THE EXAMINER PUB. CO.

OTTAWA CORRESPONDENCE.

The Budget and the Remedial Bill—The Historical Fancy Dress Ball and Albani's Concert—Other Matters of Interest.

Now that the estimates and the Remedial Bill have been submitted to the House of Commons, the business of the session will be more interesting. The debate on the budget has, heretofore, not been very interesting. The speeches of the Opposition on the Budget have been pretty much on the same lines as formerly, viz., condemning the National Policy and Protection, and eulogizing the advantages of Reciprocity with the United States, and the principles of Free Trade. Dr. McDonald, of Huron, made the longest speech of the session, speaking four hours and forty minutes; all of which, that was important, could, however, been easily said in half an hour. The Government supporters have held up the advantages of the Protective system in pretty good style; but few of the ministers have spoken yet. In fact none of them have, at the present writing, spoken on the Budget excepting Mr. Foster. The great excitement of the session centres around the Remedial Bill which was distributed on Saturday to the members. There is a variety of rumors around the House as to its fate; but the general opinion seems to be that nothing definite will be known until after the next caucus of the Government supporters, which is to be held before the Bill is read the second time. The Liberals have had a caucus, and it is understood that Mr. Laurier has instructed his supporters to say nothing that will commit them one way or the other until they see how the Ontario and other Conservatives who oppose the measure have committed themselves. If the Liberals find that the Government will be defeated through the defection of some of its supporters, then the Liberals will vote solidly against the Government and defeat it. If, however, it turns out that the Government can hold enough to carry the bill without the Liberals, then the French and Catholic Liberals will support it so that they can go to their supporters and contend that they did not oppose remedial legislation. From the foregoing the readers of THE EXAMINER can see that the next two or three weeks will be rather exciting around the Parliament buildings here.

The greatest excitement in social circles is the historical fancy dress ball to be held on Monday, the 17th February, and elaborate preparations have been made for its successful carrying out. A description of the several courts will give an idea of the gorgeous nature of the spectacle that will take place in the senate chamber. The chamber has all been floored over and the whole of the adjoining rooms and corridors are to be given up to the function. The Governor-General and his suite are to occupy the end of the chamber where the Throne is located, and the several other historical representations will occupy the right and left sides. On the right hand side, next the vice-regal court, the Vikings will come first, then the court representing the time of Cabot, then Jacques Cartier, then Acadia, and then Maisonneuve. On the left side the court representing the United Empire Loyalists will occupy the space next the vice-regal court, then that representing the time of Montcalm and Wolfe; then Acadia and Evangeline, and New France in the lower corner of the Chamber. The galleries of the Senate Chamber, the tea rooms, the corridors, and also the Library of Parliament will be open to the guests. As soon as they arrive, the various historical groups will assemble round their respective standards, according to their position as hereinbefore described. The first historical dance is to be that of the Vikings, and each of the other courts will follow in turn after, each dance being called out by the sound of a bugle. The ladies and gentleman taking part in the historical dances have been practising for weeks past, and had a rehearsal on Saturday night. Many of the dances are most unique, and bring before the eyes of the observer the manners and styles of the past four centuries. The expense that has been incurred in preparing for this function is something enormous. The instructors for the several dances charged $10 for lessons. The costumers charge from $10 to $20 for the hire of the costumes, and, besides, many ladies have spent hundreds of dollars in getting up their own. The several courts are to be presented to His Excellency and Lady Aberdeen and then the state lancers will be danced, after which the Vice Regal Court will lead the procession to the supper room. After supper has been enjoyed the ordinary dances of present society will be indulged in. It is said thot this ball will be the most gorgeous spectacle seen in Canada since Lord Dufferin was Governor General, and in many respects this function will exceed anything of that time.

The next great social event is the Albani Concert on Tuesday night. The tickets have been all sold at $2 to $3 each, and Canada's Queen of Song will have an enthusiastic reception.

The weather has turned abnormally cold, the thermometer registering 28 below zero on Sunday night; but the clear, crisp air, brightened by sunshine, is not at all unpleasant.

