Many men gathered around from trucks going and coming and were practically lifted out of the mud, and got on their way again. The fishermen are building new traps and repairing old ones. Large piles of traps are piled outside awaiting May 1. It is to be hoped that 1954 will be a prosperous year for the fishermen.

Montague Man Reports Good TV Reception

Mr. Eric Duvar, radio technician of Montague, received a clear television picture and sound on his set at Montague Saturday night from CHSJ-TV, Saint John, N. B. He described the picture as clear with definite line of depth and precision. Mr. Duvar has a 21 inch set with an antenna of 20 feet set with a height of 170 feet, which he intends to increase to 190 feet by lengthening the telescopic antenna. The antenna is also equipped with a rotator so that it may be turned in any direction by means of control at the TV set, so as to direct the antenna towards the station. An additional booster amplifier between the antenna and receiver intensifies the signal. Mr. Duvar found that the picture also became snowy on occasions, but was hopeful that this would clear by changing the booster. He also hopes to be able to pick up Halifax and Sydney when these stations are completed, and indeed anticipates no difficulty in picking up Sydney since it is closer than Saint John, with less interfering masses between the transmitter and the receiver.

St. Veronica Guild Meeting

Rev. Arnold Toner, C.S.C. was guest speaker at the bi-monthly meeting of St. Veronica Guild at the Charlottetown Hospital recently. Benediction of the Most Blessed Sacrament was celebrated in the Hospital Chapel by the Rt. Rev. Patrick McMahon, D.D. Guild Chaplain. Miss Margaret H. Campbell presided at the meeting. Correspondence in regard to two forthcoming conventions was read by the secretary Miss Alice Trainor. Miss Eileen MacDonald was appointed delegate to the Maritime Council of Catholic Nurses' Convention in Halifax in June and Miss Gertrude Arsenault, Provincial Sanatorium Staff, as representative of the Guild at the Congress of the International Catholic Nurses and Medico-Social Workers in Quebec City in September. Monsignor McMahon urged as many nurses as possible to attend this Council. Mrs. R. S. MacDonald, Chairman of Religious Activities, proposed a pilgrimage to Southport Church as a special programme for Marian Year. It was decided that this function would be carried out on Monday following the annual communion breakfast of Guildmembers. Mrs. Charles Trainor, chairman and her committee on Voluntary Nursing presented a splendid report of their proposed method of inaugurating this service with the co-operation of all members. Each nurse volunteered to donate a Rosary to St. Hugh, Sr. Councillor, for patients in hospital, requiring one. Father Toner's inspiring talk was focused on the spiritual angle of nursing. He chose as his introduction and theme an excerpt from a letter written by Florence Nightingale to Cardinal Manning: "I play through life among the mingled souls of those I love". Florence Nightingale possessed the true spirit of nursing for she found joy and happiness in caring for God's afflicted. The tone of her letters impresses on us that she looked beyond the physical needs of her charges into the spiritual which is the essential attribute of the ideal nurse. Father cautioned the nurses not to allow themselves to lose this ideal. To direct their work toward the sanctification of souls and to see Christ in those souls entrusted to their care. When one is ill a deep spiritual hunger arises and unless a nurse is equipped with the three great theological virtues of Faith, Hope and Charity and exercises these virtues she fails to utilize the high ideals of her calling and her work becomes drugery and her views materialistic. Mrs. R. S. MacDonald expressed an appreciation on behalf of the Guild, which was endorsed by the chairman and presented to Father Toner.

Scout Meeting Held In Georgetown

The weekly meeting of the 1st Georgetown Troop was held in their headquarters, Legion Hall, on April 11 with 22 Scouts in attendance. The usual high order of discipline prevailed. The meeting commenced with Patrols in their respective corners. Instruction on knotting and the compass was given. The Scoutmaster held instruction with the Owl Patrol, Assistant Scoutmaster Stewart Hansen was in charge of the Wolves, and Assistant Freddy Walker instructed the Beavers. A lively game was then enjoyed by the boys. A short talk was next given by the Scoutmaster together with a short drill period. The game "Do This, Do That" was then enjoyed by the boys. During this they received callisthenics. The meeting closed with the Scout draws up in horseshoe formation and dismissed. During the meeting, it might be noted, a window pane was accidentally broken, two boys being involved. On the advice of their Scoutmaster they paid for the damage, thus living up to the Scout Law and Promise.

Montague Man Reports Good TV Reception

Mr. Eric Duvar, radio technician of Montague, received a clear television picture and sound on his set at Montague Saturday night from CHSJ-TV, Saint John, N. B. He described the picture as clear with definite line of depth and precision. Mr. Duvar has a 21 inch set with an antenna of 20 feet set with a height of 170 feet, which he intends to increase to 190 feet by lengthening the telescopic antenna. The antenna is also equipped with a rotator so that it may be turned in any direction by means of control at the TV set, so as to direct the antenna towards the station. An additional booster amplifier between the antenna and receiver intensifies the signal. Mr. Duvar found that the picture also became snowy on occasions, but was hopeful that this would clear by changing the booster. He also hopes to be able to pick up Halifax and Sydney when these stations are completed, and indeed anticipates no difficulty in picking up Sydney since it is closer than Saint John, with less interfering masses between the transmitter and the receiver.

St. Veronica Guild Meeting

Rev. Arnold Toner, C.S.C. was guest speaker at the bi-monthly meeting of St. Veronica Guild at the Charlottetown Hospital recently. Benediction of the Most Blessed Sacrament was celebrated in the Hospital Chapel by the Rt. Rev. Patrick McMahon, D.D. Guild Chaplain. Miss Margaret H. Campbell presided at the meeting. Correspondence in regard to two forthcoming conventions was read by the secretary Miss Alice Trainor. Miss Eileen MacDonald was appointed delegate to the Maritime Council of Catholic Nurses' Convention in Halifax in June and Miss Gertrude Arsenault, Provincial Sanatorium Staff, as representative of the Guild at the Congress of the International Catholic Nurses and Medico-Social Workers in Quebec City in September. Monsignor McMahon urged as many nurses as possible to attend this Council. Mrs. R. S. MacDonald, Chairman of Religious Activities, proposed a pilgrimage to Southport Church as a special programme for Marian Year. It was decided that this function would be carried out on Monday following the annual communion breakfast of Guildmembers. Mrs. Charles Trainor, chairman and her committee on Voluntary Nursing presented a splendid report of their proposed method of inaugurating this service with the co-operation of all members. Each nurse volunteered to donate a Rosary to St. Hugh, Sr. Councillor, for patients in hospital, requiring one. Father Toner's inspiring talk was focused on the spiritual angle of nursing. He chose as his introduction and theme an excerpt from a letter written by Florence Nightingale to Cardinal Manning: "I play through life among the mingled souls of those I love". Florence Nightingale possessed the true spirit of nursing for she found joy and happiness in caring for God's afflicted. The tone of her letters impresses on us that she looked beyond the physical needs of her charges into the spiritual which is the essential attribute of the ideal nurse. Father cautioned the nurses not to allow themselves to lose this ideal. To direct their work toward the sanctification of souls and to see Christ in those souls entrusted to their care. When one is ill a deep spiritual hunger arises and unless a nurse is equipped with the three great theological virtues of Faith, Hope and Charity and exercises these virtues she fails to utilize the high ideals of her calling and her work becomes drugery and her views materialistic. Mrs. R. S. MacDonald expressed an appreciation on behalf of the Guild, which was endorsed by the chairman and presented to Father Toner.
