said the five-year-old son of War Relic turned up lame while preparing for the Suburban Handicap.

The horse likely will be placed in stud at the Circle M farm near Lexington, Ky.