Premier Peters and Mr. W. S. Stewart have arrived to attend the Supreme Court, and will be in good time for the great Historic Ball. Mr. A. C. Macdonald will attend as General Brock, one of the heroes of Canada in the war of 1812. The approach of Lent will put an end to the gaieties that have been so frequent this session. It is generally admitted that this has been one of the gayest seasons Ottawa has seen for many years. All this gaiety is not without benefit to the city; especially to the merchants; who have done a rushing business since Parliament opened.

Talking with an Ontario farmer the other day the interesting fact was elicited, that in that province, where they have had Liberal Provincial Government for over twenty years, the taxation for local and provincial purposes on a 100 acre farm valued at $46 per acre, amounted to $73. This is what may be expected by P. E. Island farmers if they continue to support the Peters Government which has already introduced the thin edge of the wedge, and will soon be driving it home.

PECULIAR in combination, proportion and preparation of ingredients, Hood's Sarsaparilla possesses great curative value. You should **TRY IT.**

Chase's Kidney-Liver Pills.

Chase's Pills have gained popularity because they are a specific for the uric acid condition, prevent Bright's disease, cure Rheumatism and all Catarrhal conditions of the Kidneys and Bladder. They do this because they possess remarkable alterative, tonic and diuretic properties, exerting a wonderfully soothing influence on irritated or inflamed mucuous membranes of the kidneys or bladder. One pill a dose. 25c. a box. The cheapest medicine in the world.

A GREAT WORK!

Women Should be Specially Interested.

Thousands Will Thank Mrs. Thompson, of Toronto, for Her Encouraging Letter.

Paine's Celery Compound Made Her a New Woman.

Mrs. M. Thompson, 610 Eastern Ave., Toronto, once a disheartened and broken-down woman owing to dyspepsia and nervousness, gratefully recommends Paine's Celery Compound to all sufferers. Reduced in flesh, weak and frail, she sought aid and relief from the best doctors, but, alas! no good results came to bless her. In a terribly critical condition, Mrs. Thompson commenced to use Paine's Celery Compound, the dyspeptic's only hope. In a short time she was made hale, strong and vigorous; in a word, she was given a new and better life. Mrs. Thompson writes as follows:

"I feel it my duty to let the public know what Paine's Celery Compound did for me, and trust it will be a benefit to other suffers.

"I was much reduced in flesh and in a thoroughly broken-down condition, resulting from dyspepsia and nervousness. I was recommended to try the Compound; I did so, and three bottles have made me a different woman.

"Previous to taking your Compound, I had taken medicine from some of the best doctors in the city, but with no good results. Therefore, I have every reason to be thankful for Paine's Celery Compound, and take great pleasure in recommending it to others."

A late despatch from Constantinople says the surrender of arms by the Armenians, who for months held the city of Zeitoun, against the Turks has been completed. The despatch adds that Murad Bey, late imperial commissioner of the Ottoman Government, who sought refuge in Egypt, has been convicted of treason, and sentenced to death for publishing articles on the Sultan.

THE SUFFERING OF OLD PEOPLE.

Plain Simple and Quick Relief in the Use of South American Kidney Cure.

The suffering from kidney trouble endured by men and women who are getting a little up in years is often exceedingly distressing. The annoyance and inconvenience caused by a derangement of the kidneys is only too plain to all who have been troubled in this way. How keen the distress at times from what is known as prostatic troubles of old, such as enlargement, inflammation and ulceration of the prostate gland. Without any present or after unpleasant effects South American Kidney Cure gives immediate and lasting relief in all such cases. It is a wonderful medicine for kidney trouble of whatever kind. It is essentially a kidney cure, and boasts of nothing more. But it is king here every time.

Sold at Dodd's Medical Hall.

The amazingly rapid improvement in the building and armament of warships in England is most strikingly illustrated in the statement of the New York World's correspondent: "Eleven years ago the best fleet assembled in the same harbor of Portsmouth. Thirteen war vessels were then gathered there of the best type extant at that time. Either the Majestic or the Magnificent of the present channel fleet could send the whole thirteen to the bottom before any one of them could reach her. Of the thirteen only three are now in commission, and are practically superannuated. The others have been sold as marine rubbish.

IT IS ABSURD.

