When they don't have anything else for excitement in the Celestial Kingdom, they pitch out poor old Li Hung Chang. He must feel like a baseball player with a glass arm.—Lawiston (Mo.) Journal.

The Chinese toilet is an unsolved mystery to the rest of the world, but it is probable that Li Hung Chang, stripped of his yellow jacket and peacock feathers, still has a bathrobe for state occasions.—St. Paul Globe.

When they put a man in jail, he cannot follow his natural inclinations. He cannot eat what he wants to—he is limited to a very frugal diet. Is it not equally true of a dyspeptic? For all the real enjoyment he gets out of life, he might as well be in jail. He cannot eat what he likes, nor enough. He suffers much, gets little sympathy. At first, perhaps a little heaviness in the stomach, a little sourness, windy belchings and heartburn; headaches and biliousness and a foul taste in the mouth in the morning. Chronic constipation is almost inevitable, and means that the body is holding poisons, impure matter that should be gotten rid of. The poison is being reabsorbed into the blood and the whole body. Impurity in the blood may lead to almost any disease. Constipation is the start of it all. Dr. Pierce's Pleasant Pills cure constipation, cure it so it stays cured. No other remedy in the world will do that.

Minard's Liniment the best Hair Restorer

Li Hung Chang has his opponent and rival, Chang Ten Hwan, in hook. It is now Li's "day in court," so to speak. When it isn't Hung, it's Chang, and nobody but Great Britain and Russia knows the difference.—Chicago News.

Mr. Montague, of Dunville, Cured of Ulcerated Itching Piles.

Mr. Robert Montague, of Dunville, Ont., writes:—"Was troubled with Itching Piles for five years and was so badly ulcerated, they were very painful, so much so, that I could not sleep. I tried almost every medicine known when I was recommended to use Dr. Chase's Ointment. I purchased a box and from the first application got relief. Have used two boxes and am now completely cured."

China may be 1,000 years behind the times, but she can put up a fine example of the advanced woman.—Indianapolis News.

MR. FOX'S EXPERIENCE.

Cured of Stone in the Bladder, by Dodd's Kidney Pills, After Operations had Failed.

TORONTO, Nov. 7 If a census were taken to ascertain how many persons in Canada are afflicted with Gravel and Stone in the Bladder, it would be found that ninety in every hundred are sufferers.

Mrs. Ellen Fox, No 3 Matthias St., Toronto, suffered for years with Stone in the Bladder. She says, "I underwent several operations but derived no benefit. I used Dodd's Kidney Pills, and am now completely cured."

THE MAN WHO WAS FORGOTTEN.

"Set him there, where he may see me; Let me hold his little hand; Keep my memory before him, So that he may understand; Let him look upon my visage As I draw my latest breath; Let him close my eyes when, sightless, They shall stare at him in death.

"Let him look; he may remember! In the years to come, perchance, He may still recall his father, Back across the dim expanse. God, thou hast been kind—I thank thee! Thou hast given me to see Him whose flesh is mine; I pray thee Let my son remember me!"

The wondering child bent over, And he kissed his father's brow. They that listened heard the grating Of the sable boatman's prow. There were tears and sobs and sighing, But the father only smiled. And in death still gazed so fondly At the prattling little child.

ENVOY.

There's a gravestone that is mossy, and a name is carved thereon; There's a wife that once was widowed, but the years have come and gone; There's a son to whom a father's tender love is all unknown, And the name he bears is not the name that's carved upon the stone!
