TO ADDRESS LEGION MEMBERS - An interesting talk on his recent trip to Australia will be given to Canadian Legion members by Mr. Leo Bradley who has recently returned from "Down Under". Mr. Bradley was in Australia to visit his daughter who is married and living there. He will tell his fellow legionnaires about it Thursday night at the Legion Home.

COUNTY COURT - At the opening of the October term of the County Court on Tuesday morning, Judge St. Clair Trainor delivered judgment in the suit of Ivan Quinn, plaintiff, and John McEachern, defendant, awarding the plaintiff the sum of twenty-five dollars damages, and costs for injuries which the plaintiff sustained by being struck by the defendant's car. J. A. Macdonald Q. C. was attorney for the plaintiff and James B. Johnston, attorney for the defendant.

VISITED NORTHERN ONTARIO - Mr. and Mrs. W. G. Gillespie returned home on Saturday after visiting their son, David, at Pagwa, Ont. Snow was very much in evidence before they reached their destination. The northern outpost is in touch with the outside world by truck car from Hurst, Ont., where Mr. and Mrs. Gillespie left their car until their return towards home. They were absent about three weeks.

ZION YOUNG PEOPLE'S - Zion Young People's Society held its Halloween/social last evening. A Ghost Walk started off the evening's fun, following this, a parade of all the ghosts, witches, gypsies, etc. was held with the prize for the best costume going to Mr. and Mrs. Huttenheff (David MacEachern and Isabel Farquharson from Kalamata. A pie eating contest was won by Mona MacPhail and John Phillips. A ghost story was told by Allan Burns. Following lunch the social evening came to a close with the singing of "Blest Be The Lord's Prayer in unison.

FOR INDIANAPOLIS - Messrs. Paul Jenkins and Ambrose MacKinnon crossed on the 7:30 Borden ferry last evening with a furniture van of the Jenkin's Transfer carrying freight destined to Ottawa from where they will proceed to Indianapolis for a return load. The outward shipment is the furniture of Constable Sandberg, R. C.M.P., recently transferred from the Montague detachment and the Island bound shipment is that of Rev. Kenneth T. Norris, newly inducted Minister of the Christian church at Montague. The round trip will cover about 3,000 miles. Paul Jenkins and James Cousins recently made a quick round trip by motor van to Toronto when they brought the furniture of Rev. G. E. Moffatt to Charlottetown.

HALLOWEEN SOCIAL - Trinity Young People's Union held their regular meeting in the form of a Halloween social last evening. The meeting opened by ducking for apples followed by a terrifying ghost walk. The evening continued with a blood-curdling ghost story. The officers for the coming year were elected with "Chuck" Walper as president, Mary Morrison, vice-president, Carol MacCrae, secretary, and Margaret Wheatley, treasurer. The costumes were then judged with the prizes going to Joyce Wigginton, June Elkhound and "Chuck" Walper. After a delicious lunch the meeting closed with "Blest Be The Lord's Prayer" and the benediction by Mr. Irwin.

GUESTS AT SERVICE - Visitors from Summerside, Montague and Dundas Baptist Churches were special guests at last evening's service of the evangelistic campaign at the Charlottetown Baptist Church. Rev. Lawrence Atkinson gave another inspiring address, "Testifying For Jesus" in the theme "Christian Discipleship". Rev. Marvel Dunbar, Central Christian Church pastor, led in prayer. A message in song, "Jesus Took My Burden", was presented by song leader, Rev. George R. Bell. Rev. J. D. Davison conducted the service and music was provided by members of the regular choir with Mrs. Allison Macdonald at the organ and Mr. Roydon F. Mugford at the piano. The campaign draws to a close with the meeting being held this evening.

INVERKEITHING, Scotland, Oct. 28 - (Reuters) - The former Canadian Pacific line Express of Australia caught fire today in a yard here where she is being broken up for scrap. A fire brigade fought the outbreak for three hours before it was brought under control. There were no casualties.

Heavy Shipments Accentuate Reefer Car Shortage Problem

Unusually heavy shipments of potatoes during the present crop season have been primarily responsible for the existing shortage of refrigerator cars. Estimates of the needs of shippers range from 40 to 50 cars per day, while it is believed that there are only between 10 and 15 available. "If the present shipping trend continues, an average of at least 50 reefer cars per day will be needed by our shippers during the coming weeks", Mr. Donald A. MacDonald, manager of the P. E. I. Potato Marketing Board, stated yesterday. Mr. MacDonald said that for the week October 21-27, 289 cars had been shipped by rail. For the present season to date rail shipments amounted to 953 carloads as against only 180 cars for the same period last year.

