
ALBERTON HIGH BANQUET HELD

Mrs. Vernon England entertained members of the 1958 graduating class of Alberton High School at a banquet in her home on Poplar Street the evening before commencement exercises.

Green and gold, the school colors, appeared in the floral arrangements, the green tapers in brass candlesticks and tiny candles which served as favors. These colors were also featured in the menu. Attractive place cards were designed by Eric Hardy, a member of the class.

In preparation and serving of the banquet Mrs. England was assisted by Mrs. O.H. Phillips. Wallace (Bill) Donald was toastmaster. "The Queen" was proposed by Clair Oliver and responded to by Messrs Lloyd and Ralph Gaudet. "The Future," was proposed by Alden Rennie and responded to by Eric Hardy. The class prophecies were read by Mrs. England.

At the close of the banquet Elaine Miller expressed to Mrs. England the sincere appreciation of the class for her gracious hospitality.

A singsong, with Sandra Sampson as acompanist, was followed by dancing, for which the music was provided by Miss Peters, a guest at the England home.

TORONTO (CP) — Interest in speculatives waned on the stock market Wednesday after five sessions of rising volumes and prices.

Profit-taking hit many of the big winners Tuesday and continued today in slower trading. Final volume of 8,124,000 shares was down considerably from yesterday's 12,534,000.

Consolidated Halliwell was the leading issue Wednesday, adding four cents at 66 on a turnover of 536,750 shares. New Hosco, the stock that jumped from 17 cents to $7.25, attracted moderate attention, losing five cents at $5.65 on 284,093 shares. Tuesday it traded 739,795 shares.

NEW YORK

NEW YORK (AP)—A dividend slash by Ford Motor Company shocked Wall Street Wednesday and a previously higher stock market tumbled to a loss.

News that Ford had cut its dividend to 40 cents from 60 cents came in mid-afternoon. Almost simultaneously with news of the dividend cut, Ford stock sold at 42¾, a peak for this year, and up ⅜ from the previous close.

It was immediately barraged with selling which drove it down to 39½, a loss of 2⅞ on the day.

Other prices deteriorated along with Ford but there was no tremendous rush to unload.

The Ford performance was the latest chapter in a story which began in January 1956 when Ford previously a family-held concern, offered its stock for the first time to the public at a subscription price of 64½. It rose to a high of 70 early that year and sank to a low of 35⅞ in 1957.

The Associated Press average of 60 stocks dropped 70 cents to $174.60.

In the Canadian list Distillers-Seagrams dropped ⅜ and McIntyre Porcupine was down 1½. Aluminium Ltd. and Walker-Gooderham gained ⅛.

Among Canadian issues on the American exchange, Shawinigan was up ⅛. Jupiter Oils and Sapphire Petroleums added 1-16. Preston East Dome and Scurry-Rainbow Oil lost 1-16.
