

CAMPUS COMMENT

What is your reaction to Maclean's rating U.P.E.I. second to last?

Disappointing, but at least we're not last.

Peter Ryan, Business III

Well, I really don't take too much stock in surveys, they have been wrong before and in this case I think that they are.

Gertie, Cashier at Pit

Well, what to say about coming in second last. Well, that's casual! I'm here to get an education and maybe even have some fun. I'm not here to be judged!

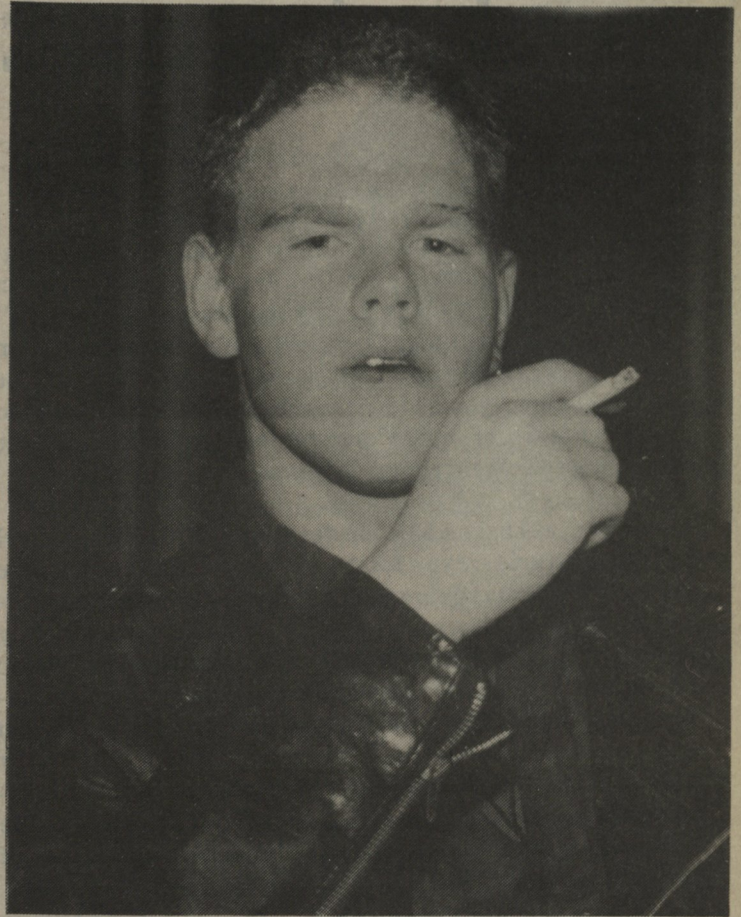

Bob MacKay, Arts I

Unfair, UPEI may be a small university, but I think it is great.

Lori MacDonald, Arts III

I don't know what the criteria were. Not all of them, that is. Those I heard about seemed to have little to do with fundamental academic merit.