Radio Subject Of Discussion At Liberal Rally

OTTAWA, Oct. 28 - (CP) - Radio and television stirred up a rumpus in the Liberal Party's top governing body today, with the advisory council of the National Liberal Federation eventually backing government policy by calling for better break for non-CBC television. On the heels of its request yesterday for the abolition of radio licence fees, the 235-member council today asked for "the development of television in Canada by private enterprise along with the CBC."

The television resolution was brought up from the floor of the convention after various television proposals had been sidetracked by the council's resolutions committee. It was adopted, according to delegates in the closed meeting, over the objections of Revenue Minister McCann. Delegates said Dr. McCann - the minister through whom the CBC reports - took the platform to advise against passing any resolution on television.

In a long debate, Dr. McCann set out the government's view that no private television licences should be issued until the CBC has set up its stations in key points. The relaxing of government policy was proposed by C. Irving Keith of Winnipeg, a lawyer and one of the National Liberal Federation's three vice-presidents. The resolution ultimately adopted was supported by about 85 per cent of the delegates, according to some of those in attendance.

While the Federation's secretary made public more than a dozen non-controversial resolutions adopted during the day, its official releases did not include the one on television. Major announcement was the election of Duncan K. MacTavish of Ottawa as president of the Federation to succeed Senator J. Gordon Fogo, who died suddenly in July. Mr. MacTavish, a lawyer, is president of the Federal District Commission here.

Other Resolutions On this last day of its two-day session, before concluding with a banquet addressed by Prime Minister St. Laurent, the council also adopted other resolutions: 1. Commending the government for its handling of the foot-and-mouth disease outbreak in the west early this year and expressing hope the United States market for Canadian cattle and meat - shut off at the time of the outbreak - will be opened as soon as possible.

2. Expressing hope that the Commonwealth economic conference of late next month in London will lead the member nations to remove the discriminatory restrictions which limit our (Canadian) markets in Commonwealth countries. Also, that world trade barriers generally should be removed. 3. Recommending increased development of fishery resources, particularly the provision of low-cost fishing equipment. 4. Commending government measures on social security, with the expression of the hope that "the ultimate goal is a policy of contributory health insurance to be administered by the provinces on a nation-wide scale."

5. Supporting government housing policies, with the urging that it continue to press for "adequate housing for all Canadians, particularly those in the low-income groups." 6. Urging adjustment of benefits to veterans and their dependents.

IN MEMORIAM In loving memory of our Father and Mother, Mr. and Mrs. Bernard Paynter, who departed this life Sept. 21, 1940 and Oct. 29th, 1950.

Deep in our hearts your memory is kept. We loved you too dearly to ever forget. Lovingly remembered by their daughters Mary and Minnie.

EVERY ONE LIKES ICE CREAM. BUT THEY LOVE Perfection ICE CREAM.

Island Odds And Ends

The fall run of mackerel has been a good one according to Mr. J. J. Larabee Supervisor of The Dominion Department of Fisheries for the Province. Mr. Larabee also reports that the druggers working out of Souris are having a successful season, with large landings of flounders, haddock and cod. Thus far smelts have been in scarce supply.

As in other years several local horsemen will attend the annual Horse Sale in Harrisburg, Pennsylvania early in November. Any new blood purchased there will give added interest to next year's racing on Island tracks, and for that reason the attendance of the local men at the sale is of considerable interest to the fraternity hereabouts.

A few days ago four immigration officers visited the Province to acquaint themselves with general conditions here.

All of them have been stationed in Europe for several years and all are war veterans. After completing a tour of Canada they will return to their posts, in London, England; Paris; Brussels; and Belfast, Ireland.

They flew into Charlottetown by Maritime Central Airways plane, and were greatly impressed by the Island as seen from the air. Two of them were former Canadian war-time flyers and their tributes to the Island's beauty, therefore, was that of experts. They were just as much impressed by a car drive to Montague and vicinity, and later a visit to Summerside and district. They stated that Europe was making a good comeback from the ravages of war, and this was particularly true of Germany whose rehabilitation was phenomenal.

It's a reversal of things to see Charlottetown importing labor, but Maritime Central Airways Maintenance, has been forced to go far afield - as far as Europe - to secure skilled aeroplane mechanics, and within the past few days the local wool-mills brought in a wool-carder from Moncton.