It is absurd to try to cure rheumatism with sarsaparillas, and the ordinary advertised compounds which are recommended for the cure of almost every disease to which the human flesh is heir.

This disease, as all know, is caused by an acid poison in the blood, and can only be quickly and effectually removed by the use of an internal remedy, which will neutralize it, and thus destroy its irritating properties. The ingredients of South American Rheumatic Cure have not been long known, but are recommended by some of the latest English medical works as being to rheumatism what quinine is to ague, an absolute specific. The first dose of the remedy gives perfect relef, and it at once begins the chemical process of neutralizing the acid of the blood. It usually cures in one to three days.

Sold at Dodd's Medical Hall.

There is frankness in Franklin, Me., where a society of church workers has adopted the name "The Beggars."

Laid Low by Indigestion.

I was so run down I had to give up work. Scott's Sarsaparilla the kind that cures.

Indigestion or dyspepsia is the bane of thousands, and is one of the most depressing of afflictions. It arises from an impure or impoverished condition of the blood, which weakens the digestive and assimilative organs, rendering them incapable of performing their natural functions, and if neglected, the sufferer loses flesh, complains of exhaustion after slight exertion, and becomes rapidly debilitated.

Mr. Wm. W. Thompson, a prominent resident of Zephyr, Ont., in a letter dated Aug 12th, 1895, says: "It gives me great pleasure to testify to the fact that Scott's Sarsaparilla has caused a most remarkable change in my condition. I was so much run down I had to give up work and felt as if life were not worth living. Mr. Dafoe induced me to try Scott's Sarsaparilla, and after taking four bottles I am now feeling as I formerly did years ago, and I want to say for the benefit of those suffering from indigestion and feeling, to use slang phrase, 'completely knocked out,' don't despair until you give Scott's Sarsaparilla a fair trial."

Scott's Sarsaparilla is a blood food, it stimulates all vital organs to healthy normal action, enabling them to throw off all poisonous and debilitating humors. Sold by druggists at $1, but there is only one Scott's. The kind that cures.

A Hot Place.

The hottest region on the earth's surface is on the southwestern coast of Persia, on the border of the Persian gulf.

For forty consecutive days in the months of July and August the mercury has been known to stand above 100 degrees in the shade night and day and to run up as high as 130 degrees in the middle of the afternoon. At Bahrein, in the center of the most torrid part of this most torrid belt, as though it were nature's intention to make the place as unbearable as possible, water from wells is something unknown. Great shafts have been sunk to a depth of 100, 200, 300 and even 500 feet but always with the same result—no water. This serious drawback notwithstanding, a comparatively numerous population contrives to live there, thanks to copious springs which burst forth from the bottom of the gulf more than a mile from the shore.

The water from these springs is obtained in a most curious and novel manner. "Machadores" (divers), whose sole occupation is that of furnishing the people of Bahrein with the life-giving fluid, repair to that portion of the gulf where the springs are situated and bring away with them hundreds of bags full of the water each day. The water of the gulf where the springs burst forth is nearly 200 feet deep, but these machadores manage to fill their goat-skin sacks by diving to the bottom and holding the mouth of the bags over the fountain jets—this, too, without allowing the salt water of the gulf to mix with it. The source of these submarine fountains is thought to be in the hills of Osmond, 400 or 500 miles away. Being situated at the bottom of the gulf it is a mystery how they were ever discovered, but the fact remains that they have been known since the dawn of history.

Queer Cats.

Crossing a female Manx cat with an ordinary tom cat has had results of surprising mathematical accuracy. The mother had six litters of three kittens each; in the first they were all tailless, in the second two were without tails, while one had a half tail; the third time only one was tailless, and two had half tails; with the fourth litter there were more tailless kittens, but two had half tails and one a full tail; in the fifth the proportions were reversed, one having a half tail and one two full tails, while in the sixth litter all the kittens had full tails "The gradual elimination of the tailless condition characteristic of Manx cats," says Nature, "is singular, and well worth putting on record."

ALWAYS PLEASED!

No Grumblers or Growlers When Diamond Dyes are Used.

Thousands of pleasant, happy and grateful letters are on file from ladies who have tested the popular Diamond Dyes that always do their work well and satisfactorily.

