## OUT OUR WAY

By J. R. Williams

## EMPLOYMENT

**Business Opportunities**  
**WESTINGHOUSE ENGINEERS THE GREAT Breakthrough in True COIN-OPERATED SELF-SERVICE DRY-CLEANING!**  
 Now the genius of Westinghouse scientists has made available the first really automatic coin-operated drycleaners designed specifically for investors who want to operate their own self-service stores in their spare time. New disposable cartridges do away with daily filter maintenance, costly powder-stealing service. No demasking, no agitation, no filter protrusion to add. Fast-cycle positive control shuts machine automatically when clothes are dry, regardless of fabric texture, all good condition. Drycycle is completely independent with its own filter system and solvent storage tank. No need to invest in multiple machines when one or two will do the most profitable.

**FIND OUT HOW YOU TOO CAN BUILD CREDIT AND EQUITY WHILE NETTING \$5,000-\$10,000 ANNUALLY** with the most advanced, trouble-free commercial laundry and drycleaning equipment. Located in a national Westinghouse distributor, has helped finance over 15,000 Laundromats and Drycleaners stores for businessmen, professional people, individuals and families who will spend the necessary management time and effort dedicated to making a success of their own small business. With our liberal financing plan, you need invest as little as \$6,000 to \$10,000 in cash. Call or write today. We'll give you the facts, both good and bad, and determine whether this will be a profitable investment for you.