Potatoes may not soar to the sky-high price they reached last winter, but it is a fact that they are worth more today than they were on the corresponding date a year ago. Since pork and beef prices have slumped, this year's potato crop will be a life-saver for many farmers; those lucky enough to have any considerable acreage.

The annual Poppy Campaign of the Charlottetown Branch of the Canadian Legion is underway, and the Ladies Auxiliary are working hard to make it the most successful in its history. Merchants of the city are cooperating with their usual generosity, and the sale of wreaths, it is understood, has been most encouraging. The Auxiliary is well organized for the campaign and the city is being well covered by canvassers.

Islanders who have been employed on the construction of the giant American air base at Labrador are returning home in increasing numbers as winter approaches. The climate in Goose Bay enforces a curtailed working force in the winter months, and this suits many Islanders who prefer their native Province when cold weather arrives. Most of the men however complete four to six months at "Goose", before turning homeward. None of them can settle in Labrador permanently since it is a defence area purely and simply. The vast project underway at Goose is expected to continue for about two more years say the men who have been working there.

SKYSCRAPER SOLD For \$17,500,000 DETROIT, Oct. 28 - (AP) - The 47-story Penobscot Building, Detroit's tallest skyscraper, has been sold to a Montreal family for about \$17,500,000, it was announced today. The new owner is the Webster family, composed of four brothers and a sister who make their home in the Canadian city. Operating through a newly-organized Michigan Corporation, they will take over the building Jan. 1. The Websters are the sons and daughter of former Canadian Senator Lorne C. Webster, who died in 1940 leaving a fortune including large holdings in oil wells, banks, ranches and business firms, including Annis Furs of Detroit.

OTTAWA, Oct. 28 - (CP) - Canadian savings bonds sales totalled \$133,000,000, including almost \$100,000,000 through the payroll savings plan, were reported today by the Bank of Canada for the first two weeks of the current bond campaign.

His Wedding Day

Warmest congratulations are due to Mr. J. Angus MacLean, M. P., who is being married today at Knox Church, Saskatoon, to Miss Gwendolyn Burwash of Saskatoon.

Campaign In Aid Of Blind

Mr. Gordon Foster, Provincial Chairman of the Canadian National Institute for the Blind provincial campaign was pleased and encouraged last night to learn that a number of well-known businessmen at key points in the Province had undertaken to head the canvass in their areas. At Summerside, ex mayor Frank Arnett and Mr. J. A. Gallant are taking charge, at Tignish Mr. John Myrick, Alberton, Mr. Cyril Leard, Borden, Mr. Reg. Rogers, Montague, Judge Des. Roches and at Mt. Stewart, Mr. Harry MacKay.

The special names committee in the city yesterday met with a splendid reception and the regular canvass, which begins today, will be carried on by 35 additional volunteers.

What you can believe about "sales"

When you buy something at a "sale", are you really getting extra value? Can you save by shopping in "Bargain Basements"? Is it safe to look for "irregulars"? Are "Preseason Sales" on the level? In November Reader's Digest, read the fascinating, behind-the-scenes story of department store merchandising that tells how department stores (large and small) can manage to run "sales" day after day - and still offer real bargains to their customers.

TEHRAN, Oct. 28 - (AP) - Iranian foreign minister, said today Premier Mohammad Mossadegh would send a message to the British people exposing "hidden facts" in Iran's oil dispute with Britain. The message will be handed to the British charge d'affaires, George Middleton, just before he leaves Tehran. Iran has broken off diplomatic relations with Britain over the oil issue. LONDON - (CP) - Three-year-old Graham Coppin pushed his head through the railings of a warehouse and extricated it without trouble. But his twin brother Peter got his head stuck trying to do the same. Firemen freed him.

League of Mercy Tea Yesterday

The annual League of Mercy tea was held yesterday afternoon at the Cundall Home by the Junior Ladies Aid of the Prince Edward Island Hospital, with Mrs. Lewis Turner as convener, assisted by Mrs. William Hamblly.

The tea table was beautifully arranged with a white lace and linen cloth, and a bouquet of chrysanthemums in a silver bowl, flanked by silver candelabra with green tapers. Mrs. W. E. Cotton and Mrs. G. M. Avar of the Senior Ladies Aid poured tea, while members of the Junior Aid served the delicious refreshments. Mrs. Lorne McLellan was in charge of the tea, assisted by Mrs. Walter Pickard, Mrs. George Ives and Mrs. Alfred McNeill.

Mrs. A. G. Macmillan was in charge of the large display of gifts for the hospital, which were shown in the gymnasium.