Mrs. Thos Lavin, Newark, Ont., says: "I find that Diamond Dyes are the best, as I always get good and fast colors from them. I have used other dyes, but they are all inferior."

Mrs. Wm. Moore, Steenburg, Ont., says: "We like Diamond Dyes better than all others on the market; they always give splendid colors."

When ladies ask for Diamond Dyes they should always insist upon seeing the name on the package, as there are so many worthless dyes sold by dealers.

The Nord Deutsche Aligemeine Zeitung says: "Germany has consented to re-open the question of restrictions on American insurance companies, because the two companies in the question endeavored, by producing further material, to show that the Prussian regulations do not correspond with the requirements of the case."

CHURCH OF THE ASCENSION, HAMILTON.

Rev. W. H. Wade, Rector of Hamilton's Leading Episcopal Church, Endorses Dr. Agnew's Catarrhal Powder.

A leader in the Episcopal denomination in Canada, is the Rev. W. H. Wade, rector of the Church of the Ascension. Among the members of this church are numbers of the most wealthy and fashionable people of the Ambitious City, and beloved indeed is their rector. In his family he has used Dr. Agnew's Catarrhal Powder, and been more than pleased with the good result obtained. The satisfaction has been such that over his own signature he has frankly said to the people of Canada that this medicine is a good thing, and gives the relief that is claimed for it.

One short puff of the breath through the Blower, supplied with each bottle of Dr. Agnew's Catarrhal Powder, diffuses this Powder over the surface of the nasal passage. Painless and delightful to use, it relieves in ten minutes, and permanently cures Catarrah, Hay Fever, Colds, Headache, Sore Throat, Tonsilitis, and Deafness. 60 cents. Sample bottle and Blower sent on receipt of two three-cent stamps. S. G. Detchon, 44 Church street, Toronto. Sold at Dodd's Medical Hall.

The Empire Publishing Company has been incorporated in Halifax for the purpose, it is said, of publishing a daily paper, with William Dennis of Halifax, A. C. Bertram of Sydney, W. E. Newcomb of Canso, and others interested.

BE NOT DECEIVED

The Unparalelled Success of Dodd's Kidney Pills Excites the Envy and Greed of Unscrupulous Imitations.

A kidney treatment in pill form was unknown until Dodd's Kidney Pills came into use.

If Dodd's Kidney Pills were not indeed "the best in the world," no one would imitate them.

Who is defrauded and who pockets the proceeds when a counterfeit coin is passed upon you?

Never let any one persuade you to buy a substitute or imitation of the real article you need.

The genuine are put up in round, flat wooden boxes, white lettering on blue label with red band.

You can get the genuine Dodd's Kidney Pills from any druggist or dealer in Canada, at 50 cts. a box, or by mail from the Dodd's Medicine Co., Toronto, Ont.

25 cents cures Catarrhal Headache.
" " Incipient Catarrh.
" " Hay Fever.
" " Catarrhal Deafness.
" " Cold in the head in 10 min.
" " Foul breath caused by Catarrh.

25 cents secures Chase's Catarrh Cure with perfect blower enclosed in each box. Sold by all dealers.

Weak, Tired, Nervous

Women, who seem to be all worn out, will find in purified blood, made rich and healthy by Hood's Sarsaparilla, permanent relief and strength. The following is from a well known nurse:

"I have suffered for years with female complaints and kidney troubles and I have had a great deal of medical advice during that time, but have received little or no benefit. A friend advised me to take Hood's Sarsaparilla and I began to use it, together with Hood's Pills. I have realized more benefit from these medicines than from anything else I have ever taken. From my personal experience I believe Hood's Sarsaparilla to be a most complete blood purifier." MRS. C. CROMPTON, 71 Cumberland St., Toronto, Ontario.

Hood's Sarsaparilla Is the Only True Blood Purifier

Prominently in the public eye today.

Hood's Pills easy to buy, easy to take, easy in effect. 25c.

GRATEFUL—COMFORTING.

EPPS'S COCOA

BREAKFAST—SUPPER.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately flavored beverage which may save use many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame." *Civil Service Gazette*
